School Legislation To Be Discussed

An open meeting concerning proposed public school legislation in Oregon will be held under sponsorship of Upper Applegate Grange in the Ruch school gymnasium at 8 p.m. Friday, March 8.

Senate Bill 64, the so-called key district bill providing for redistribution of general fund public school monies will receive special consideration.

Anna Scott, legislative committee chairman for Upper Applegate Grange, who has responsibility for arranging the program with the assistance of Principal Boyd Gibson of Ruch school, said speakers invited to participate in a panel presentation of the subject include Jackson County Superintendent of Schools Alf B. Mekkvald, John Harr, superintendent of schools in Rogue River and a former resident of Upper Applegate, and member of the board of Ruch elementary school.

Because passage of the proposed bill will affect taxpayers in Oregon, it is hoped that all who are interested will attend the meeting.

The regular session of Upper Applegate Grange will convene in the school cafeteria immediately following the meeting according to Worthy Master Menno Bachmann.
