

On The Side

By E. V. Durling

(Distributed by King Features Syndicate, Inc.)

In what occupation, trade or profession does a married man experience the most temptation from designing women? Research indicates they are dentists, bus drivers and bartenders. All men in these occupations have to fight off an unusual number of flirtatious females. So, if any of our subscribers has a handsome husband engaged in any of the aforementioned activities, let us hope he is a man of strong character.

Maiden's Prayer

"You seem somewhat confused as to patron saints," writes a feminine subscriber. "This in turn has confused you as to what is the right Maiden's Prayer. The patron saints of spinsters are St. Joseph and St. Ann. The Maiden's Prayer is as follows: 'Holy St. Joseph and blessed St. Ann Send me a man as fast as you can.'"

Longevity

Excessively plump females have short lives. So it is repeatedly alleged. You can't prove it by Elsa Maxwell. Elsa, who is 73 years old, weighs 196 pounds. And how about Sophie Tucker? She's 72 and tips the beam at around 200 pounds. Speaking of generously proportioned females, what became of the three Peters Sisters? Last time I heard of them they were in Paris. I must check on this interesting trio.

Get It Right

Many people who claim to be vegetarians are not. They eat cooked vegetables. A genuine vegetarian is one who eats only raw vegetables. The most celebrated of genuine vegetarians was Mahatma Gandhi. Did you know Gandhi was married when 13 years old? His bride was 10 years old. The Gandhis stayed married for over 60 years and were the parents of four sons.

Naming Baby

"If it is a girl, what do you think of Theodora for her name?" asks a Baltimorean, who is expectant. I think Theodora is a beautiful name. It means "Gift of God." However, if so named the girl, when she grows up, would probably call herself Teddy. Take Stephanie. That's an attractive name, too. I know some people who so named their daughter. That daughter, now 16, calls herself "Steve." And so it goes.

As It Was

So you claim to be a Young Old Timer. Tell us who were the leading film stars of 15 years ago. Give up? In 1942 the 10 leading film box office attractions were: 1. Abbott and Costello. 2. Clark Gable. 3. Gary Cooper. 4. Mickey Rooney. 5. Bob Hope. 6. James Cagney. 7. Gene Autry. 8. Betty Grable. 9. Greer Garson. 10. Spencer Tracy.

Newspaper Writing

It was Joseph Pulitzer who offered the following advice on writing to editorial writers, columnists and reporters: "Put it before them briefly so they will read it, clearly so they will understand it, forcibly so they will appreciate it, picturesquely so they will remember it, and above all accurately so they will be guided, by its light."

Eyesight

An optometrist says that brunettes have much better eyesight than blondes. Very interesting. Could that be the reason the brunettes usually have much

better looking husbands than blondes? Or why so many blondes feature so many curious color combinations in their attire.

Passing By

Who originated crepes suzette? That is a much discussed question. Get it right. Crepes suzette were originated by Prosper Montagne, then chef at the Cafe de Paris, Monte Carlo. Were first concocted for King Edward VII of England and named after Suzette, an attractive flower girl His Majesty admired.

Boy Scouts

Cub Scout Pack 40 The March meeting of Cub Scout Pack 40, Central Point, was held in the junior high school library Tuesday, March 19. Opening ceremony was by Den 8. Dens 5 and 7 presented skits. Entertainment was by Cub Scouts which included two piano solos by John Yoakley. Titles of solos were "The Cowboy and His Banjo" also "Liebestraum." Accordion solos were by Raymond Munn. Titles of solos were "Battle Hymn of the Republic," "Brace Indian March" and "Country Garden."

Awards for Bobcats were presented Max Bruder Jr., Donald Mundlin, Robert Barnard, Norman Henney, Eddie Morgan, Mike DeHaas, Gregory McElroy and Danny Hill.

Wolf awards went to Danny Reed, Larry Evans and Jerry Halliwell.

Bear awards were presented Robert Snook, Chester Wolf and Rodney Curtis.

Lion awards were given by Jon Singleton and Charles Young.

Gold Arrows were earned by John Tate, Charles Derevan, Jody Van Horn, Robert Snook, Rocky Cote, Roy Harger, Robert Bruce, Larry Evans and Jon Singleton.

Silver Arrows were earned by Robert Bruce, Harvey Grissom, Steve Mapel, James Rainey, Jon Jennings, Robert Snook and Lloyd Toner.

Those receiving dinner badges were Larry Glenn, Billy Wright and Danny Reed.

Those receiving assistant dinner badges were Harold Pierce, Detls Kirkendols, John Tate, Grant Mallory, Tommy Abbott, Roy Fair and Dennis Kinney.

Two year pins were received by Robert Snook and Randy Pinney.

Den Chief Cord was awarded to Charles Lopez.

Transfers were Clifford Shelbarger of Medford and Tommy Hall of Rogue River.

