

# New Anti-Soviet Riots Told in Hungary; Egyptian Commandos Attack British Troops

51st Year  
**MEDFORD** **TRIBUNE**  
 United Press—Full Leased Wire  
 MEDFORD, OREGON, FRIDAY, DECEMBER 14, 1956 No. 228

## United States Offers To Share Modern Weapons

Paris—(U.P.)—The United States offered today to share with its NATO allies dual purpose weapons which could fire either atomic warheads or conventional missiles.

Although it was the first step in opening the U.S. atomic arsenal to member nations of the North Atlantic Treaty Organization, for the moment they were promised no strictly atomic arms.

**Technical Details Spoken**  
 An American spokesman said

## United Medford Crusade Exceeds Goal of \$117,175

The United Medford Crusade has gone over its goal of \$117,175, Sam Hersh, general chairman, announced today.

At Monday's report meeting, \$109,995 was reported, and a concentrated effort by division chairman and other workers this week pushed the total to about \$1,000 more than the goal, Hersh said.

The Medford crusade is believed to be the first such campaign in southern Oregon to reach its goal thus far this year.

Hersh credited volunteer campaign workers and the generosity of firms and employees in the area who contributed to the most successful campaign of this type, in respect to money raised, which the community has ever had.

**May Go Higher**  
 Hersh said it is probable that the campaign may reach as much as 105 per cent when all returns have been submitted. Reaching the goal will assure member agencies of receiving the full amount of their approved UMC budgets for the coming year.

Contributions from divisions to date include plank chapter, \$64,955.60; Ken Cook, chairman, professional, \$8,568; Dr. Merle Feland, chairman, public employee, \$8,498.50; Elliott Becken, chairman, commercial, \$9,051; Bob Johnson, chairman, distributor, \$4,171.25; Norton Smith, chairman, retail, \$6,280.10; Chucio Baucum, chairman, service, \$6,293.25; Guy Hays, chairman, special gifts, \$5,954; Allen Eames, chairman, special events, \$789.56; Russ Jackson, chairman, an Home Crusade, \$3,574.71; Mrs. Raymond Reter, chairman.

The professional, public employee, commercial and home Crusade divisions have exceeded their goals, Hersh said, with the commercial division topping its goal by almost \$2,000.

Volunteer workers will be honored at the annual UMC meeting in March.

William Prentice, UMC board president, said a new campaign chairman is to be selected for next fall, and plans for the campaign are now in progress.

## Day Resigns Post At Medford YMCA

Donald E. Day, for the past five years physical director at the Medford YMCA, has announced his resignation, which will become effective in mid-December. He plans to enter business with a private sales organization in Medford.

He came to Medford from San Antonio, Tex., and has worked with Medford young people in the swimming program and camping activities conducted with the YMCA. Day, his wife, Mabel, and son Jeff, will continue to live at 1671 Grand ave.

The board of directors has not found a replacement but is interviewing college graduate with two years or more experience for this position.

**Weather**  
 FORECAST: Valley fog tonight and Saturday morning. Partial clearing Saturday afternoon. Low tonight 30-37. High Saturday 40-47.

Jupiter, high in south	6:37 a.m.

## Neuberger Won't Block Ellsworth's Effort To Get Federal Appointment

Portland—(U.P.)—Sen. Richard L. Neuberger (D-Ore.) said here today that Rep. Harris Ellsworth, defeated Republican Congressman from Roseburg, may be considering a top-level position in the Eisenhower administration.

Neuberger revealed that Ellsworth had called him from Washington inquiring about his attitude toward a presidential appointment for Ellsworth

APPROPRIATE — Marjorie Upham of Scandinavian Airlines plays Miss Santa as she checks through Air Express International Christmas packages to go aboard first air freight consolidation from San Francisco to Europe over the North Pole.

## U. S. Ready To Make Concessions On Disarmament

Washington—(U.P.)—The United States is ready to make major concessions in a new bid for an agreement with Russia on disarmament.

Informed sources said President Eisenhower has approved significant changes in this country's position on arms control and reduction.

