The Medical Roundup

by Walter Alvarez
Cholesterol and Heart Disease
At a recent meeting of the American Heart Association, there was much discussion as to the relation between cholesterol and other fat-like substances in the blood and the production of ulceration with heart attacks.

Definite. The blood fats were found to be present in larger amounts in stout persons of both sexes.
'Fighting Drugs' Needed
At a recent medical meeting, some of the experts suggested that instead of hunting for more tranquilizing drugs for people, what we need today is a good medicine which will put a fighting spirit into people—a spirit that will help the mentally sick to conquer their fears, and to get up and face the world.

Haystack Burn Area Is Being Reseeded
Yreka — Reseeding by aircraft of more than 6,500 acres burned in the Haystack fire in 1955 is now underway.
