

# Bud Kykendall Leads UO Scoring

University of Oregon, Eugene—Bud Kykendall, a sophomore guard from Eugene, jumped into the scoring lead for Coach Steve Belko's Oregon Ducks after the first two games of the season with a total of 22 points.

The Wildcats, who lost to Portland and upset Texas in the first doubleheader of the season, also had 20-point performances from Charlie Franklin at forward and Hal Duffy at center in the first weekend of action.

Kykendall, who played the entire game against the Longhorns, has demonstrated he is going to be dangerous as an outside shooter with two-hand set shots and also vary his scoring three-point shot with an ability to drive to the basket if checked closely outside. He is the first Duck guard in the decade to use a two-hand shot effectively and Coach Belko has hopes he will continue to develop as the season goes along.

Morgan and Kykendall top the regular season scoring from the floor, but the Webbs apparently have some practice coming on the free throw line. In the initial game, the Oregon free throwers failed to hit on more than half of their opportunities.

## Gambee, Anderson Should Give OSC Improved Crew

(This is another series on the outlook of West Coast basketball teams for the 1956-57 season.)

Corvallis, Ore. —(UP)— Make way for big Dave Gambee (6-7) and little Jim Anderson (5-7) who are expected to give Oregon State a vastly improved basketball team this year once it shakes out some of the early season kinks.

Coach Slat's Gill, back for his 30th campaign with the one-formidable Beavers, feels that Gambee is destined to become one of the greatest players in the school's history. The fancy forward finished third among the Pacific Coast conference scorers last season and does an exceptional job on defense.

As for Anderson, he stepped into the starting lineup out of total obscurity. Little Jim wasn't even listed on pre-season dope sheets until he checked in one day with a role as playmaker that left the experts wide-eyed.

Team Improves

Anderson has started all five games played so far and in which the team shows signs of living up to Gill's expectations even if it has lost three contests.

The coach has three 6-8 centers to work with—Wayne Moss and Ralph Carroll who are two of seven returning lettermen, and sophomore Gary Goble.

Other tested veterans, who earned their letters last season are forward Bob Allord, a 6-5 senior and three 6-0 guards—Ken Nanson, Gary Haynes and Jerry Crimins. The latter also is a senior.

In addition to Goble, Slat has three other outstanding sophomores—Don Pino (6-2) and guards Lee Harman (6-1) and Ted Miller (6-2).

The Beavers have defeated Brigham Young and Wyoming so far this season but dropped games to Colorado, Texas and Portland. No action is slated now until Dec. 18 when Gill's Cagers meet Missouri and Rice on successive nights. This will lead up to a holiday tournament at Corvallis with such strong squads as USC, Washington and Southern California coming to town.

In the meantime, Gill is not discouraged by the team's slow beginning.

"I think we'll have a good club," he repeats.

## Good Balance Exemplified In Pro Loop

By UNITED PRESS

The records of the Detroit Lions and Cleveland Browns during the past two seasons show how well-balanced the competition has become in the National Football League.

The Lions, now leading the Western division with a 9-2 record, finished last in 1955 with a 3-9 mark. The Browns (5-6) probably will finish third or fourth in the Eastern division this year after winning the league championship the last two seasons.

Detroit, Western champion from 1952 through 1954, was described as the best last-place team in league history last season when it suffered five of its nine losses by seven points or less. This season the Lion zoomed back to the top because they won the close ones, registering four of their triumphs by four points or less. Their two losses were by margins of one and four points.

String Snapped

While Detroit bids to become the first NFL club ever to bounce from last to first, Cleveland's unprecedented string of division titles in two leagues finally has been snapped at 10. The Browns lost two games in the final seconds but also won two by a total of seven points while compiling their current 5-6 record.

The Lions play the Bears 8-21 at Chicago Sunday with the Western title going to the winner. The Bears are tough at Wrigley Field but the Lions are picked to win because of their strong defensive unit.

The other week end selections: Saturday—Eagles (3-7-1) over Giants (7-3-1) at Philadelphia; Sunday—Redskins (6-4) over Steelers (4-7) at Washington; Browns (5-6) over Cardinals (6-5) at Cleveland; Rams (3-8) over Packers (4-7) at Los Angeles; Colts (4-6) over Forty Niners (4-6-1) at San Francisco.

## Jones Heads Skier Group

Myers Jones has been named president of the Rogue Snowmen ski club.

New secretary is Lee Ann Bessnette. Leonard Vaughn has been selected to handle publicity and Jack Hanel is in charge of bus transportation for the group.

Snowmen, meeting at the home of Mr. and Mrs. G. D. Bessnette, 2609 Hillcrest rd. this week, discussed ski conditions of the surrounding areas and also talked concerning the possibility of a cabin being built for use by members at the new Mt. Shasta ski area. Trips to Reno, Nev., Mt. Hood and Lakeview were discussed.

Movie Shown

A motion picture was shown at the meeting on the ABCs of skiing. The business meeting and picture followed a barbecued steak dinner.

