

Health is Topic Of PTA Speaker

Hills—Mrs. Margaret Esrey of Yreka spoke on adult health at the last meeting of the Hills Parent-Teacher association at the schoolhouse. Mrs. Esrey is a public health nurse.

Program for the meeting was given by the pupils of the fifth and sixth grade in Mrs. E. Jeter's room. The program included singing and dancing and several individual numbers. Marsha Simmen played a piano selection; Gary Tallis and Tommy Laust-Jot tap danced; Pamela Mendes gave a recitation; and another tap dance number was given by Jeri Lynn Green and Terry Oakley. The program ended with the group singing "The Four Leaf Clover."

The selling of the public address system was discussed and Mrs. Orvil Green was appointed chairman of the committee to check into the possibility of selling it.

Mrs. Don Ward was appointed chairman of a food sale to be held in April 16.

Members of the group were reminded to register so they will be eligible to vote in the school election to be held in the spring.

Mrs. Fred Lehman and Mrs. Orval Rife were hostesses for the meeting.

Carrot, Tuna Fish Makes Lenten Entree

Western-grown carrots, blended with tuna fish, makes a delicious Lenten entree that is unusual and inviting. To accompany the casserole, fresh broccoli, topped with lemon butter, is ideal.

For Seafarer's Casserole use 1 seven-ounce can of tuna; 2 egg yolks, 1/2 cup light cream, 1/4 cup sherry wine or 1 tablespoon lemon juice, 1 teaspoon onion juice, 1/2 teaspoon garlic salt, 1/4 cup grated carrots, 1/4 pound processed cheddar cheese, 2 tablespoons butter or margarine, 2 egg whites, 1/4 teaspoon baking powder.

Method: Combine tuna, egg yolks, cream, wine, onion juice and garlic salt. Beat with egg beater just long enough to mix. Carefully fold in grated carrots. Spoon mixture into 4 lightly greased shells or individual custard cups and bake at 400 degrees F. for 15 minutes. While tuna is baking, melt cheese and butter together over hot water. Beat egg whites with baking powder until stiff, fold into cheese mixture. When tuna is done, spoon cheese mixture over hot tuna. Place shells or individual baking dishes under broiler until cheese mixture is puffy and slightly brown, about 3 minutes. Serve immediately. Serves four.

COPPER PANS DULL?

Copper cleaners can't do their work well on greasy surfaces. Experts of the Gas Appliance Manufacturers Association, say that's why a copper pan—stainless steel with copper bottom—must be sudsed and rinsed with hot water both before and after applying a copper cleaning product to remove spillover discoloration.