Next leaders' meeting will be at the home of Mrs. Kenneth Toner, route 2, box 41, Central Point, Tuesday, April 2, at 7:30 p.m.

Troop 16

Boy Scout Troop 16 will hold a potluck dinner Wednesday at 6:30 p.m. at the Pythian building. All Scouts, their parents and other interested parties are invited to attend and will be contacted regarding food. This will be the annual anniversary dinner, followed by a Court of Honor and presentation of service pins to the boys and partici-

OLDEST?

Waterville, Me. —(U.P.)— Mrs. Eldora Brackett and Mrs. Ellura Chamberlain are said to be the nation's oldest twins. The identical sisters are 93.

TO THE BONE

Cozad, Neb. —(U.P.)— Gov. V. Cozad and son's "hardtack" state budget proposals were brought home to him at the Cozad Farmers Heart Lift banquet here. As evidence of the way the area is "cutting the budget to the bone," the governor was served a ham bone and two beans.

The average family car is driven 7,800 miles a year.

DIRECT NEW MILK GROUP—Members of the board of directors of the newly-formed Coordinated Milk Sales are shown above following the CMS organization meeting here Friday night. Left to right they are Albert Straus, Sams Valley; Harold Winger, Grants Pass, vice president; Oliver Roundtree,

Grants Pass; Will Hubbard, Eagle Point; Lyle Douglas, Grants Pass, assistant manager; Chester Jensen, Rogue River, secretary; Carl Hover, Central Point; Clarent C. Williams, Ashland, president, and Dick Westerberg, Ashland, manager. —(Landis-Shangle photo)

Milk Marketing Group Formed At Meet Friday

A new cooperative milk marketing organization, Coordinated Milk Sales, was organized at a meeting here Friday night.

CMS was created by two "parent" groups, the Southern Oregon Milk Producers, and the Jackson County Milk Producers league, to coordinate production and sales from their members. Other producers' groups may, eventually, join in operation of the coordinating and management agency.

Many To Benefit About 150 milk producers in Jackson and Josephine counties will benefit from the organization, according to Dick Westerberg, Ashland, who will be the manager of the new group. He has been with the county Milk Producers league, and is an Ashland area dairyman himself.

CMS will use the facilities of the parent groups, and will maintain its main office in Medford. Lyle Douglas, Grants Pass, will assist Westerberg.

Board of Directors

Governing body is a board of directors, which is composed of members of the boards of the SOMPA and MPL.

Clarence C. Williams, Ashland, was elected president of CMS at the Friday meeting, held at the Jackson hotel. Harold Winger, Grants Pass, was named vice president, and Chester Jensen, Rogue River, secretary. Other board members include Albert Straus, Sams Valley; Oliver Roundtree, Grants Pass; Will Hubbard, Eagle Point; Carl Hover, Central Point, and Douglas Westerberg, Williams, and Jensen.

Redwood Highway Widening Eyed

Cave Junction—(Special)—State Highway department engineers met with city planners here Wednesday afternoon to make further plans for widening and improving that part of the Redwood highway which serves as Cave Junction's Main st.

F. D. Morgan, Roseburg, division engineer for the State Highway department presented a map showing an 80-foot curb-to-curb roadway, with provisions for a 16-foot median, or divider, two 12-foot lanes on either side and eight-foot parking strips. He said a map with 100-foot curb-to-curb specifications had been discarded by the department several years ago, and added that if the city wants a wider Main st., the highway commission should be contacted. The 100-foot highway would mean condemnation of several properties.

Although no appropriations have been made, the engineers said Main street improvement work would be in addition to a project already approved for a 100-foot Redwood highway right of way from Cave Junction north to Hayes hill. The state, he said, would pay for all Main st. work in the city, and would put in curbs, but sidewalk construction would be the responsibility of property owners.

W. J. Moyer, district manager of the California-Oregon Power company, presented a plan for removing power poles from Main st. to the alley. He suggested that street lighting come from standards erected in the center island of the proposed new roadway. Financing would be arranged through monthly payments to COPCO by the city.

Angel falls in Venezuela is believed to be the world's highest falls. It is 3,312 feet high, 15 times the height of Niagara falls.

Grange News

Live Oak Grange

Following the opening of the meeting at Live Oak Grange, the entire group recessed to attend the hearing of the school budget committee, Thursday, March 14. When the members reconvened at the Grange hall, lecturer Cassie Golding presented a program. Esther Fabrick sang a group of Irish songs and Sgt. Paulson of the Air Force showed a film on the importance of the Ground Observer Corp, which is now in its fourth year of operation in Rogue River.

Rollin Taylor displayed a showcase he had made in which he kept some old-time hunting equipment and weapons.

Several pending bills in the legislature were called to the attention of the Grange for consideration. Among them were House bill 175 relative to milk production auditing.

Mrs. Hazel Dinsmore formerly of Gold Hill and now living in Coquille, was a visitor.

