

Stan Musial Wallops 5 for 5 for SL Nine

By TIM MORIARTY
United Press Sports Writer
Manager Fred Hutchinson of the St. Louis Cardinals isn't kidding when he claims Stan Musial "is like good whiskey... he gets better the longer he's around."

Now 36 years old and approaching his 16th season with the Redbirds, Musial no longer has the "kick" of aged-in-the-wood jiggle juice, but he still gives most pitchers a hangover. The veteran outfielder had a perfect five-for-five day at bat Tuesday, stroking out four singles and a homer as the Cardinals downed the Cincinnati Redlegs, 9-2, to complete a sweep of their three-game spring series.

Nuxhall Racked up
In the hottest against the Redlegs at Tampa, Fla., Musial being the Cardinals rack up Joe Nuxhall, who gave up seven hits and three runs in the first three innings. Herm Wehmeier, meanwhile, blanked the Redlegs until the sixth when he was nicked for three hits and two runs.

At St. Petersburg, Fla. Enos Slaughter, another old-timer and ex-Redbird, ignited a ninth-

Chief Takes 3rd In Redding Trial Qualifying Stake
Chief, TV puppy owned by Sid Menasco, Grants Pass, and handled by Carl Newell, Medford, took third place in the qualifying stake in a retriever field trial last week end at Redding, Calif.

A number of members of the Rogue Valley Retriever club attended the trial. Kenneth Denman among them was a judge in the qualifying and open all-age stakes and was commended for the tests he set up in those events.

Tom Rickard won a certificate of merit with Sam in the qualifying stake and Dr. Eugene Meyerding gained a CM with Muffin in the derby. Denman ran his Kip in the amateur all-age event and Charles Stelle handled his Black Lava in the qualifying.

KF Trip Planned
Some RVRC members are planning to go to Klamath Falls on Sunday, April 7, for a picnic trial.

The local club will hold its own picnic trial on April 14 at Hoover lake. Members plan to shoot pheasants for their dogs in preparations for the American Kennel club licensed trial April 19, 20 and 21 in the Klamath Falls area.

RVRC members and other persons interested are invited to see a Jackson County chapter of the Izaak Walton club showing of a movie on the rearing, training and hunting of a Labrador retriever. The 40-minute color and sound movie will be shown at 8 p.m. Monday, April 8, in the Pioneer room of the Jackson hotel.

Cycle Climb Set For April 15
Class C hill climb of the Rogue Valley Riders Motorcycle club of Southern Oregon has been rescheduled for Sunday, April 14.

The event was called off last Sunday because of bad weather. Scene of the climb will be Applegate hill between Medford and Grants Pass on highway 238. The hill is four miles west of Ruch.

Entries last Sunday were on hand from as far away as Redding and Corning, Calif. Other cyclists learned of the cancellation after having started here and turned back.

inning rally that enabled the New York Yankees to edge the Boston Red Sox, 1-0. The Yankees put together a single by Slaughter, a forceout, and a back-to-back single by Gil McDougald and rookie Tony Kubek for their only run.

Dodgers Blast Bucs
The Brooklyn Dodgers snapped a three-game losing streak by whipping the Pittsburgh Pirates, 11-5. Randy Jackson and rookie John Roseboro homered for the Brooks, who shelled Paul Minner for six runs on eight hits in the first three innings.

Homers by Wes Covington and Joe Adcock helped the Braves down Atlanta, 8-5, Tuesday. Warren Spahn went the route for Milwaukee, although he was touched for 10 hits, including four homers.

Elsewhere around the spring training camps:
The Philadelphia Phillies registered their 10th victory in 11 games with American league teams by downing the Chicago White Sox, 4-2, the Washington Senators optioned outfielder Carlos Paula to Minneapolis before breaking camp at Orlando, Fla.; the Cleveland Indians rallied to down the New York Giants, 11-6, and Gene Baker's 12th inning homer earned the Chicago Cubs a 7-6 victory over the Baltimore Orioles.

WSA Meets To Discuss Race Plans

Western Speedboat association members were to convene this evening to work out final details of their annual regatta.

The speedboat races will be Sunday afternoon, April 7, at Emigrant lake southeast of Ashland. First race is set for 1 p.m. There will be six races of two heats each. If entries are large, elimination heats may be needed in some events and will start about noon.

Entrants are expected from a good number of western Oregon communities and there should be a good representation from northern California.

The WSA has continued to stress that pleasure boats will not be permitted on the lake during the regatta because of the danger to the drivers of the frail racing craft. Pleasure boatsmen will be permitted to bring their boats to the grounds.

Walton Proposal Before Congress

Washington, D.C. — Delegates to the 35th annual convention of the Izaak Walton League of America have turned special attention toward Congress where the latest in a long line of league accomplishments is under consideration.

This is a bill (S 846) to create a national outdoor recreation resources review commission, whose duty is to set in motion a nationwide inventory and evaluation of outdoor recreation resources and opportunities; to compile data on the amount, kind, quality and location of such outdoor recreation resource and opportunities as will be required by the year 1976 and the year 2000; and to present a report to Congress not later than Dec. 31, 1959, including recommendations as to the means whereby the review may be kept current in the future.

With bipartisan sponsorship, the Izaak Walton league bill, for the first time, sets up a time table for meeting the recreational needs of a nation which has outstripped its ability to satisfy the demands of the population. The legislation, which was the brain-child of Joseph W. Penfold of Colorado, conservation director of the league, and Robert C. O'Hair of Illinois, chairman of the league's executive board, is the first attempt by any organization or agency of government to inventory the existing facilities for outdoor recreation, the present needs, and the future requirements so as to provide a directory and guide on which to base present and future development of outdoor resources.

The proposed legislation is regarded as a conclusive answer to the oft-repeated charges that the Izaak Walton league has been "against" legislative measures throughout its history and never "for" anything.

Louisiana Commissioners Decline to Rule on Negro Charge Against R. Dupas

Paterson, N.J. — (U.P.) — Abe J. Greene, commissioner of the National Boxing association, has asked "every boxer in every other state in the country" to shun Louisiana because of a state law banning athletic contests between persons of different races. Greene, speaking Tuesday night before a Paterson service club, made the remarks while the Louisiana Boxing commission was considering whether a scheduled bout between Ralph Dupas of New Orleans and Vince Martinez of this city should be barred because of charges Dupas is a Negro.

By JOHN CORPORON
New Orleans — (U.P.) — Lightweight boxer Ralph Dupas claimed one of the big victories of his life today after the Louisiana Boxing commission okayed his April 8 fight with Vince Martinez and declined to rule on charges Dupas is a Negro.

Sixth-ranked Dupas, who at 21 already has a seven year professional boxing record, said Tuesday night's commission action "couldn't have made me happier."

The commission was asked last week to rule on charges brought by a section of the state health department that Dupas was Negro and therefore ineligible to fight whites in the state because of a 1956 law which bans all racially mixed athletics.

But the commission said that after two hearings — one in which Dupas, his mother and a woman who attended Mrs. Dupas at his birth testified — they found nothing to justify rescinding a sanction given for Dupas' 10-rounder with Martinez, sixth-ranked welterweight.
