Take a Fresh Look at your

FAMILY MEALS

that cost less at YOUR GROCETERIA

Yes, many, many southern Oregon families have found that their family meals do cost less if they do all their shopping at The Groceteria. We recently talked to a young housewife who had moved to another city. She told us she liked her new home, but she surely missed The Groceteria. We asked her "Aren't there any good grocery stores where you now live?" She replied yes, but that she had to go to one store for good produce, another for good meats and still another to find the find of canned foods she liked. She missed The Groceteria because while she lived in Medford she didn't have to run all over town - she always got the freshest produce - choicest meats and dependable brands of canned food by shopping at The Groceteria.
