Oregon's Ducks Even Series With Vandals

By UNITED PRESS

California and UCLA remained unbeaten and on top of the Pacific Coast conference this week end by staying idle while the more industrious Washington Huskies were knocked out of the ranks of the undefeated by Stanford, 70-63.

Examination time also slowed California basketball association play to a near standstill but the undefeated Santa Clara Broncos lost their perfect record with a

64-61 defeat administered by Fresno.

Washington revenged its loss on Saturday by whipping Stanford 68-64. Elsewhere in the PCC Oregon and Idaho traded wins with the Vandals taking a surprising 64-46 win Friday and the Ducks returning for a 50-48 victory on the following night.

WSC Faces Idaho Oregon's win over Idaho was its first of the PCC season. Charles Franklin and Bill Moore paced Oregon in scoring with 13 points each, while Phil McHugh, the football end starting his first game of the season, chipped in with eight.

This Tuesday Washington State will take on Idaho and on Friday California will visit Palo Alto to defend its 5-0 record against Stanford. Oregon will be at Washington State and Oregon State at Washington for double week end bills.

In the CBA loop Santa Clara and St. Mary's are tied for first with 3-1 records while USF is not far behind with a 2-1 record.

Tuesday San Jose State meets Fresno State in a conference game and Pepperdine takes on Los Angeles State in a non-loop match.

Five non-CBA games are scheduled Saturday with Santa Clara at Stanford; College of Pacific at Nevada; Los Angeles State at Fresno State; St. Mary's at Brigham Young and San Diego at Pepperdine.

Eagle Point Drops Fray To Brookings

Eagle Point — Brookings high evened its week end basketball series with Eagle Point by downing the Eagles on Saturday 35 to 29.

But the tussle was a non-counter and had no bearing on the Rogue league standings. Eagle Point had won 58 to 47 on Friday to gain unbeaten lead in the loop.

The Eagles appeared down for the Saturday mix and could not fire up for much of a scrap. Brookings was able to shoot over the EP zone and won out with its ball control offense.

Quarter scores all favored the Brookings club 9 to 5, 18 to 12 and 25 to 19. Jack Greb was high gunner for the Eagles with 13 points while for the home aggregation Mary Bullock had 11 tallies and Jim Gribble and Jerry Anderson each 10.

Brookings also won the jayvee mix 44 to 40.

LINE-UPS:

Brookings 35	29 Eagle Point
Woringer	7 Christian
F. Bullock 4	13 Greb
M. Bullock 11	2 Foran
Gribble 10	3 Boren
Anderson 10	1 Veach
Substitutions — For Brookings, Lane; for Eagle Point, Clement 2, Turner 2, E. Treaham.	

Tabori's Debut Spoiled by Dwyer

Boston — (U.P.) — The better two-milers will be glad when Fred Dwyer gets in shape. He's murdering them in the meantime.

Dwyer, a 25-year-old salesman from East Orange, N.J., is a miler. But he switched to the two-mile in the Knights of Columbus track meet here Saturday night to build up his stamina. He figured that when he's ready, he'll switch back to his specialty in an attempt to become the first American to run the mile under four minutes.

So what happens. Dwyer turns in an 8:52.4 two-mile Saturday night, ruining Hungarian expatriate Laszlo Tabori's American debut.

SPENDING NIGHT in jail at Ridgewood, N. J. annoys Thomas (Hurricane) Jackson, ranking heavyweight contender. He used forged driver's license police reported. (International)

Defenders Leading in Four Loops

By UNITED PRESS

The 1956-57 college basketball season reached the mid-year examination milestone today with only four major conference champions of last year in line to repeat — Southern Methodist, West Virginia, Connecticut, and Idaho State.

These are the only court kings of 1956 who once again are leading their leagues.

Only five of the nation's top 10 teams played this week end and all won — led by third-ranked Kentucky.

SMU, the nation's No. 4 team, clings to a half-game lead in the Southwest conference race despite a surprise loss to Texas on Friday night.

West Virginia, ranked 18th nationally, has a perfect 5-0 record in the Southern conference. Connecticut, with a 2-0 record in the Yankee conference, is a solid choice to win the crown for the fourth straight year.

Idaho State has a 4-0 mark in the Rocky Mountain conference and is expected to win its fifth league crown.

Here's the situation in the other major conferences:

Big Ten: Ohio State kept its lead at 4-0 with a 70-51 rout of Michigan State Saturday. The Buckeyes are favored over Wisconsin tonight and Northwestern Saturday.

Pacific Coast Conference: California is 3-0 but defending champ UCLA is right behind at 4-0. Cal is scheduled for one game this week vs. Stanford on Friday, but UCLA is idle.

