

IN TRAINING—Army Reserve Pvs. Donald H. Collins (left) and Larry G. Hammond, both of Medford, are shown above taking starting position for the Army exercises "squat jump" at Ft. Ord, Calif. This type of physical exercise is one of the phases of basic training that each of the Reserve Force act regiments, trainees go through. They will serve six months active duty in the Army. They will then return to their home towns as members of a reserve organization to finish the rest of their military obligation. —(U.S. Army photo)

### JACKSONVILLE Signs of Spring Evident

By MRS. C. S. HOSKINS  
Jacksonville — The last few sunny days has made us think that spring is just around the corner. In this area residents are busy pondering over seed catalogues and mail order "wish" books and out poking in the soggy ground looking for the first daffodil and crocus leaf shoots. At least two early cases of spring fever have been reported.

During the recent freezing weather, Mr. and Mrs. Archie W. Bowman, accompanied by Bowman's nephew and wife, Mr. and Mrs. Alvin Bowman, also of Jacksonville, made a bus trip to Pendleton, Ore., to attend the funeral services of Alvin Bowman's father, Cecil Bowman, of Pendleton. The Bowsmans report that when they boarded the bus for the return trip it was 30 below zero there.

Dinner guests at the Archie Bowman home a week ago Monday were Pastor Reagle and family of Ashland and the Bowman's daughter and family, Mr. and Mrs. A. C. Henning of Jacksonville.

Mrs. Russell Berrimen and daughter Carman were both home with the flu a few days last week. Mrs. Chet Purcell took Mrs. Berrimen's place at the school cafeteria while she was ill.

In the recent talent show sponsored by the Teens Against Polio group at the Jacksonville High school the students report that they took in \$22 at their afternoon performance and \$50 at the evening presentation. The proceeds were turned over to the March of Dimes.

Mrs. Myrtle Hancock spent a recent week end in College Place, Wash., visiting her daughter, Mrs. Kegley.

Mrs. Fritz Camp, who lives near Rich gave a Stoney party Friday last week at the J. E. Johnson home in Jacksonville. Mrs. Robert Canty assisted the two ladies.

Mrs. Lois Fretwell was hostess at her home for her Bridge club which met there last Wednesday. Ladies present were Mrs. Gale Cully, Mrs. James Tungate, Mrs. Carrie Milnes, Mrs. M. E. Lawrence, Mrs. Hans Sammin, Mrs. Seth Waters, Mrs. William Ryan, all of Medford and the hostess Mrs. Fretwell.

Mrs. Walker Hulbert of Medford was a luncheon guest at the Carl Hoskins home last Thursday.

Funeral services were held in Ashland last week for a well-known resident, Mrs. Lily Bell Burnell. Burial was in Jacksonville cemetery. Mrs. Bell had lived in Jacksonville for about 27 years.

She is survived by her husband, Tom Burnell, and a son, Air Force M/Sgt. Lewis D. Burnell, who came home from Itami, Japan, for the funeral. His wife Loretta and three small girls, also in Japan, were unable to make the long trip.

Also here for the services were Tom Burnell's mother, Mrs. E. M. Burnell, of Mjilwaukie, Ore., and a sister-in-law, Mrs. Dog Burnell of Oregon City.

Funeral services were also held recently for Ira William Coffman, 94, a resident of the

Jacksonville area for over 80 years. Interment was at the Log-town cemetery.

He is survived by his wife, Nancy Horn Coffman, and a son, Leslie Coffman, of Medford, as well as other relatives. He was married in Jacksonville in 1905.

Mr. and Mrs. Guy Haan of Sherwood, N. D., are visiting at the home of their daughter and family, Mr. and Mrs. Ted Hewlett. Sunday dinner guests at the Hewlett home were Mr. and Mrs. Art Herit of Yreka, Calif. Mrs. Herit is Guy Haan's sister.

The Jacksonville Senior High school class announced this week that they will sponsor a rummage sale Saturday, Feb. 16, at 106 N. Ivy street, Medford. If anyone has any rummage they would like to donate to the project please call 9-8338 for pick up.

### Seven Students From SOC Attend Willamette Confab

Ashland — Approximately 60 delegates from 12 Oregon colleges and universities attended the Oregon Federation of Collegiate leaders conference last week end at Willamette university in Salem. Southern Oregon college's delegation included seven students accompanied by Dr. Alvin Fellers, student council adviser. SOC delegates were Bob Myrick, Jim Backen, Audrey Hite, Rick Pastega, Walt Hust, Bill Russell, and Bob Ebert.

Represented at the conference were Pacific university, Oregon college of Education, Oregon State college, University of Oregon, Portland university, Lewis and Clark, Eastern Oregon college, Linfield, Marylhurst, Willamette, OTI, and Southern Oregon college.

Delegates from SOC attended the discussions on school publications, the future of OFCL, and evaluation of student activities. Questions raised in the discussion on publications revealed that SOC is the only college in Oregon which does not pay editors of its publications.

Saturday's activities included discussions of honor systems, financial systems, and the computer problem in the various schools. SOC delegates played an active part in the discussion on honor systems, and explained the proposed SOC student judiciary. Several other colleges requested copies of the judiciary.

Audrey Hite, of SOC, was appointed editor of the OFCL bulletin. Other officers are, president, Rob Roy, University of Oregon; vice president, Bob Bagley, Eastern Oregon; secretary, Don Pincock, Lewis and Clark; and social secretary, Dick Allen, University of Oregon.

The European corn borer destroyed an estimated 35 million bushels of corn in the U.S. in the 1951 season.

The waterways of the Amazon river are said to be richer in fish than any other river in the world.

### Roseburg Council To Protest Plane Flights

Roseburg — (U.P.) — The Roseburg city council has decided to send letters to the Civil Aeronautics administration and to West Coast Airlines, pointing out that airplanes using the local airport fly over the Roseburg high school grounds.

The decision was made after Principal M. C. Deller appeared at the council meeting and said he wanted to go on record at pointing out the possible hazards of the flight patterns.

He said the recent collision of two planes in Southern California school yard pointed out the danger in the situation.

### Navy Planes Ordered To Avoid Cities

Washington — (U.P.) — Adm. Arleigh A. Burke, chief of U.S. naval operations, Tuesday ordered Navy planes to avoid all unnecessary flying over cities, following two California jet crashes over heavily populated areas.

Burke told Navy and Marine commands to review their air traffic policies "in an effort to eliminate aircraft accidents involving hazards to the civilian population."

Three children were killed in Pacoima, Calif., Jan. 31 when an airplane plummeted into their school yard after colliding with a military jet fighter. Both planes were being tested at the time.

On Feb. 1, an Air Force F84 jet fighter crashed into a crowd-

### One of FBI's 'Most Wanted' Caught

Minneapolis — (U.P.) — The FBI arrested one of its 10 "most wanted criminals" today on a tip from two newspaper readers who recognized his published picture.

FBI officials said escaped Utah convict Robert L. Green was seized in a St. Paul bus depot, armed with a .32 caliber automatic. He surrendered without a battle, however, and was charged with unlawful flight to avoid confinement.

Green's name was added to the wanted roster just two days ago. He had been sought by federal agents since Sept. 7, 1954, when he and a fellow convict dashed to freedom from the Utah State prison at Draper.

### Frances Klink Named To Polio Advisory Post

Miss Frances Klink, of Ashland, a nurse at the Jackson County Health department, has been named advisory nurse with the county chapter of the National Foundation for Infantile Paralysis. The announcement was made by Harry Chipman, chapter chairman.

Miss Klink succeeds Miss Dorothy Collard, who resigned recently when she left the health department.