1. The United States is willing for the first time to accept some limitation on development of both intermediate and long range missiles, including the yet to be perfected intercontinental ballistic missile, the so-called "ultra-mate weapon." That is, if Russia agrees to open its territory to ground and aerial inspection by disarmament observers.

**Would Suspend Tests**  
 2. The United States is willing, also for the first time, to suspend hydrogen bomb tests, but again provided only that Russia agrees to disarmament inspection and also to other provisions of the U. S. plan.

3. The United States is ready to relax its insistence that Russia accept full aerial inspection before agreement on other phases of disarmament can proceed. It is doing so because Russia has now accepted partial aerial inspection. The United States now will shift its major emphasis to ground inspection, an inspection plan Russia has insisted on.

4. This country also is willing to begin reducing its military manpower to an agreed level at the same time that the arms inspection system goes into effect. Previously it insisted that there be arms inspection before proceeding with manpower cuts.

**Income Tax Forms Mailed Out by State**  
 Salem—(U.P.)—A total of 435,000 personal income and corporate excise tax forms are being sent out for 1957 by the State Tax Commission.

Commissioner Ray Smith said about 537,000 tax returns were filed with the commission in 1956.

Income and corporate excise tax returns must be filed by April 15.

**UN Asked To Stop Expulsions in Egypt**  
 United Nations, N. Y.—(U.P.)—France, Britain and Israel applied pressure in the United Nations today to stop the Cairo government from alleged mistreatment and expulsion of their nationals.

Salem—(U.P.)—The Oregon Traffic Safety Commission has requested a report summarizing various laws on chemical tests for intoxication before it makes any recommendations to the 1957 Legislature.

## Eisenhower Urged To Take Initiative For Mideast Peace

Washington—(U.P.)—Artistic, literary and professional leaders have urged President Eisenhower to "take the initiative in compelling" Israel and the Arab nations to negotiate a Middle East peace settlement.

In a letter to Mr. Eisenhower, the group called for an end of what is termed the "appeasement policy" of the United States toward Arab states.

**Nothing Said Done**  
 It said the policy has done nothing except to demonstrate its futility, neither winning the friendship of the Arab world nor keeping the Communists away.

News analyst Elmer Davis released the letter Thursday.

The group criticized as "perilous" the "temptation" of the United States "to go it alone" in the area. It said a break in the Eastern alliance would only move Russia to "greater daring."

**Hope for Peace**  
 In proposing direct negotiations between the Arabs and Israel, the group stated that "peace worked out by the parties themselves brought together by the United Nations, not imposed by force foreign to the region and its problems" constituted the only hope of an enduring settlement of the conflict.

"The U. N. charter that has been used to flog Israel in recent weeks, should be used to compel the Arabs to negotiate peace," the letter said.

In exchange for a peace settlement, the group proposed a "large scale regional development under the auspices of the United Nations... financed largely by the United States."

**Statement Asked**  
 Preliminary to announcement of such a plan, the group urged Mr. Eisenhower to "state openly and forcefully" that:

"1. Israel is here to stay."  
 "2. The United States is prepared to guarantee the states against aggression."  
 "3. Freedom of passage through the Suez Canal by ships of all countries, including Israel, must be internationally guaranteed."

The group included Herbert Asbury, Ray Bradbury, Van Wyck Brooks, Truman Capote, Bennett Cerf, Henry Steel Osgood, Mrs. Clarence Day, Babette Deutsch, Edna Ferber, Lewis Gannett, Wolcott Gibbs, Leopold Godowsky Jr., Martha Graham, Josephine Herbst, MacKinlay Kantor, George S. Kaufman, Freda Kirchwey, Paul Klemperer, Arthur Kober.

**Others Included**  
 Jo Mielziner, Lewis Mumford, Allan Nevins, Eleanor Roosevelt, Arthur Rubinstein, Harry Scherman, Georges Schreiber, Irene M. Selznick, Sigmund Spaeth, John Steinbeck, J. David Stern, Rex Stout, Nathan Sarna, Raymond Swing, James Thurber, Rachel Carson, Carson McCullers, and William L. Shirer.

## Three Separate Assaults Leave Three Wounded

Port Said—(U.P.)—Egyptian suicide commandos attacked British troops in three separate bomb assaults today, Anglo-French occupation authorities reported. Three Egyptians were wounded.