Ivy League: Leader Princeton (5-0) is idle this week.

Atlantic Coast: North Carolina, nation's No. 2 team and the only major unbeaten team in the country, is 6-0 in the league race.

Southeastern: Tulane ahead with 4-1, but Kentucky, nation's No. 3 team is right behind at 3-1 along with Auburn. Kentucky can tie the idle Tulane for lead by beating 10th ranked Vanderbilt Saturday, and Auburn can take the lead by beating Georgia Tech Tuesday and Georgia Saturday.

Big Seven: Kansas still leads with 3-1, but upstart Iowa State and Nebraska are each 2-1. Kansas and Nebraska are idle, but Iowa State can tie for first by beating Missouri Thursday.

Skyline: Brigham Young leads with 3-1, followed by Montana and Utah State at 2-2. Brigham Young-Utah State clash Friday tops the league's program this week.

Other, passed unanimously, asked the State Fish Commission to reconsider its decision of last week and rescind the regulation opening the Columbia river to a February commercial fishery. The Oregon Isaak Walton league joined in this resolution.

The federation asked the Legislature to give the Game Commission authority to set emergency hunting seasons any time to protect crops.

Bruce L. Yeager of Roseburg was reelected president.

MORRISON VICTOR Government Camp — (U.P.) — Don Morrison of the Cascade Ski club topped a field of 47 salom skiers yesterday to win the Dooley memorial trophy.

Medford vs. Ashland In the Southern Oregon conference Medford will go back into action Friday as host to Ashland. The two clubs then vie at Ashland on Saturday. Grants Pass and Klamath Falls, tied with Medford for league leadership, vie both nights at Klamath Falls.

Eagle Point, unmarred in official Rogue league games, will be host to Phoenix on Friday while Illinois Valley high is at Brookings. IV and Brookings have a non-league at Cave Junction on Saturday with Jacksonville of the B circuit has a non-counter at Eagle Point.

Crater draws a Southern Oregon conference bye and is idle this week.

MIBL Quintets Bill 2 Games Two Medford Independent Basketball league tussles are set for this evening at McLoughlin Junior high.

Company A of the National Guard and Hawkinson Tire Tread are 7 p.m. rivals and Butte Falls and Prospect are 8:30 p.m. opponents.

Billed for the early contest at McLoughlin on Tuesday are Hawkinson's and Lea Motors. Mutual of Omaha and Headquarters company of the National Guard clash in the second contest.

Glacier national park has more than 250 lakes.

Stock Experts Tie On TV Quiz Show

New York — (U.P.) — Two stock market experts, separated in age by 67 years, tied Sunday night for \$8,000 when they tried to boost their dividends by answering questions on finance on "The \$64,000 Challenge."

They already hold a combined total of \$132,000 in quiz show winnings.

Leonard Ross, an 11-year-old schoolboy from Tujunga, Calif., challenged 78-year-old Mrs. Alice Morgan, Bristol, R.I., on the CBS-TV quiz show. Ross has previously won \$100,000 on NBC-TV's "Big Surprise" and Mrs. Morgan made \$32,000 on CBS-TV's "The \$64,000 Question."

They were required to name four companies which the New York Stock Exchange reported had split their stock in a ratio of five to one in 1956 and to name which two of the four split both their common and preferred stock.

Both said the four companies were the Union Pacific Railroad, U. S. Gypsum Company, Crescent Oil Corp., and the Atchison, Topeka and Santa Fe Railroad. They said the two railroads split both common and preferred stock.

They will compete next week for \$16,000.

Wildlife Group Adopts Resolutions

Corvallis — (U.P.) — The Oregon Wildlife Federation ended a three-day meeting here yesterday by adopting two resolutions aimed at commercial fishing for steelhead in the Columbia river.

One resolution called for a program which would place the steelhead in the category of other game fish in Oregon and limit their harvest to angling methods only. The vote was 48 to 4 in favor.

The other, passed unanimously, asked the State Fish Commission to reconsider its decision of last week and rescind the regulation opening the Columbia river to a February commercial fishery. The Oregon Isaak Walton league joined in this resolution.

The federation asked the Legislature to give the Game Commission authority to set emergency hunting seasons any time to protect crops.

Bruce L. Yeager of Roseburg was reelected president.

MORRISON VICTOR Government Camp — (U.P.) — Don Morrison of the Cascade Ski club topped a field of 47 salom skiers yesterday to win the Dooley memorial trophy.

Medford vs. Ashland In the Southern Oregon conference Medford will go back into action Friday as host to Ashland. The two clubs then vie at Ashland on Saturday. Grants Pass and Klamath Falls, tied with Medford for league leadership, vie both nights at Klamath Falls.

