Canadian Quadruplets Said in Fine Condition

Montreal — (U.P.) — Quadruplets, three girls and a boy, were reported in good condition Friday in a suburban hospital where their birth to a 34-year-old woman with five other children was described as a million to one shot.

The mother, Mrs. Audrey Munro, was said to be resting comfortably in St. Joseph's hospital in nearby Lachine where the babies were born without complications Thursday. They were placed in one double and two single incubators.

New Reports Rumor Ava Gardner Romance

Rome —(U.P.)— An unabashed public display of handholding by Ava Gardner and Italian comedian Walter Chiari touched off new reports Friday that the film star was heading for her fourth wedding.

Their names have been linked romantically since 1954, but this was the first time the couple had circulated arm in arm at a public reception and allowed photographers to snap their picture at will.
