**Statement By Owners!**

Since we moved to our present location 6 years ago, after being in the furniture business in Medford for over 20 years, we have tried to bring to you quality merchandise at the lowest possible prices. We also have made it a very strict policy to guarantee and service the merchandise we sell. We have stayed away from promotions because we felt that the customer was not getting his dollars worth in promotion merchandise. Now we are offering to the people of Southern Oregon our complete stock of over \$60,000 at honest-to-goodness sale prices. We are leaving the original tags on our stock so you can see your actual savings. This is our thanks to you for the wonderful business you have given us over these past years. We know that your savings during the sale will be great and very gratifying to you. None of the merchandise was purchased for sale purpose — it is all our regular fine stock that we sell every day of the year. We guarantee to you that none of the original prices have been raised, then marked down to look good. Our aim in the sale is to give you a good old fashioned honest sale.