The lecture program for the next Grange meeting on March 28, will be devoted to discussion of bills pending in the state legislature. Members are urged to attend.

Refreshments were served by Juanita Scott, Henry Corbin and Mr. and Mrs. Foster Luce.

Enterprise Grange

Fifteen officers and members of Enterprise Grange met with their Master Gladys Baulter Tuesday evening.

Reports were heard from standing committees. James Martin, agriculture chairman, reported on Christmas trees. He stated that 50 pounds of tree seed about 40,000 Christmas trees are guaranteed to grow. The seed can be bought through a Salem tree farm.

Martin reported that king-size vegetables are being grown in Alaska such as 42 pound heads of cabbage and six pound heads of lettuce. Since 1907 there had only been one frost that did damage to garden crops, he said.

HEC Chairman Lottie Martin stated that she had made up a list of advertisers in the Grange Bulletin. Each member will receive one and can tack them up at home and enter the amount purchased.

Christy Jensen said there was very little news in the dairy industry. Still the same trend, fewer dairies, larger herds and that 75 per cent of the milk was being handled by tank trucks. He also reported on the flood control election, giving the names of the elected officers. Instead of serving one year as proposed, they are elected to three year terms Jensen represents Enterprise Grange.

Lecturer Dave Blair discussed various legislative bills. He had just returned from Salem where he attended the hearing of the bill in regard to slash left by loggers on private property and the other bill asking banks to close on Saturday.

Master Gladys Boulter announced that the local Boy Scout troop were working on a community park. The property belongs to the school and lies back of the school along the creek. It is an ideal place for a park. The school board had given permission to go ahead with the project. Scout Master Kenneth Miller and the troop, with the help of a few adults, spent one full Saturday pulling poison oak and brush. Joe Wilson furnished his "cat" and Mr. Martin furnished his tractor for the heavier work. The Grange members voted to build at least three outdoor fireplaces. Joe Wilson is to let the Grangers know when they have another clean up day, as he is a Scout counselor.

Hosts for the evening were Mr. and Mrs. Louis Northrup and Mr. and Mrs. J. H. Wood.

Phoenix Grange

A program will precede the regular Phoenix Grange meeting Tuesday, March 26 at 8 p.m. It

will be open to the public.

Mrs. Bert Standcliff, co-chairman of Phoenix Cancer Education committee, will present two colored films, entitled "Man Alive and Living Insurance." The pictures are supplied by the Oregon Cancer Society.

Dr. Donald McGeary of Phoenix will hold a question and answer period following the showing of the films.

The Home Economic club will arrange the display table.

Refreshment committee will be Mr. and Mrs. Oscar Gysin, Mrs. Myrtle Perns, Mr. and Mrs. John Bowdish and Mrs. Ada Bell Wellborn.

Gold Hill Grange

The Gold Hill Grange meeting was held March 21 with Master Hal Bishop conducting the business, which consisted of committee reports, new business, good of the order and financial reports.

Charles Foote reported cattle prices high and owing to wet weather, farmers could not get into the fields to work.

Herma Kamping reported there was no sales for farm products and grass seed.

Aly Walker reported on flood control and bills now before the legislature. Brother Hows installed Nina Dusenberry on the executive committee to fill Lola Beeman's place as Sister Beeman's health will not permit activities at the present time.

The Grange voted to send our lecturer to the lecture school held in Ashland in April.

The Grange will enter candidates for king and queen in the Pear Blossom Festival and also will enter a float in the parade. The financial report was very satisfactory, all bills were presented and voted upon to be paid.

The lecturer's program consisted of group singing, games and seating drill practice.

The attendance of the dances, sponsored by the Grange continue to increase each Saturday night. There has been good music and good lunches served in the dining room.

The Grange closed at 10:30 p.m. with the retiring drill.

Police Asked to Help Locate Two Persons

Medford police last week were contacted by two California families to contact a missing brother and daughter now believed to be in the Medford area.

A letter was received from Mrs. George Butterfield, Fresno, Calif., requesting local authorities to help locate her daughter, Mrs. Juanita Cross, 35, who she described as about 5 feet, 4 3/4 inches tall with dark brown hair and eyes, police said.

Thomas L. Lowe, San Francisco, has asked city police to help locate his brother, Mickey M. Lowe, believed to be a lumber worker, police reported. Lowe said finding his brother is in connection with settling the estate of Walter W. Pierce, according to officers.

New Army Reserve Obligations Listed

Vancouver Barracks, Wash. — New, shorter, ready reserve obligations for men in the 17 to 18 1/2 year old age group make enlistment in the Army Reserve more attractive than before. Col. Frank M. Kehoe, chief of the Army military district, Oregon, has announced.

The new obligations shorten the period of participation in ready reserve training to three years after the individual completes six months of active duty. The previous requirement was a total active duty and ready reserve training obligation of five years, Colonel Kehoe said.