Next club session will be on Jan. 10. It is planned to present a 1 1/2-hour motion picture program of skiing.

Bill Brooks of the new Rogue Ski shop is providing snow reports this winter and has information available on skiing equipment.

## Knickerbockers' Felix Gets Fine

By UNITED PRESS

Center Ray Felix was \$25.00 poorer today, and the New York Knickerbockers hoped, a bit wiser.

The 6-11 Felix incurred an automatic fine Wednesday night when in anger he batted the ball out of Referee Horst's hands after being charged with his sixth foul—a technical.

Up until that point—early in the final period—the Knicks were in the game, but the Minneapolis Lakers opened up and breezed to a 121-103 victory. Big Clyde Lovellette scored 29 points, 15 of them in the last session, to lead the Laker attack.

The Rochester Royals, rumored to be headed for a new home because of poor fan support, lengthened their lead in the Western Division of the National Basketball Association to a full game by beating the Boston Celtics, 103-93, and the Philadelphia Warriors moved into a second place tie with the Knicks in the Eastern race by defeating the St. Louis Hawks, 115-99 in other games.

### DISMISSAL REFUSED.

New York —(UP)— Federal Judge Sidney Sugarman has refused to dismiss a \$1 million damage suit against the National Basketball Association filed by a Washington group, ruling that the group has a claim for which relief can be granted and can sue.

The Washington Professional Basketball Corp., Inc., filed the action in 1955, charging the NBA had conspired to prevent it from buying the franchise of the bankrupt Baltimore Bullets.

## Hooper Gains Inspiration Grid Award

Eagle Point — Norm Hooper, Eagle Point high fullback, has been awarded the Eagle market inspirational trophy for the 1956 season.

The award was announced last night at the second annual father and son football banquet, a community-sponsored event held at the school. End Wayne Christian was named 1957 honorary captain of the prep grid club. Christian will succeed Jack Greb.

Coach Stan Smith of the high school squad handed to Greb the trophies emblematic of the Rogue League and District 6 A-2 championships for 1956. Greb will present the trophies to the student body. Eagle Point reached the state A-2 semi-finals this year. Grade School, Too

The dinner was for grade school as well as high school athletes and grade mentor Vern Bonebrake introduced the players and announced the honors for them. Smith awarded freshman and varsity football letters to the high school players.

Greb, representing the team, presented a gift, a shirt, to manager Tom Collette.

The program included a piano number by one of the players, Ralph McClure, and movies of the District 6 final game with Glide. Pictures on the wall depicted incidents during the season.

A ham dinner was served by women of the community.

Clarence Davies, Eagle Point high instructor, was master-of-ceremonies.

## Company A, Hawkinson's Post Wins

Lea Motors meets Mutual of Omaha at 7 p.m. and Ashland National Guard meets National Guard Headquarters Company at 8:30 p.m. in Medford Independent Basketball league games today at McLoughlin Junior high.

In tussles last night Hawkinson Tire Tread tripped Mutual 52 to 47 and Company A of the Guard whipped Headquarters 62 to 35. Reports of the Ashland NG-Butte Falls and Prospect-Lea Motors games were not available.

Hawkinson's broke away from a 38-11 tie to build up an eight-point lead in the final stages of his game. The Tiremen led after a close first half 29 to 25, but Mutual fought back to go in front 31 to 30. Backboard control made the difference.

Company A romped away in the second half after leading only 20 to 17 midway. Ayres had nine points for the Company A and Kay Bateman 12 for Headquarters.

## AMERICAN HOCKEY

Hershey's mastery over the bottom two clubs edged the Bears into a slight first-place margin today in the American Hockey League.

The Bears topped cellar-dwelling Springfield, 3-2, in Wednesday night's action to move two points ahead of Providence.

Costa Decisions Paul Jorgenson

New York —(UP)— Featherweight contender Carmelo Costa claimed triumphantly today the eyes of Texas must be blind—or at least a little near-sighted.

Costa of Brooklyn won a lopsided decision over Paul Jorgenson of Port Arthur, Tex., in their third meeting at Madison Square Garden Wednesday night; and he insists he won the other two bouts at Houston "by even wider margins" but didn't get the verdicts.

Jorgenson, 21 and ranked second among feather contenders, held fifth-rated Costa to a draw on July 31 and won the decision on Nov. 20.

## NATIONAL LEAGUE

Boston —(UP)— The Boston Bruins' hopes of holding the National Hockey League lead rested in Carney Hospital today as goalie Terry Sawchuk underwent a series of tests to determine the extent of a serious blood disease he is believed to have contracted.

The three-time winner of the NHL's Vezina Trophy and the second best defensive net-minder in the league this season was hospitalized Wednesday for an indefinite period with infectious mononucleosis.

WARDEN ADDS NEW KEY

Chicago —(UP)— The assistant warden at Cook county jail, Hans W. Mastick, added a new key to his collection today. He was awarded a Phi Beta Kappa key by the Illinois chapter of the nation's top scholastic society.