Egyptians stepped up their attacks on the even of what U.N. and Egyptian sources said would be the withdrawal of the last Anglo-French forces from Egypt.

Both U.N. and Egyptian sources predicted the Anglo-French withdrawal would be completed Saturday.

**Officer Still Missing**  
 A British officer is still missing after being kidnaped by Egyptians, and another has been wounded in three days of underground attacks against the occupation forces.

United Press Staff Correspondent Wilbur G. Landrey, the first newsman accredited to the U.N. Emergency Force able to cross the Anglo-French lines into Port Said from Egypt, reported tonight that the Anglo-French troops were pulled back along the Suez Canal in preparation for their final withdrawal.

Landrey said members of the British Royal Scots and the French Foreign Legion withdrew eight miles down the canal to Ras Elish. Behind them, spruce Indian paratroopers wearing El Tina, less than 16 miles from Port Said.

**Sandbags Mark Lines**  
 Along the canal road leading into Port Said are sandbags and dugouts marking the British and Egyptian lines and the beginning of the Indian buffer zone positions between them which now are about eight miles wide.

Beyond that are the Anglo-French and their last beachhead in Port Said.

## Parcel Post Window To Remain Open Late Saturday Afternoon

Gift parcels to be delivered anywhere east of Chicago must be mailed no later than Saturday, according to Postmaster Moore Hamilton. The parcel post window at the main post office will be open until 5 p.m. Saturday.

Parcels mailed Saturday will be delivered anywhere in the United States by the following week end, Hamilton said, if they are properly addressed and wrapped. Proper addressing and packaging is important because handling mail in the Christmas rush is more difficult.

**Complete Addresses**  
 Hamilton said each package should bear the complete name and return address of the sender. The same information as well as the name and address of the addressee should also be on the package inside the wrapper, in case the wrapper becomes detached from the package, he said.

The postmaster added that Christmas greeting cards bearing three cent stamps will be forwarded if the addressee has moved, but those with two cent stamps will be discarded.

Each year the post office destroys thousands of greeting cards that could have been delivered if they had three cent stamps instead of two. Undeliverable cards will be returned to the sender if they have three cent stamps, provided there is a return address.

Sending currency through the mail as a Christmas present is a bad practice, Hamilton said. When money is sent as a gift it should be by check or money order.

**Earlier Date**  
 Hamilton said this year packages have been mailed at an earlier date than in the past, and has resulted in better handling, he said. There also has been an increase in the early mailing of greeting cards, he added.

During the past few days, there has been about 62,000 regular mail cancellations which is above average. Number of packages mailed also has been above average, he added.

Hamilton urged Medford residents to pick up parcel post packages as soon as possible. Incoming parcel post mail also has increased this year, he said. They can be claimed at the general delivery window.

## Lighting Contest Deadline Is Monday

Monday is the deadline for mailing entry blanks for the Medford Junior Chamber of Commerce Residential Christmas lighting contest, those in charge reminded residents today.

Judging will start Wednesday, Dec. 19, according to Greg Orr and Jay Pierce, co-chairmen. It will end Monday Dec. 24.

Pierce and Orr said first prize will be an automatic dish washer, and second prize will be a portable television set. Several other smaller appliances for other prizes also will be awarded, they said.

The winner will be entered in General Electric's nationwide Christmas Lighting contest and compete for \$5,000 in prizes. The displays will be judged on originality and ingenuity with which decorations are used.

Entry blanks may be obtained from Weeks and Orr Furniture store, Home Appliance company, California Oregon Power company, and Montgomery Ward and company. Entry blanks published in the Mail Tribune recently also may be used.

## \$2,051 Raised in 'Tag Day' Campaign

A total of \$2,051.90 was raised by the Red Cross "Tag Day" drive for Hungarian relief funds here this week, the Red Cross reported this morning.

The total was \$418.90 more than the quota of \$1,633, according to Eugene Thordike, chairman of the local Red Cross chapter. The Medford chapter is one of only two in the state which has already exceeded its quota.

