Super 200 Grange
The last meeting of the Roxy Ann Grange had a good attendance. Over 20 members and guests were present. Mrs. Ethel Byers was voted in as a new member. HEC chairman, Willetta Sims, reported on the last HEC meeting, stating that 20 members and two guests were present. Plans were made for a dinner to be served to members of the Forest Service. A dinner will also be served to the BPW at the Grange Feb. 21. The next meeting of HEC will be at the home of Mrs. J. O. Myhre with Mrs. Byron Ellis as co-hostess. Mr. Birchfield and Mr. Rader gave comments on bills in both the state and federal legislatures. O. C. Brown was a guest at Grange and gave a talk on new things in life insurance. Brown belongs to a Salem Grange and is associated with the Grange Mutual Life Insurance Co. Roscoe Roberts gave an insurance report, telling what the insurance rates are based on, and the difference in the Oregon and Washington rates. Ken Shaw, dance chairman, reported 11 squares at the last dance and that the next dance will be Feb. 16 at the Grange. Lecturer Frances Moffatt had the program after Grange. A tableau presenting the American flag was presented and America was sung by the group. Mrs. Ernst Larsen read "The Flag Speaks." An article symbolizing the American flag was read by Ernst Larsen. Mrs. Charles Whitcher presented her secret desire by painting a very pretty picture in front of the audience. The roll call received some interesting answers when each member was asked what they would do if they were given a weaner pig. R. J. Ritchey said his secret desire was to have a new piano for the Grange and he held an auction of several cakes with the proceeds going to the piano fund. Refreshments were served by the committee at the close of the meeting and program. The next meeting of the

Grange will be Friday, Feb. 15, and the serving committee will be Mr. and Mrs. Glen Rader, Mr. and Mrs. Don Slater and Mr. and Mrs. Jass Wilson.
Phoenix Grange
Phoenix Grange met Tuesday, Feb. 12 at 8 p.m. Several officers were absent. Mr. and Mrs. Mark Norton were called to the East because of illness in Mrs. Norton's family there and Mr. and Mrs. Jake Arnold are taking a vacation trip. Mr. and Mrs. Rader and Mrs. Pfinister, of Roxy Ann Grange, were visitors. Also present were several members of our own Grange who have been absent for some time. Charles Hockersmith reported on agriculture. He had attended a cattle auction and the annual Cattleman's association and quoted prices on beef and hogs. He said hay can be bought in the valley for as low as \$18 per ton. He also attended an agriculture meeting at the courthouse. He said the chief topic of discussion was taxes and the revaluation of farm lands in this county, of which there are four classes. Some farm lands they said were in the wrong classification causing them to be either taxed too high or too low. Reclassification would adjust this situation. Sister Florence Hartley said small fruit and garden farmers were forming an association, their object being to take care of the surplus of such products. The commercial canning of such fruits and vegetables, especially potatoes, has caused garden fresh products to move slowly, causing a surplus. She stated there would be a meeting in the near future which would be open to the public. Dee Hendrickson reporting on horticulture said there was an estimated 7,000,000 boxes of pears on the coast this year, but they were moving out steadily and there would likely be none left over. Mrs. Willis House of the Youth committee reported the bids on the Jackson county juve-

nile home would be opened this coming Friday. Mrs. Johnnie Green, Mrs. Floyd Lacey and Frank Perl were reported ill. Vaughn Quackenbush of the music committee gave a brief history of music, when and where it was first mentioned in the Bible, and the way different types of music affect and influence people. Some music producing warlike frenzy, other music causing people to laugh, sing and dance. He stated the time Yankee Doodle was sung by both English and American soldiers. To the Americans it was lively martial music, and the English sang it to ridicule the Americans. Home Economics chairman Coral Schroeder announced the next meeting of the club would be Wednesday, Feb. 20, at the home of Mrs. Al Lewis. Mrs. Charles Lewis and Mrs. Sol Cox will be the cohostesses. There will be a covered dish dinner at noon and the meeting will follow. She also called attention to the progress edition of the Fairbanks Daily News-Miner, of Fairbanks, Alaska, on the display table. Mrs. Barney Lewin gave a brief resume of the contents, which consisted of 12 sections and many pictures of Alaska. Alaska has petitioned for 40 years to become the 49th state of the union. The program for the evening consisted of group singing led by Vaughn Quackenbush and a skit arranged by Florence Hartley, of the dramatic committee. She said she needed help to take parts due to some of her cast being absent, and called on most of the audience, when all were assembled where she had placed them, she announced the title of the skit as "The gathering of the nuts." Master Dee Hendrickson appointed Charles Hockersmith as a delegate to the flood control meeting to be held in Grants Pass Feb. 26 at 8 p.m. Plans were made for the Phoenix Grange 26th birthday celebration, to be held on our next meeting night, Tuesday, Feb. 26. This will be an open meeting. There will be a potluck supper at 7 p.m. Phoenix Grange to furnish the meat dish. There
