Face-Lifting
Aging women sometimes ask about face-lifting. In one type of operation the skin over the lower half of the face is pulled up and fastened to the tissues of the forehead just above the hair-line. This tends to take out many of the wrinkles.

Proud of Operation
Not knowing all this, the woman I started to tell about is very proud of "her marvelous operation," and, although she is now a worse nervous wreck than she ever was before, she loves her doctor and keeps bragging about him because he "found her trouble" and "did something for her."

O&C Timber Receipts Said Above Average

Portland—(U.P.)—The Interior Department has revealed that timber sales from Oregon and California re-vested lands in Western Oregon averaged \$9 per thousand more than prices paid for other federal timber during the past three years.

German Offers Aid To Dying American

Duesseldorf, Germany—(U.P.)—A German specialist offered his medical help today to a dying American credited with shooting down 29 German planes in World War II.

Airlines Considering 'Moderate' Fare Hike

Washington—(U.P.)—Airlines are considering a "moderate" fare increase because of "constantly increasing costs."
