THE CITY OF MEDFORD DOTH ORDAIN AS FOLLOWS:

Section 1. Whereas the City of Medford did heretofore cause to be constructed and laid a water main within the City of Medford on Grape Street from Monroe Street to a point 826 feet North and the cost of said water main has not been paid and the Council is of the opinion that said water main may be used by the property fronting on said street wherein said water main has been laid as a lateral water main without materially interfering with the use thereof for the purpose for which it was originally laid, and:

WHEREAS the Council did, after said water main was laid, declare, by resolution, its intention to assess the property fronting on said street within which said water main was laid and which is proposed to permit the owners of adjacent property to use for lateral water main purposes and did, in said resolution, designate the amount per front foot which it proposed to assess against said adjacent property, and;
