## Phoenix High Winner Over Rogue River

Phoenix high moved into a tie for third spot in the Rogue league basketball standings last night by overcoming Rogue River 57 to 44 here last night.

The teams were tied after one quarter at 12 each but the Pirates made a lot of interceptions with a full court press after that and were in front by 30 to 20 at the half. After three quarters the Phoenix lead was 48 to 23. In the fourth panel Rogue River fought up to 48 to 40.

Gary Simmonds, who didn't start, was high point man for Phoenix with 19. Larry Elledge ran up 16 for the Chieftains, mostly on long set shots. Pirale cause was hurt a bit when Jim James fouled out early in the fourth quarter.

Phoenix junior varsity won the preliminary 45 to 40 with Doug Stewart scoring 16 for Rogue River and Don MacKintosh 12 for Phoenix.

LINE-UPS: Phoenix 57, Rogue River 44. Phoenix 12, Rogue River 44.

## Chisox Pact Sent Back By Minnie

By UNITED PRESS  
Chuck Comiskey, vice-president in charge of negotiating contracts for the Chicago White Sox, today worked on a new pact to be mailed later this week to outfielder Saturnino Orestes Arrieta Armas Minoso.

An earlier contract, addressed to Orestes Minoso, was returned unsigned to the White Sox Tuesday by the Cuban outfielder. Attached to the contract was a note dripping with sarcasm.

"I am sending this contract to you because I guess you were wrong about it," Minoso wrote from his home at Mariacao, Cuba. "It looks like a contract which belongs to me for year of '53 or '54, not for Minoso after five 1956 year I have."

After studying the returned contract, Comiskey conceded a mistake had been made. Perennial holdout

"The next contract will be addressed to Saturnino Orestes Arrieta Armas Minoso," the young White Sox official explained with a straight face.

Minoso, who reportedly received \$32,000 last year, is a perennial holdout. He was the White Sox leading hitter in 1956, batting .316, driving in 83 runs and collecting 21 home runs.

While Comiskey revealed one malcontent in the White Sox family, he happily announced the signing of outfielder Jim Rivera, rookie shortstop Don Prohovich and rookie pitcher Bill Fischer.

Jim Finigan, obtained from the Kansas City Athletics last month in an eight-player deal, signed his 1957 contract with the Detroit Tigers.

Adcock Clears  
First baseman Joe Adcock cleared up his salary problems through 1958 by taking a two-year pact with the Milwaukee Braves. The husky slugger enjoyed his best season in the majors last year when he batted .291, hit 38 homers and knocked in 103 runs.

Other signings announced included: Chicago Cubs: Pitchers Bob Rush and John Briggs.

New York Giants: Infielder Henry Thompson, and pitchers Merv Grissom, Roy Wright and Bob Quinn.

Brooklyn Dodgers: Third baseman Dick Gray, shortstop Bob Lillis, and outfielder Jim Koussios.

Pittsburgh Pirates: Pitchers Vernon Law and Nelson King.

Detroit Tigers: Pitchers Al Aber and Jim Bunning.

## Berrios Choice Over Cadilli

Boston—(U.P.)—Tough little Miguel Berrios—shooting for a title fight with Sandy Saddler—goes into the ring a heavy favorite tonight to stop Gil Cadilli of San Francisco.

The 10-round featherweight match at Mechanics Building will be televised nationally.

Jimmy DeAngelo, the 24-year-old Puerto Rican manager, said he would guarantee the aging Saddler \$15,000 for a title fight here with the second-ranked Berrios, barring an upset.

Rhode Island was the first to declare its independence from England—exactly two full months before the other colonies—yet was the last of the 13 original colonies to ratify the Constitution.

EDUCATED TOE—Bert Rechichar of the Baltimore Colts kicked one of the four field goals he booted for the West in the Pro Bowl game in Los Angeles. His final kick, 52 yards, equalled the Pro Bowl field goal record set by Lou Groza in 1956 and gave his team a convincing 19-10 victory over the eastern pro gridgers.

## Washington State Quintet Edges Idaho Vandals 73-70

The University of Idaho Vandals, now parked firmly in the Pacific Coast conference basketball basement, have definitely seen better days.

