Oregon Staters Trounce Webfoots in Non-Leaguer

Corvallis — (U.P.) — Oregon State, dominating the backboards and cashing in from the free throw line, handed Oregon a 68-55 setback here last night in a non-conference game.

Both clubs hit on 22 shots from the field but Oregon State made good on 24 of 32 chances from the free throw line while the Ducks hit only 11 of 19. Kept Control

WHh 6-7 Dave Gambee and 6-8 Gary Goble sweeping the boards at both ends of the court, the Beavers kept control of the game throughout. Total rebounds for the night favored Oregon State 61-29.

Gambee tossed in 23 points for Oregon State, the game's high mark. Ken Nanson followed with 20. High for Oregon was Paul Tuchard, normally a reserve center, who hit for 18.

HARTACK WINS FOUR
Miami — (U.P.) — Willie Hartack, the nation's most successful jockey, the past two years, accumulated for four victories at Hialeah park Tuesday.

50-DAY SEASON
Portland — (U.P.) — Portland was reported today to be planning to apply for a license for a 50-day horse racing season, from May 17 through July 28.

LONG AND SHORT
Ogden, Utah — (U.P.) — A four-member jury cleared G. Ray Stockman of keeping a vicious dog after a 14-year-old newsboy who claimed the animal attacked him admitted in city court he didn't know whether the dog's tail was long or short.

RESIGNING his job as secretary to Duke of Edinburgh, husband of England's queen, is Michael Parker. Trouble reportedly stems from Parker's pending divorce and "publicity." (International)

FEELING FINE—Pianist Liberace (left) stands by his brother, George Liberace, who signifies he's feeling "OK" after he was beaten and robbed of his violin and a ring, both valued at \$3000. The violinist told Chicago police he was returning to his hotel following a night club appearance when two tall men seized him.

Portland Ladleman Killed by Hot Metal

Portland — (U.P.) — A 43-year-old ladleman for the Oregon Steel Mill died late yesterday from burns he received in an accident at the plant Monday night when a 21-ton ladle of molten steel broke loose and sprayed hot metal on him.

Howard S. Beck suffered burns over 90 per cent of his body. Three other employees suffered injuries when the hook holding the huge melting pot broke and sprayed the fiery metal on them.

Plant spokesmen said the huge bucket of 2800-degree liquid fell about four feet after breaking loose. The four workmen were standing on a catwalk when the liquid struck the floor and splashed back onto them.

Wilson Expected To Stay on Job for Year

Washington — (U.P.) — Some Pentagon associates of Defense Secretary Charles E. Wilson now expect the Cabinet member to remain in his post for about another year.

There had been recurrent reports earlier that the secretary would depart the government in mid-summer after seeing the new military budget through Congress.

Some sources speculated that President Eisenhower may name Gen. Alfred M. Gruenther to succeed Wilson. If that is the case, it might well explain the secretary's decision to remain in his post for another year.

Gruenther, a close friend of Mr. Eisenhower, gave up his four-star uniform and the supreme command in Europe last fall to become president of the American Red Cross. Gruenther presumably would want to stay a year with the Red Cross before going on to a cabinet post.
