

Tornado Takes on Ashland Here This Evening, On Grizzly Floor Saturday; GP at Klamath Falls

Medford high's Black Tornado seeks to hold to at least a tie in the Southern Oregon conference basketball standings, tussling Ashland tonight and Saturday while the other co-leaders of the circuit, Klamath Falls and Grants Pass, knock heads in another series.

Ashland and the Tornado collide at Hedrick gym here this evening and at Ashland tomorrow. Varsity frays will be at 8:15 p.m. on both occasions with junior varsity tip-off times around 6:30 p.m. Grants Pass will be at Klamath for the other conference contention.

While Medford and Klamath are the favorites in the loop and while the Pelicans beat Ashland twice after splitting with the Black Tornado, no easy series is being anticipated by Medford's defending champions. The Tornado "has a job cut out for it-

self," Frank Roelandt, the Medford mentor, declared this morning.

Roelandt pointed to strong rivalry between the two schools and said that the Tornado looks for a series as tough or tougher than the one with Klamath Falls. The tutor looked for both sides to be fired up for the fray, the Grizzlies having new hope with their new system and the Tornado striving to protect its conference and district laurels.

Oregon Opposes WSC; OSC, Washington Mix

By NEAL CORBETT
United Press Sports Writer

The Stanford Indians may not be the big winners on the Pacific Coast conference basketball scene this season, but they're certainly spoilers—and they'll be gunning for another "unbeaten" team tonight when they meet California.

The Redmen weren't able to handle the Bears in an earlier encounter, but they tagged hopeful Oregon State with its first loss and then chopped Washington's unbeaten string of four games.

Washington bounced back to defeat the Indians and will be out to extend its new streak against Oregon State tonight and Saturday. Washington State and Oregon will meet in a pair, while UCLA, Southern California and Idaho are idle.

Stanford, which plays Santa Clara Saturday night, figures it might have what it takes to end Cal's unbeaten record of five victories. The Indians will be playing on their own court and they have Carl Isaacs, who was working out the football kinks when the two teams met last time.

Might Be Enough

Isaacs played a big part in Stanford's split with Washington last week, and Coach Howie Dallmar believes he may give the Indians just enough help to get by Cal's potent defense.

The officials will have to wear elevator shoes to keep a close watch on the Washington-Oregon State series.

The Husky attack is built around Bruno Boin (6-10) and Doug Smart (6-7), while Oregon State relies on Gary Gobie (6-8) and Dave Gambee (6-7)—while Ralph Carroll (6-8) and Wayne Moss (6-8) are around if needed.

The Washington State-Oregon series will be played in the shadows of the conference dunker. The Cougars could turn over the shackles to Oregon by defeating the Ducks tonight—but they would have to do it again Saturday night to keep them there.

How They Stand

The present PCC standings are: California 5-0, UCLA 4-0, Washington 5-1, Oregon State 2-2, Stanford 2-3, USC 1-3, Idaho 2-6, and Washington State 1-5.

There are no games scheduled in the California Basketball association, but Loyola is having a rather stormy visit to Hawaii.

Thursday night the University of Hawaii—chucking over what was termed its 79-62 "upset" win over Loyola Wednesday—plastered the Lions again, 91-68. The

Fay Crocker Golf Choice

Lake Worth, Fla.—(U.P.)—Fay Crocker, a "hot weather" golfer from below the equator, was the favorite today as a star-studded field teed off in the \$5,000 Lake Worth Women's Open Golf tournament.

The seniorita from Montevideo, Uruguay, produced a women's record 67 in the final round of the Tampa Open last Sunday after the weather warmed up and showed she still is in form Thursday with a two-under-par 68 practice round over the Lake Worth Golf club course.

Betsy Rawls of Spartanburg, S.C., who plays well despite the weather conditions, beat Miss Crocker for top money at Tampa by one stroke and hopes to do it again. Californian Mickey Wright, winner of the Sea Island, Ga., tourney also is a threat in a field of 24 pros.

Courtney's appearance revives the red-hot competition between him and Arnie Sowell, the Pitt speedster who is defending champion in the 1,000 yards. Courtney beat Sowell in the 800 meters at Melbourne, but the Pitt flyer turned back the former flyer at Boston in the 1,000 last week.
