They had never flown before. But early one morning Zdnek Machilner, 19, and Karel Kucera, 20, tied up a Czech guard and wobbled to the safety of West Germany in a stolen plane.

Neither could fly... but they soloed to freedom

These two escaped—but 70 million others remain captive behind the Iron Curtain. And *these* are the people at whom Radio Free Europe beams its daily broadcasts. Escape is not its aim. Radio Free Europe penetrates the Iron Curtain to spread truth . . . to strengthen hope and resistance.

Said the youths above, "It (Radio Free Europe) added courage and strength to strained nerves."

"It offered us . . . a hope for a better future," said a young nurse who fled to the West.

"Everybody is listening—even the Communists," said an escaped Czech skating champion.

From 29 powerful transmitters, Radio Free Europe broadcasts up to 20 hours of truth a day to five key satellite countries—Poland, Czechoslovakia, Romania, Hungary and Bulgaria. And how the Communist bosses fear it!
