How This Newspaper Helps Advertisers...

Ring up Sales

You have at your disposal the finest advertising research system ever devised—the cash register.

When you run an advertisement, you listen to the cash register the next day. If it rings merrily, you know that your advertising was effective. Sales, in the final analysis, are the main reason why most people advertise.

Your experience in selling and your knowledge of your products and services have a perfect ally in our experience—as typographers, as market analysts, as newspaper people, and, in fact, as successful advertisers, ourselves.

Let us show you how this combination of experience, building together on an accurate knowledge of our audience,* can help ring up more sales for you through more effective advertising.
