RESOLUTION NO. 377
 A RESOLUTION proposing to per-
 mit adjacent property to use a water
 main as a lateral water main: to levy
 an assessment on the property front-
 ing on the street wherein said water
 main is laid, setting a time and place
 for protests thereto and providing for
 notices thereof.

WHEREAS, the City of Medford has
 heretofore caused a water main in the
 City of Medford to be laid on
 Grape Street from Monroe Street to
 a point 826 feet North and the Council
 being of the opinion that said water
 main should be used by the property
 fronting on that portion of said main
 on Grape Street from Monroe Street
 to a point 826 feet North in the City
 of Medford, Oregon, and

WHEREAS, said water main has not
 as yet been paid for and is appearing
 to the Council that the use of said
 water main as a lateral water main
 will not materially interfere with the
 use thereof for the purpose for which
 it was originally laid, now therefore,
 BE IT RESOLVED BY THE
 COUNCIL OF THE CITY OF MED-
 FORD, OREGON:

Section 1. That it is the opinion of
 the Council that that part of the
 aforementioned water main laid in the
 City of Medford described as follows:
 As laid on Grape Street from Mon-
 roe Street to a point 826 feet North
 in the City of Medford, Oregon, may
 be used by the property fronting
 thereon as a lateral water main
 without materially interfering with
 the use thereof for the purpose for
 which it was originally laid, and the
 Council proposes to permit the owners of
 adjacent property to use the same for
 lateral purposes as aforesaid.

Section 2. It is the intention of the
 Council to assess the property front-
 ing on the street wherein said water
 main is laid as hereinbefore last de-
 scribed its proportionate share of so
 much of the cost thereof as equals
 the special benefit which will result
 to said property from the use of said
 water main as a lateral water main
 of such size as would be required to
 supply the property fronting on said
 street in case said water main was
 not so used and the Council has and
 does hereby determine that the sum
 of \$225 per front foot is the amount
 of such special benefit and the pro-
 portionate cost of such a lateral water
 main to such property as aforesaid
 and intends to assess said amount
 against such adjacent property on
 account thereof.

Section 3. The Council will meet
 at the hour of 7:30 o'clock P.M. at
 the Council Chamber in the City Hall
 on the 4th day of March, 1957, at
 which time and place all protests of
 said assessments as hereinbefore pro-
 vided for, will be heard.

Section 4. The Recorder is hereby
 directed to serve notice hereof upon
 the persons owning or claiming an in-
 terest in any of the property pub-
 lishing this resolution 3 times in a
 newspaper published and of general
 circulation in said City and by posting
 the same in 5 public places in said
 City; said publication and said post-
 ing to be not less than 10 days be-
 fore the date of said meeting.

Passed by the Council and signed
 by me in authentication of its passage
 this 5th day of February, 1957.
