Kiwanian Dames Raise Funds For Girl Scout Camp at Lake

Medford Kiwanian Dames presented Rogue Valley Girl Scout council a check for \$550 at a luncheon meeting held Monday at the home of Mrs. Emerson Anderson, Hillcrest road. For many years this women's organization has raised funds for the Girl Scout camp, Low Echo, at Lake o' Woods.

The check was accepted by Mrs. W. W. Stevenson, camp chairman; Mrs. Thomas R. Lytle, president of the council, and Miss Mary Aldrich, scout executive, guests at the luncheon.

Mrs. Stevenson stated that the money would be used to purchase permanent equipment for the camp. Registration for camp will open May 1, Mrs. Stevenson said, and camp will open July 1. One 7-day and three 10-day sessions are planned this summer.

It is planned to hold open house at the camp June 30, and Mrs. Stevenson urged Kiwanian Dames and anyone interested to visit Camp Low Echo at that time.

In the early days of Girl Scout established camp less than 100 girls would attend during a season, Mrs. Stevenson said, while last year more than 500 were registered.

The camp is operated under standards set by the American Camping association, the chairman declared, with one adult on the staff for each eight girls registered. The speaker observed that in the beginning of camping for Girls Scouts of this area, conditions were rather primitive and the organizations had labored hard to provide buildings and equipment. Now the girls are clamoring for "back to the woods" camping and a new "Pioneer" unit will be established this year for eighth and ninth grade girls.

Mrs. William Ruffner and Mrs. Robert Messelbeck were chairman of this year's doll project from which a large part of the \$550 was derived. The remainder of the money was raised by a luncheon and show last spring. This year's project was in memory of Mrs. Everett Faber who was one of Kiwanian Dames most active members before her death.

During luncheon Dr. Abner O. Clark, president of Medford Kiwanian club, was introduced and thanked the women for their cooperation in staging the annual Kiwanian Kapers. He said that more than \$5,000 had been
