

Phoenix, Eagle Point Victors In A-2 Division Play-Off Tilts

Phoenix high goes against Illinois Valley at 7 p.m. today and Eagle Point takes on Henley at about 8:30 p.m. in semi-finals of the District 6 A-2 southern division basketball tournament.

The tourney is at Hedrick Junior high gym here. Finals will be on Saturday and the championship will meet Glendale next week for the full district banner.

Phoenix had an easy romp in disposing of Glendale 64 to 44 in the tourney opener last night. Eagle Point, Rogue league champ and only state rated club in the play-off, had to make a determined uphill climb in the last 10 1/2 minutes to surge by a tough Brookings quint 45 to 39. Illinois Valley and Brookings had by last night.

Loses dropped Glendale and Brookings into 6:30 p.m. Saturday consolation play. Tonight's losers will vie at 8 p.m. tomorrow and the championship game is set for about 9:30 p.m.

Eagle Point never had the lead in its game with the Bruins last night until Ron Veach swished a two-hander with 2 1/2 minutes left in the same that made it 38 to 37 for the Eagles. The Rogue titlists played ball control from there and collected seven more points, five on gift shots before Bill Workinger got the final bucket for the Bruins.

With slightly less than four minutes to play in the third quarter, Brookings had a 12 point, 30 to 18 margin over the Eagles, who whittled it down to seven points at 34 to 27 by the end of the stanza.

The EP club held the Bruins to only five points in the last

canto. Veach started off the final panel with a fielder for the Eagles. He added a free shot for 34 to 30 but Ron Bullock made it 35 to 30 for the Bruins. Gary Foran put in a one-hander from the corner and Jack Greb sank a 20-footer from the side for EP

Art Aragon Found Guilty

Los Angeles —(U.P.)— Art Aragon, the so-called "Golden Boy" of California boxing, today faced a possible sentence of up to five years in prison, a \$5,000 fine, or both, on his conviction by a supreme court jury of conspiring to offer another fighter \$500 to throw a fight.

The jury of six men and six women returned the verdict against the boxer Thursday after deliberating the case for 48 hours. Superior Judge Herbert V. Walker ordered a hearing on a motion for a new trial for March 14 and set March 21 as date for sentencing.

During the trial, Polish referee boxer Dick Goldstein, of Seattle, testified that Aragon, former third-ranking welterweight, paid him to "take a dive" in the fourth round of a bout scheduled in San Antonio, Tex., last Dec. 18. The bout was called off at the last minute when Aragon became ill.

to close the gap to 35 to 34. Jerry Anderson got a long pusher for Brookings. Wayne Christian of the Eagles missed a set up on a feed and then fouled Stan Gribble who muffed the free try. Veach then sank the bucket putting the Eagles on top.

The well-gearred Brookings gang was the steeper quint for most of three periods. It was smoother, surer and hit its shots better. Eagle Point missed many of its field goal tries in the first half and repeatedly lost the ball to Bruin backboard clearers. But the Eagles turned up with more fight at the finish.

Brookings headed 12 to 7 at the quarter and pushed to 24 to 14 in the second canto. The Eagles caught fire with better work under their offensive board and rebound shots by Greb and Dennis Boren made it 24 to 18. The halftime buzzer then stopped the upward climb and the Eagles lagged again until the late stages of the third stanza when five free tosses and two field goals got them going again.

Each team had 15 field goals. EP hit 15 of 25 at the free line and Brookings nine of 18. Glendale had a pressing defense which made things uncomfortable for Phoenix but the Pirates of Douglas county were slam-bang much of the time in their field shooting and couldn't match the accuracy of the more deliberate firing of the Pirates of Jackson county.

Gary Simmonds, a long range gunner, put in 11 field goals for Phoenix in collecting 23 points. Driving Ray Munyon was the surest player for Glendale and with 18 points was the only member of his club to collect more than six.

Oregon Prep Mat Meet Being Held

Gordon Owsley, 130-pounder of Medford high, and Don Hubbard, 178, of Crater, are among participants in the state wrestling tourney at Corvallis. They were runners-up in their weights. Accompanying the grapplers to Corvallis were coach Paul Evensen of Medford and coach Ed Knapp of Crater.

Oregon State College, Corvallis — All wrestling roads pointed to Corvallis this week end, where 208 prep athletes convened for the annual state high school wrestling championships. Matches started this morning. This is the first year that the tournament will be staged in the spacious Coliseum.

Wrestlers will go at it again Saturday noon, with finals at 7 p.m. There are 13 weight divisions, with two from each of eight districts qualifying. Thus, there were 104 first round matches today. Four mats were in operation at the same time.

Mollala Strong Canby, the defending state team champion, lost out to powerful Mollala in the district 4 meet, and qualified only four men. Mollala, on the other hand, sent 11 grapplers to Corvallis and would have to be considered one of the favorites.

Some of the other strongest teams apparently are Redmond, Klamath Falls, Sweet Home and Franklin of Portland. The Quakers were Metropolitan champions, under ex-Oregon Stater Jim Ward. This is only the second year that Portland schools have had wrestling.

Tournament Director Jim Dixon, one of the main originators of prep wrestling in the state, expects the 1957 show to be the best ever. In the past, it was held at the Men's gym, but at the new site can accommodate far more spectators.
