Moscow — (U.P.) — The Communist party central committee magazine Party Life warned today the "dictatorship of the proletariat must be firm and merciless with anti-Soviet elements" which it admitted were at work in the Soviet Union.

Party Life said there are "remnants of anti-Soviet elements in our country" who "attempt to exploit for their abominable purposes our difficulties and shortcomings, raise malicious slanders against policies of the party and state and are spreading all kinds of provocative rumors."

Phoenix — Year books were distributed at a meeting of Phoenix Home Economics club held January 16 at the home of Mrs. George Hartley, South Pacific highway. Luncheon was served, with Mrs. Loyal Bates and Mrs. Vaughn Quackenbush as co-hostesses. Roll was answered with New Year resolutions.

Members voted to contribute to the Spence memorial scholarship fund, and to a fund to send sewing machines to Korea.
