### Sportsmen Club Meets On Tuesday

First general meeting of the new Oregon Sportsmen Club of Jackson County is scheduled for 7:30 p.m. Tuesday, Feb. 19, at the Moose lodge building, 18 South Newtown st.

Trustees said that all persons interested are invited to the meeting.

General business is on the agenda along with general discussion of club projects and program. It is planned to elect officers.

Articles of incorporation recently were filed by four trustees, W. H. Pelser, Dave DeArmond, John J. Breeze and Jerry McGrew.

Aims Told  
Among aims of the organization are conservation, restoration and management of game, fish and wildlife, procuring of better fishing and hunting and promotion and maintenance of friendly relations between landowners and sportsmen.

An immediate objective is halt for one year of deer and cow elk hunting seasons in the state while a study is being made on control of the herds. Officials of the club maintain that there is no need for "slaughter" of the animals in certain areas of the state. They point to waste of game and depletion of herds.

Circulation of petitions on the matter, to have started last week, has been delayed.

Weather was clear with no wind, according to weather officials. Highway 62 is open and chains are not required. Maximum temperature there Saturday was 52. ### Spider Webb Beats Rivers

New York — (U.P.) — "Three more fights and then a shot at the title," is the schedule for Spider Webb, Chicago's spring-steel middleweight contender who Friday night gave Neal Rivers a bloody, lopsided licking for his 18th straight victory.

Increasingly confident after his impressive Madison Square Garden debut, the lanky Spider said, "My next bout will be at Chicago Stadium, March 13, probably against Joey Giardello. And after that we want Tiger Jones, then Charley Humez of France — to clinch the title shot."

Fourth-ranked Webb, weighing 158 pounds to 157 for Rivers of Las Vegas, Nev., had the game far — Westerner bleeding from both brows and from the mouth and nose.

And eighth-ranked Rivers was so groggy and exhausted in the final round that he fell down, without being hit, for a count of nine. Referee Harry Kessler ruled it a "knockdown," apparently to give Rivers a respite — instead of stopping the bout, as many of the 2,500 fans were urging.

### Founder of Bay Meadows Succumbs

San Francisco — (U.P.) — William P. (Bill) Kyne, founder and general manager of Bay Meadows, died Saturday as his beloved race track was making final preparations for the opening of the spring meeting next week.

The veteran promoter, 69, had been in a coma since last Tuesday at St. Francis hospital where he was confined with a liver ailment. His brothers — Tom and Jack Kyne — and his wife, Dorothy, were at the bedside when he succumbed.

Kyne's death signalled the end of an era in West Coast sports which started in 1904 when the Irishman went to work at the old Emeryville, Calif., track as a racing clerk.

During the next 53 years, Kyne not only promoted racing from Tijuana to Portland, Ore., but also put on boxing bouts, opened the first dog track in California, revived the San Francisco City Open golf tournament after the war and staged a flower show last year.

But racing was Kyne's first love and he is generally regarded as the driving force behind the legalization of pari-mutuel betting in California.

### Upstarts Rap Linfield, Willamette

By UNITED PRESS

The leadership of the Northwest Conference was in percentage points, not games, after a pair of second division teams rose up Friday night to smack down the front runners.

Linfield, in top spot, took a 79-65 drubbing at the hands of College of Idaho and second place Willamette was nosed out, 55-51, by Whitman.

The Oregon Collegiate conference also lacked form with Portland State whipping Southern Oregon, 79-66, and Eastern Oregon edging out a 62-61 win over Oregon College.

Both winners ranked as underdogs going into the night's action. Oregon Tech, already assured of a share of the OCC flag, stepped outside the circuit and came up with a 100-68 win over St. Martins.

### Coast Teams Press Bears

By UNITED PRESS

The foxy University of California basketball team was still scampersing unmolested through the Pacific Coast conference on Friday but a pair of hound dogs from UCLA and Washington were still yapping right on its heels.

Friday night the undefeated Bears won their ninth straight conference victory by swamping Idaho, 91-54, while UCLA trimmed Stanford, 86-63 and Washington downed Oregon, 84 to 62. Southern California defeated Washington State, 73-68, in a private skirmish far back in the pack.

The standings after Friday games were: California 9-0, UCLA 8-1, Washington 9-2, Southern California 4-3, Stanford 6-5, Washington State 3-8, Oregon State 2-8, Idaho 2-9, and Oregon 1-9.

### Cal Eaton Hearing Is Recessed

Los Angeles — (U.P.) — A state athletic commission hearing into alleged irregularities by Olympic Auditorium promoter Cal Eaton was recessed Saturday to an undetermined future date after hearing testimony from Willie Ketchum, Eastern manager for lightweight Jimmy Carter.

The three-day hearing has been probing into charges that Eaton failed to pay fighters the contracted amounts of their purses. He has denied the charges.

Ketchum admitted he took a \$700 overpayment on a fight between Carter and Joe Miceli on March 24, 1956.

Ketchum said he took out expenses "off the top." He explained that he had a lot of expenses to cover, including transportation and food and hotel bills.

Other witnesses Saturday included booking agent John J. Doyle, who told of his activities as a former partner of Eaton, and Clayton Frye, assistant secretary of the commission.

### Dear John:

I wish you could have seen the smile on my wife's face when I brought that new Golden Rocket 88 home last night. She gave me about four big kisses and believe it or not, I didn't even have to get up first and build the fire this morning. The thing that really surprised me was the cost of the car. Darrell Miller gave me a terrific allowance on my old '52 and when the deal was all figured out the payments were \$1.29 less per month than I was going to pay for that low priced car I almost bought.

We went for a nice long ride last night and I let my wife drive. She got a big thrill out of driving in traffic because it handles so easy.

If every thing goes well we will see you at the picnic next Sunday.

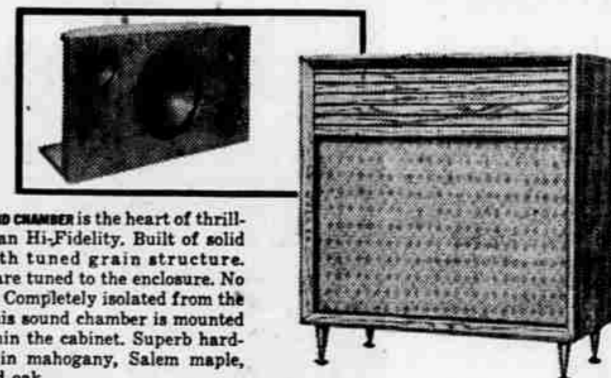

Sincerely yours,  
Harvey
