The course will be taught by the Rev. Ernest Volkman, pastor of the Phoenix church, and will include question and answer periods, discussions and lectures. Homework will be assigned from the Bible as well as a text. Classes will meet every two weeks at the church in the fire-side room from 8 to 9:30 p.m. Interested persons are asked to register for the course with Mr. Volkman. "What is the Bible—Where did it come from?" will be the subject discussed at the Tuesday meeting.

Here...
 you'll find a Faith
 to live by...

It's quiet inside. Quiet with the peace of centuries, for this is God's House.

Within these walls, the worries which loomed so large outside become less fearsome... for the first time perhaps you see them in their true perspective. If this alone were the reward of Faith, it would be enough. But there is more.

Faith is a source of strength, a reservoir of power that helps you meet the needs of every day. By worshipping with your family each week at your church or synagogue, you're giving them a measure of security no amount of money could buy. The Faith to hope... to grow... to live by.

Build a stronger, richer life...
 Worship together every week
