

Bob Apple, Larry Lewis On SOC Card

Coach Al Akins, more known for his football teams, has turned boxing mentor at Southern Oregon college this week as SOC prepares for a ring card with the Oregon Tech Owls Wednesday at 8 p.m. in the Ashland Junior high gym.

The card will be a smoker type affair and two Medford Police Athletic league scrappers, Bob Apple and Larry Lewis, will be matched against OTI mittmen.

The Owls challenged the Red Raiders to the boxing showdown, SOC, although not having a boxing team, avoided possible criticism from the other side of the mountain, by accepting the challenge. There will be 11 bouts in all. So far, Akins has 10 men lined up.

Top attraction of the evening will be the heavyweight battle between Dick Lopez, Medford, and OTI's Al Thompson. Earlier this month, Shasta Junior College defeated the Owls, 9-2.

All proceeds are to go to the Southern Oregon college scholarship fund. People in Medford can purchase their tickets at Barker's Men's store.

The card as currently set up includes the following bouts:

Wgt.	SOC	OTI
132	Jack Dickson	Beryl Pugh or Fred Fogg
136	Bob Lolicama	Ken Warrington
139	Frank White	Jim Carlott
147	(To Be Filled)	Fred Owen
147	Ky Perkins	Fred Shaver
155	Cerry Livingston	Bobbie Eagle Wing
155	Steve Wood	John Cannon
165	Millard Marsh	Ken Gibson

Stall Helps Portland U. To 56-41 Win

Portland—(U.P.)—The University of Portland, helped by a nearly 12 minute stall during which only two passes were thrown, defeated Eastern Washington 56-41 in what started out as a basketball game last night.

Portland led 39-28 early in the second period and Eastern Washington remained in a zone defense. Coach Al Negretti of the Pilots ordered his team to hold on to the ball.

Jack Scribens, Portland guard, stood near the center line, sometimes shifting the ball from hand to hand. Other players chatted and chewed gum. Once Scribens passed to Wally Panel, who returned the ball.

Special PCC Meet Slated

Los Angeles—(U.P.)—A special meeting of the Pacific Coast Conference will be held in Portland March 1-3 to consider changes in academic requirements and financial aid rules voted by the PCC earlier "in principle."

PCC Commissioner Victor O. Schmidt disclosed that the meeting had been scheduled by Prof. Emmett B. Moore of Washington State, conference president. Faculty athletic representatives and directors of athletics will attend, Schmidt said.

Last January the conference adopted "in principle" a qualitative academic requirement of substantially a C average and also an athlete to pass 24 semester or 36 quarter hours between his seasons of competition.

SPORTSMEN MEET

A general meeting for organization of the Oregon Sportsmen Club of Jackson county will be held at 7:30 p.m. today at the Moose lodge, 18 South Newtown st. All interested are invited.

Stefan Redl Gets 12th Glove Win

New York—(U.P.)—Welterweight Stefan Redl of Germany, who "harnessed the billygoat" Monday night for his 12th straight professional victory, will meet Danny Giovannelli of New York in another TV 10-rounder at St. Nicholas arena, March 18.

Stocky Redl not only harnessed former lightweight champion Paddy DeMarco, but drove him about the ring, outfighting and outgunning Paddy for a lopsided unanimous decision.

Seattle—(U.P.)—Elgin Baylor poured in 40 points last night as Seattle university knocked off Gonzaga 99-87 in a basketball game here.

TO TENNIS TOUR THE STATES—Net impresario Jack Kramer (right) and his touring professional tennis stars pause in front of the Qantas Airlines plane that brought them to San Francisco after a tour of Australia. Left to right: Pancho Segura (holding recently won trophy), Denny Pails, Ken Rosewall (Australian star who recently joined the group) and Kramer. They will start their American tour in New York.

Surf Riders To Be Formidable Opponents For Globetrotters

Abe Saperstein's great Harlem Globetrotters need expect no soft touch from the Honolulu Surf Riders from Hawaii when the two teams headline the big basketball and added entertainment program at Crater high school gym in Central Point on Friday night, March 1.

Saperstein, in signing the Surf Riders to tour with the Globetrotters, wrote an extra bonus of \$10 into the contract for each Hawaiian for each night the Surf Riders could win. The bonus has been such an incentive that the Surf Riders are winning about one in every four games from the Globetrotters.

Coach Arthur Kim has assembled an array of Surf Riders that packs plenty of punch. It's an aggregation of speed, clever floormen and top shooters that could wallop many a leading quintet.

Kim has Chinese-American Donald Ho, six feet three inches and playing his third season with the club; Franklin Muramoto, 5-7, Japanese-Hawaiian, also a third year man; Ronald Kim, 5-11, Portuguese-Spanish-Korean and Hawaiian and fourth year member; Taddy Song, six foot Korean-Hawaiian, whose debut for Kim last year was outstanding, and a good new man in Hal Chartrand, 6-3, Hawaiian.

The five have been sensationals in Hawaiian basketball circles either at the University of Hawaii or in the fast high school basketball circle, before becoming Surf Riders and have improved considerably ever since. Annual trips to the mainland and one each to Europe and South America as opponents of the Globetrotters have brought their basketball education to the stage where they are well versed in all the tricks of the trade.

Besides, Kim has some of the finest mainland stars in Harvey Babetch, 6-3, former Bradley University ace who still holds the Chicago high school scoring record of 87 points in a single game while playing for Von Steuben high school, and the equally-tall Jack Davidson, a pro veteran who started for three years on the varsity of UCLA.

