Prince Rainier and Princess Grace promised a layette and \$280 to any child born in Monaco on the same day as their baby. Princess Caroline was the only child born there on Jan. 23.

Gifts Pile Up For Leukemia Victim

Raleigh, N.C. — (U.P.) — Gifts piled up today for 5-year-old leukemia victim Wanda Jean Wilkins of Raleigh.

The flood of mail began when United Press wires carried a story last week about the dark-eyed little girl who had successfully battled through an attack of polio only to fall victim to the dread blood disease.

Mr. and Mrs. Harold Wilkins had appealed for cards and comic books to cheer their daughter and, possibly, to take her mind off the pain which has racked her almost constantly since last Tuesday.

'CURE' DRAWS CHARGE

Newark, N.J. — (U.P.) — Magistrate Nicholas Castellano ordered Hattie Wright held for action of the Essex County grand jury Monday when she was unable to tell him whether a cure for asthma worked. "I drink some every night for my asthma," she told the judge. She added that she did not know whether the cure worked because she had not "finished the bottle yet." Hattie, 29, was held on charges of illegal possession of "corn likker."

INJURED IN FALL

Jackson, Miss. — (U.P.) — Thomas J. Bullock Jr. was recovering today from an accidental fall in which he rammed a three-foot section of television antenna through his chest Monday. His condition was reported serious but he was expected to recover.

Moslems Urged To Call Off Strike

Algiers — (U.P.) — Loud-speaker trucks rolled through the Arab quarters of Algiers at dawn today urging Moslems to call off the general strike ordered Monday by nationalist rebel leaders.

However, there was no immediate rush to return to work. French police and troops prepared to break open the closed Moslem-owned shops and leave them open for looters, as they did Monday.

Moslem shopkeepers clearly indicated they valued their lives more than their goods.

The outlawed National Liberation Front (FLN) Monday signalled the beginning of an eight day general strike to coincide with talks on the Algeria rebellion in the United Nations.

Authorities Resume Search for Bodies

Roselle, Ill. — (U.P.) — Authorities today resumed their search for more possible victims in a store-apartment building explosion that killed at least seven persons and injured 14 others.

The blast Monday reduced the three-story building to rubble, burying some of the victims under tons of debris.

Workers, with the aid of searchlight beams, continued the grim probe of the ruins until late Monday night before calling off the search until today. Officials said the bodies of all of the victims were believed recovered, but the search will continue to make certain.

Of the 14 injured, nine required hospitalization and one youngster was in critical condition. Mike Finn, 9, whose brother, Robert, 10, was killed in the blast, was not expected to live.
