

Knights of Columbus Will Observe 75th Anniversary

A Diamond Jubilee celebration observing the 75th anniversary of the Knights of Columbus will be held by Rogue River Council 1594 of Medford March 24 and 31. John Hochstatter, grand knight, has announced.

On Sunday, March 24, a High Mass will be held at 9:30 a.m. for local Knights of Columbus. Hochstatter said. This event will be highlighted by an honor guard from the fourth degree assembly of Klamath Falls. After Mass a breakfast will be held from 10:20 a.m. to noon at the Seaside hotel for all Knights, wives and friends.

New Candidates
Diamond Jubilee degree will be held March 31 when new candidates are initiated into the Knights of Columbus.

In April the celebration will be concluded with a banquet in honor of past grand knights of the Rogue River council. They will be presented with honorary certificates and pins.

This week more than a million members of the Knights of Columbus in about 3,800 councils in the United States, Canada, Mexico, Puerto Rico, Panama, Cuba and the Philippines will celebrate the Diamond Jubilee with various programs.

According to Hochstatter, the Rogue River council was chartered Dec. 17, 1911. Jens Jensen of Medford and Guy Conner of Portland are the only known charter members, Hochstatter said.

Buffalo Steaks at Club Dinner Provided by Day

John S. Day, Medford, recently provided about 700 pounds of buffalo steaks from his herd for the annual Explorer's club dinner at the Biltmore hotel in New York City.

Day, who has written several articles on hunting for various magazines, has been a member of the Explorer's club for four years. About 600 guests attended the club's dinner, part of which was televised.

Give new flavor to frozen green beans with some of the new instant minced onion. Add 1/2 teaspoon of the moisture-free onion to 1/2 cup water and a package of frozen beans. Cook until barely tender.