## Jack Robinson Goes To New York Giants

New York —(UP)— Jackie Robinson, one of the greatest heroes in Brooklyn Dodgers history, was traded to the New York Giants today for pitcher Dick Littlefield and an undisclosed sum of cash estimated at \$50,000.

Giant Manager Bill Rigney said he was "elated by the deal" and announced that the greying 36-year-old Robinson would play first base for the Giants next season.

A Giants spokesman revealed that President Horace Stoneham of the Giants and Walter O'Malley of the Dodgers "closed the deal" at the recent Major League meeting in Chicago but the announcement was withheld because the executives wanted to reveal the news to the players first.

Robinson, first Negro to play Major League baseball, thus will bring his fiery talents to the team against which he battled hardest during his spectacular career. A star performer for the Dodgers since 1947, Robinson carried on a constant feud with former Giant Manager Leo Durocher and always seemed to play at his best against the Giants.

Six World Series

Robinson, a star athlete at UCLA, played in six World Series with the Dodgers and also participated in six All-Star games against the American League. He has a lifetime batting average of .309 and hit more than 300 for six straight seasons, 1949 to 1954 inclusive.

Robinson's play fell off badly in 1955 when he hit only .256 in 105 games and the Dodgers obtained Ransom Jackson from the Chicago Cubs with the idea that he would take over the veteran Negro star's job. But Robinson responded to the challenge by playing tremendous ball during spring training and eventually "won" the job from Jackson.

Robinson was a potent factor as the Dodgers battled the front-running Milwaukee Braves down the National League stretch run last season, once again demonstrating his magnificent "determination to win."

In the World Series, he enabled the Dodgers to send the classic to the full seven games when he singled home a run in the 10th inning of the sixth game that gave Brooklyn a 1-0 victory over the Yankees.

## Gamecocks Thump NCS Crew 75-61

By JOHN GRIFFIN

United Press Sports Writer

It looks as if it's true what they say about Dixie—North Carolina State isn't kingpin any more.

For nine of the last 10 years, Coach Everett Case guided State's Wolfpack to a conference championship and a high national rating. That's why pre-season whispers from the Southland that State wasn't up to par were hard to believe.

But Clemson surprised Tuesday night by upsetting the "Pack, 96-94, for the first time in 15 years and Wednesday night came the real shocker—South Carolina's runaway 75-61 victory over State, the first Gamecock win in Case's reign.

In contrast to the Clemson "squeaker," South Carolina led all the way after the first 10 minutes—with a 34-24 halftime margin, fought off a State rally that cut the margin to 38-34 early in the second half, and then breezed home. Sophs Fred Lentz and Ray Pericole had 19 and 18 points, respectively, to lead South Carolina.

Actually, fouls cost N.C. State the game, which was played at Charlotte, S. C. South Carolina had 40 tries from the charity line and sank 27. State had only 14 tries and sank five, wiping out State's four-basket edge from the floor.

The already groggy experts were jolted again Wednesday night when Niagara, tied for the No. 18 national ranking, suffered an 82-79 setback by twicedemanded Syracuse. Niagara was fresh from an easy victory over Seton Hall and seemed on its way up in the national rankings.

## Seixas, Flam Selected for Davis Tiffs

Perth, Australia —(UP)— Tennis veterans Vic Seixas and Herb Flam were officially named today to play singles matches for the United States in the inter-zone Davis Cup finals against India starting here Friday.

Flam, 28-year-old Californian from Beverly Hills, Calif., who specializes in a defensive-style game, was drawn to face India's 19-year-old Ramanathan Krishnan in the opening match at Royal King's Park courts.

Seixas, 33-year-old Philadelphia and ace of the American squad, was matched against India's playing captain, Naresh Kumar, in the second match. After a doubles match Saturday, the best-of-five series will conclude Sunday with two more singles matches in which Seixas will play Krishnan and Flam will meet Kumar.

U.S. non-playing Captain Billy Talbert named Seixas and Sam Giammalva of Houston, Tex., as his doubles team, but under cup rules Talbert can change the lineup anytime up to one hour before the start of the match.

## Auto Injuries Fatal To News Syndicate Man

New York —(UP)— James P. Patton, Eastern Division sales representative for United Features Syndicate, died Wednesday night at Glen Cove, N. Y., of injuries received in an automobile accident at nearby Glen Head last Sunday.

## No De-Emphasis At Notre Dame

New York —(UP)— Paul Hornung's acceptance of the Heisman Trophy was saluted today by the President of Notre Dame, who made it clear there will be no de-emphasis of football at South Bend.

Rev. Theodore Hesburgh, Notre Dame president, took cognizance of de-emphasis talk during a dinner at which the 20-year-old Hornung, Notre Dame's All-America quarterback, received the coveted Heisman award.

"Anyone who would think of de-emphasizing football at Notre Dame should have his head examined," said Rev. Hesburgh. "Before you can de-emphasize a sport, it first must be out of proportion."

## CASHES COSTLY CHECK