Thordike expressed his appreciation to the people of Medford whose generosity made it possible to meet the need. Nationwide the Red Cross is seeking to raise \$5,000,000 for food, medicine and clothing for refugees from Hungary.

## Bail Is Forfeited in District Court Case

Ross L. Hobbs, 34 of 143 Bush st., Central Point forfeited \$255 bail when he failed to appear in district court Thursday to face a charge of driving while intoxicated.

His driver's license also will be suspended for 90 days. Hobbs was arrested by state police while driving on Table Rock rd., near Berrydale ave., Aug. 12.

**Irish Rebels Attack Two Police Stations**  
 Belfast, Northern Ireland—(U.P.)—Irish rebels fighting to end British rule of Northern Ireland attacked two police stations with bombs and gunfire near the Irish Republic border early today.

They also blew up two bridges and were feared to have attacked a third police station at the village of Roselea. Telephone wires to the station were cut at midnight, disrupting communications.

## Major Armed Clash Between Patriots, Russians Reported

Vilnius—(U.P.)—Communist controlled Budapest Radio today reported new anti-Soviet riots and a major armed clash between Hungarian patriots and Soviet troops in Eastern Hungary.

A broadcast said the battle took place Thursday at Miskolc, capital of Borsod Province. It erupted when Red Army troops moved in to break up anti-Soviet demonstrations. Casualties were not reported.

**Rare Admission**  
 It was a rare admission by the Janos Kadar puppet regime of bitter fighting in the provinces.

A later broadcast said anti-Soviet riots flared Monday and Tuesday in the city of Eger, between Miskolc and Budapest.

"Counter-revolutionary elements," Red terminology for the partisans, attacked the provincial government building and caused serious damage with hand grenades, it said.

The Eger rioters distributed anti-Soviet and anti-Communist leaflets, the broadcast said.

Radio Budapest listed a number of persons arrested in various parts of Hungary for distributing anti-Communist leaflets.

**Driven Into Mountains**  
 Hungarian refugees in Yugoslavia said strong Soviet armored reinforcements drove into the Pecs and Szeged regions in Southern Hungary early this week to push strong insurgent forces into hideouts in the Mecsek mountains. The reports came from 70 Hungarian youths who fled across the frontier Monday.

In its version of the Miskolc clash, Budapest said "counter-revolutionary elements led by Geza Barany opened fire on Soviet troop units when they tried to stop anti-Soviet demonstrations.

## Parcel Post Window To Remain Open Late Saturday Afternoon

Gift parcels to be delivered anywhere east of Chicago must be mailed no later than Saturday, according to Postmaster Moore Hamilton. The parcel post window at the main post office will be open until 5 p.m. Saturday.

Parcels mailed Saturday will be delivered anywhere in the United States by the following week end, Hamilton said, if they are properly addressed and wrapped. Proper addressing and packaging is important because handling mail in the Christmas rush is more difficult.

**Complete Addresses**  
 Hamilton said each package should bear the complete name and return address of the sender. The same information as well as the name and address of the addressee should also be on the package inside the wrapper, in case the wrapper becomes detached from the package, he said.

The postmaster added that Christmas greeting cards bearing three cent stamps will be forwarded if the addressee has moved, but those with two cent stamps will be discarded.

Each year the post office destroys thousands of greeting cards that could have been delivered if they had three cent stamps instead of two. Undeliverable cards will be returned to the sender if they have three cent stamps, provided there is a return address.

Sending currency through the mail as a Christmas present is a bad practice, Hamilton said. When money is sent as a gift it should be by check or money order.

**Earlier Date**  
 Hamilton said this year packages have been mailed at an earlier date than in the past, and has resulted in better handling, he said. There also has been an increase in the early mailing of greeting cards, he added.

During the past few days, there has been about 62,000 regular mail cancellations which is above average. Number of packages mailed also has been above average, he added.

Hamilton urged Medford residents to pick up parcel post packages as soon as possible. Incoming parcel post mail also has increased this year, he said. They can be claimed at the general delivery window.

## School District Buys Oak Grove Property

The Medford school district today purchased about 3 1/2 acres of land just east of the present Oak Grove school on the Jacksonville highway from Mr. and Mrs. H. W. Starkeon, school officials announced. Purchase price was listed as \$14,000.