On the opening week end of conference play, the Vandals caused quite a sensation by playing the champion UCLA Bruins right down to the buzzer in a pair of hair-raisers. They lost each game by a single point, one in double-overtime—and they haven't been able to win one since.

Tuesday night, the Vandals were rapped for their fifth straight defeat by Washington State as the Cougars came up with their first conference victory, 73-70.

In California Basketball association play, the Fresno State Bulldogs defeated San Jose State, 79-75 in overtime, to drop the Spartans back into third place. Second place St. Mary's mauled Sacramento State, 91-49, in a non-conference game.

The Washington State-Idaho game was a close one right down to the wire. The Cougars led at halftime, 37-36, and the Vandals tied it up in the final minutes, 64-64, but Larry Beck came up

with two of his 24 points in the closing seconds to ice the game for the Cougars. Gary McEwen was high for Idaho with 18.

Fresno State came up with its first win of the year to shatter San Jose's hopes for a firm hold on the CBA number two spot. With the score tied at 75-75, Gil Egeland miffed a layup that would have iced the game from the Spartans with 50 seconds remaining. The miss gave the Bulldogs an opportunity to do the damage in the overtime period.

St. Mary's just toyed with Sacramento State. The Gaels ran up a 36-12 lead in 10 minutes and substituted freely throughout the game.

## Art Aragon Indicted by Grand Jury

Los Angeles—(U.P.)—Welterweight boxer Art (Golden Boy) Aragon, indicted by the Los Angeles county grand jury on charges of conspiring to "fix" a fight, said today his trial would give him a chance to be "publicly exonerated."

Aragon, charged with conspiring to "fix" a bout in San Antonio, Tex., last Dec. 18, surrendered himself an hour after his indictment Tuesday and was released on \$1,000 bail. He has termed the charges as "ridiculous."

THE INDICTMENT was returned here because the alleged conspiracy in which Aragon's opponent, Dick Goldstein, charged he was to get \$500 to "take a dive" originated in Los Angeles.

Aragon backed out of the fight of the alleged "fix" and declared he did not intend to go through with it. Both Aragon and Goldstein were suspended by the Texas commission, with Aragon's suspension being for an indefinite period.

## Brenner Offered Post at Salem

Salem—(U.P.)—Bill Brenner, who finished out last season as manager of the Seattle Rainiers of the Pacific Coast league, has been offered the managerial job of the Salem Senators of the Northwest league.

Brenner was one of 10 applicants for the Salem vacancy, created when Hugh Luby left to become manager at Eugene. A spokesman for a stockholders committee said Brenner was expected to announce his decision from Seattle soon.

## Incorrect Score Will Disqualify Amateur Golfer

New York—(U.P.)—The U.S. Golf association today reversed the ruling it made in two championships last year and restored its old penalty of automatic disqualification for a player posting a wrong score.

Jackie Burle of Kiamasha Lake, N.Y., Gil Cavanaugh of Cedarville, N.Y., and Betsy Rawls of Spartanburg, S.C., were permitted to remain in USGA tournaments in 1956 after they had accidentally posted incorrect scores for a hole.

In its new ruling, the USGA said: "The penalty of disqualification may be waived or modified only under the most extraordinary circumstances. Rule 38-2 makes the competitor solely responsible for the correctness of the score recorded for each hole. It is a simple matter to discharge this responsibility and the penalty, although severe, can easily be avoided."

## Israeli Withdrawal Essential for Peace

United Nations, N. Y.—(U.P.)—Secretary-general Dag Hammarskjold said today that complete Israeli withdrawal from Egyptian territory, with all sides desisting from raids and scrupulously observing the 1949 armistice agreement, is essential for peace in the Middle East.

Hammarskjold said in a report to the General Assembly that Israel had notified him its withdrawal from the Sinai Desert, except for a strip commanding the strategic Gulf of Aqaba, would be completed by next Tuesday.

He said Israel's notification, however, said nothing about the disputed Gaza Strip, which juts some 30 miles past the Israeli side of the armistice demarcation line but which is Egyptian territory under the 1949 agreement.

"Further discussions with the representatives of Israel are required on this point," he said.

The actress and her husband, playwright Arthur Miller, refused to comment when asked about reports they might be expecting a baby.

"No comment," the actress said. "Ditto," said Miller.