Tickets for the big program are on sale at Lamport's sporting goods store in Medford and at Crater Department store in Central Point.

Two Tracks May Merger

Baltimore, Md.—(U.P.)—The Maryland Racing Commission will make known either Wednesday or Thursday whether or not it approves a proposed merger of the Pimlico and Laurel tracks.

Bowie, Maryland's third major track, already has lodged a protest against the merger, charging Pimlico and Laurel with an attempt to monopolize horse racing in the state.

Under the merger plan, Pimlico and Laurel would retain their identities while enjoying the economy of efficiency of operating as a single track.

Donald Lillis, Bowie president who was invited to join the merger but refused, said Bowie "undoubtedly would collapse" if the plan is approved.

BEAVERS TOP CAL

Berkeley, Calif.—(U.P.)—Oregon State beat University of California's wrestling team here yesterday, 33-0.

Dark Wins Golf Title

Lake Worth, Fla.—(U.P.)—With Lou Kretlow off his game, Alvin Dark, the St. Louis Cardinals' shortstop, appeared well on his way today toward capturing his second straight golf tournament.

Dark, fresh from his victory in the annual baseball players' tourney, carried a three-stroke lead into the second round of the Cavalcade of Champions today. He fired a 71 in Monday's opening round.

Kretlow, regarded as Dark's chief competitor, soared to an 81 which left him tied for third place with John Gray of Minneapolis. Former Cardinal outfielder Augie Bergamo was in second place with a 74.

Jim Hearn of the Phillies won the tournament last year but is not defending his title.

Trio Knotted For Golf Lead

Houston, Tex.—(U.P.)—Houston Open defending champion Ted Kroll plus Texas Open champion Jay Hebert and runner-up Ed Furgol headed a field of 320 players today in a \$5,000 pro-am warmup before Kroll puts his title on the line in the \$38,000 tournament Thursday.

Those three top money-winners will team up with three amateurs each for the pro-am at the Houston Golf Club.

Top prize money will be \$450 to the pro with the best score, and \$250 to the pro in the winning foursome. The Open prize was raised from \$30,000 to \$36,000 this year with \$7,500 going to the top man.

Rogue Valley Midgets Hold Second Race

The Rogue Valley Quarter Midget association held its second meet of the year at Jackson Hot Springs.

The time trials got underway at 1:30 p.m. with Mike Myers turning in the fastest time at 11:75 which ties the track record set the week before by Janice Lemely and Eddie McCoy.

Mike Myers of Medford was winner of the trophy dash. The first heat race went to Dana (Hard Luck) Carder of Ashland.

The second heat was taken by Gayle Richmond of Medford.

The third heat going to Bobby Bruce of Central Point.

The semi-main saw the checkered flag dropped for Larry Davis of Ashland who saw his first action this week in his flaming red and white racer.

The main event winner, Gayle Richmond of Medford was a 2 time winner for the day. Gayle also, being a new driver with Sunday's race being her second may prove to the older drivers that competition is getting keener.

Weather permitting the little midgets will return to the Hot Spring's oval next Sunday afternoon at 1:30 p.m.

TURNER, GWIN SIGN
New York—(U.P.)—Gil Turner of Philadelphia and Rudy Gwin of Cleveland signed Monday for a 10-round middleweight bout to be held at the St. Nicholas arena on March 4. The bout is the "regular" widely-televised Monday night feature.

Spring Trap Shoot Next

It will be a 500-target affair and will be registered with the Pacific International Trapshooting association. Shooting will include 16-yard, handicap and doubles. There will be five-man team rivalry Sunday.

Lighter shooter broke 1675 targets in practice last Sunday at the club. Ray Coleman and Don Petersen broke 25 straight handicap targets and Martin Clogston had 25 straight in skeet. At 16 yards Clogston broke 48 of 50 and Bob Langhoff 47 of 50. Jim and Larry Horn each had 21 of 24 in doubles and Bert Pack and Langhoff 21 each in skeet.

JOHN WITTE GETS BID

Corvallis—(U.P.)—John Witte, All-American tackle at Oregon State, has been invited to play for the College All-Stars against the pro champion New York Giants in Chicago next August. But he said he probably would have to decline the offer because of commitments with the Saskatchewan team of the Canadian league.

FEIGENBUTZ APPOINTED

Springfield, Ill.—(U.P.)—Gov. William G. Stratton Monday appointed William Feigenbutz of Chicago to the Illinois Athletic commission. Feigenbutz replaces the late John W. Behr of Chicago.

Lynn Waldorf Joins 49ers As Director

San Francisco—(U.P.)—The San Francisco Forty-Niners, fighting to rebuild their once powerful pro football empire, banked today on Lynn Pappy shrewd organizational talents to help lead them out of the wilderness.

The 250-pound Waldorf, who retired from California late last season after coaching the Bears for 10 years, joined the Forty-Niners Monday as director of the scouting program. He is regarded as one of the best planners in the game.

Terms were not disclosed, but Waldorf described his new setup as "satisfactory and so is the salary." "Basically, my job will be to organize the obtaining of information on hundreds of college players who are qualified to go into professional football," Waldorf said.

136 Forfeit Bail on Gamecock Fight Charges

Lancaster, S. C.—(U.P.)—A group of 136 persons caught in a 15-deputy sheriff's raid on a rural gamecock fight Saturday night forfeited a total of \$1,834, authorities said today.

Not a single defendant showed up for magistrate's hearing on gambling charges Sunday despite bonds ranging from \$12 for spectators to \$100 for pit operators, ticket-takers and lookouts.