School officials said the purchase was felt necessary to bring the school site up to standard proportion. The original site contained about 3 1/2 acres, and the state board of education usually recommends about an 8-acre site for schools.

The school board authorized purchase as soon as possible to bring the site up to standard because it is in a rapidly growing area.

The purchase includes a three-bedroom house, which will be rented until such time that future needs require it to be removed to another location, school officials said.

Portland—(U.P.)—Bonneville Power Administration has awarded \$15,765 to 145 employees who submitted approved suggestions and turned in superior performances from July 1 to Dec. 31.

## Only 52 Bloodmobile Appointments Made

Fifty-two people have made appointments to donate blood Dec. 18 when the Bloodmobile will be at the Elks temple in Medford from 1 to 5 p.m.

Bloodmobile officials expressed concern over the relatively few appointments that have been made to date. They noted that many people are busy with Christmas activities at this time of year.

They emphasized, however, that blood is especially needed at this time when the blood bank supply usually reaches a seasonal low. At least 200 more donors are needed to reach the 250-pint quota, they said.

Appointments may be made by telephoning Bloodmobile headquarters, Medford 3-3813.

## Bail Is Forfeited in District Court Case

Ross L. Hobbs, 34 of 143 Bush st., Central Point forfeited \$255 bail when he failed to appear in district court Thursday to face a charge of driving while intoxicated.

His driver's license also will be suspended for 90 days. Hobbs was arrested by state police while driving on Table Rock rd., near Berrydale ave., Aug. 12.

**Irish Rebels Attack Two Police Stations**  
 Belfast, Northern Ireland—(U.P.)—Irish rebels fighting to end British rule of Northern Ireland attacked two police stations with bombs and gunfire near the Irish Republic border early today.

They also blew up two bridges and were feared to have attacked a third police station at the village of Roselea. Telephone wires to the station were cut at midnight, disrupting communications.

## Cutters Cautioned to Get Trees on Government Land

U.S. forest service and bureau of land management officials today reminded residents they are authorizing cutting of Christmas trees on government property without charge if the trees are to be used for private purposes.

Only permits for which charges are imposed are those issued to commercial cutters.

Tree cutters were cautioned to make sure the land from which they take trees is government property rather than privately-owned land. They noted there is considerable confusion concerning land ownership lines, and have invited cutters to obtain advice on this matter. The information is available at any forest ranger station in the area, the forestry office in the post office or the BLM office at the city hall. Officials will show maps and explain land boundary lines.

Residents are urged to determine the general area of trees they want to take their trees, then contact the nearest ranger station for boundary data. Cutting permits are also available at the ranger stations.

Those who are undecided on where to obtain their trees may go to the BLM of forestry offices for information on where trees are available and where thinning is especially needed.

Forest service personnel are referring most tree cutters to the Union Creek, Butte Falls, Star ranger stations for information as to availability of trees as well as current road conditions.

## Benefit Concert Will Be Sunday Afternoon

A benefit concert will be presented by the Medford High school band and choir starting at 2 p.m. Sunday, Dec. 16, in the high school auditorium.

Proceeds from the concert will be used to finance the band's trip to the East-West Shrine football game in San Francisco, Dec. 29.

I. A. Mirick is director of the 96-piece band, and Lynn Sjoland is director of the 60-voice choir.

There are no reserved seats for the concert, and tickets may be purchased from any band or choir member, at Purucker's Piano house, The Music Mart and from the high school office.

The program will broadcast live by radio station KMBD between 2 and 3 p.m., but the concert itself will continue until 3:30 p.m.

## County Court Orders Reduction in Penalty

The county court this morning ordered a one-dollar reduction in the penalty for dog owners who fail to obtain county dog licenses by March 1.

Cost of the license will remain \$1.50. Penalty for failing to obtain a license by March 1 has been two dollars and is now one dollar. The new order will go into effect on Jan. 1.

Portland—(U.P.)—A price increase of \$6 per thousand square feet on Douglas fir plywood has been announced by Georgia-Pacific Corporation.