Eagle Point, unmarred in official Rogue league games, will be host to Phoenix on Friday while Illinois Valley high is at Brookings. IV and Brookings have a non-league at Cave Junction on Saturday with Jacksonville of the B circuit has a non-counter at Eagle Point.

Crater draws a Southern Oregon conference bye and is idle this week.

Injunction Halts Seattle Picketing

Seattle — (U.P.) — Superior Judge George H. Revelle Saturday issued a temporary restraining order prohibiting the International Longshoremen and Warehousemen's Union from picketing Port of Seattle installations.

The port argued that it was a government facility and that the union had no right to strike against it.

Union attorneys maintained the port was in competition with private business and that it had the same right to negotiate labor contracts with the port as it did with private industries.

Principal issue in the labor dispute is an ILWU demand for a 18-cent hourly wage increase for six warehousemen at the Spokane street cold storage terminal.

No ships were tied up by the strike which began Friday. The vessels were rerouted to private piers.

Church Groups Meet In Salem This Week

Salem — (U.P.) — The Oregon Council of Churches and the United Church Women of Oregon both meet here this week.

The women's convention runs today and tomorrow while the council meeting starts tomorrow and runs through Thursday.

Guest speaker at council meetings will be Dr. Harold A. Bosley, pastor of the First Methodist church at Evanston, Ill.

About 50,000 towns and villages in the U.S. have no rail outlets and depend entirely on motor transportation.

Cold Expected To Continue in Oregon

No immediate end to cold weather was seen in Oregon today.

The weather bureau said a storm which brought snow and rain to the state during the week end had moved to the Midwest. Cold air from the interior of western Canada again covered most of the state today.

Skies are expected to clear over most of eastern Oregon tonight with variable clouds and scattered light snow showers in western Oregon.

Bend had the lowest official temperature this morning with a reading of zero. It was 9 above at Baker, 8 above at Redmond, and 7 above at Pendleton. Portland had 23, Medford 31 and North Bend 38.

Navy Plane Forced To Land on Fern Ridge Lake

Eugene — (U.P.) — A twin-engine Navy patrol plane made a forced landing Saturday afternoon on Fern Ridge lake, 15 miles northwest of Eugene.

It made a safe landing in spite of 14-inch of ice on the lake and a light rain falling.

The plane was on a round robin flight from its base at Whidbey Island Naval base, Washington.

BEGGING MARCHES ON Tucson, Ariz. — (U.P.) — The art of begging moved into the age of electronics Sunday. Tin-cup in hand, a beggar who is frequently seen on downtown Tucson streets gave up his harmonica and made music by turning on the tiny transistor radio which hung from his neck on a string.

Man Posing as Policeman Abducts Two Portland Girls

Portland — (U.P.) — A young man posing as a police officer abducted two young Portland girls late yesterday, then criminally attacked and beat one of them, police said.

State police said the younger of the girls, eight years of age, was spotted by a passerby as she stood at the side of the road after being released.

Officers said the girl and her 11-year-old friend were on their way home from a skating rink late yesterday when a man approached them and ordered them into his car, telling them he was a policeman.

Pulled Girls Inside When the girls got near the car he pulled them inside, police said, then sped south on Highway 99E.

The younger girl cried so loudly that the man stopped and released her near the state police barracks before continuing on and attacking the other girl.

The 11-year-old said the man blindfolded her with a scarf and left her with a warning not to move for 15 minutes. As soon as her assailant was out of sight the girl ran to the home of Ben Jacobson and he returned her to her home.

State police described the attack as "one of the worst cases we've ever seen."

Atomic Power Plants In Europe Stressed

Paris — (U.P.) — Robert McKinney, editor and publisher of the Santa Fe New Mexican, urged Sunday the immediate construction of atomic power plants for peaceful uses in Europe as "one of the best instruments" to guarantee peace on that continent.

McKinney spoke before the European-U.S. atomic energy course for management, a two-phase program for construction of atomic power plants in Western Europe.

The New Mexico editor, who was also chairman of the citizens panel that reported recently to the U.S. Congress on the peaceful uses of atomic energy, told the Western European industrialists:

"If atomic power is vigorously exploited in Western Europe, disruption of oil supplies from the Middle East, for whatever reason, political or otherwise, need not cause complete economic havoc."

About 600 Americans die of cancer every day.

Body of Portland Boy Located in Columbia

Portland — (U.P.) — The body of a seven-year-old boy, missing from his houseboat home since Thursday, was recovered from the waters of Columbia slough yesterday, only a short distance from his home.

A search of the slough had been under way since the disappearance of Douglas Thompson was reported in fear that he may have stumbled from the gangway leading to his home while returning from school Thursday afternoon.

Two divers discovered the body in 15 feet of water 20 feet from shore.
