

Tornado Diamond Nine Splits With KF; Pels Nab Loop Fray

Klamath Falls and Medford high split a baseball doublebill here yesterday afternoon, the Pelicans of Klamath Falls nabbing the big one, the Southern Oregon conference game, and Medford gaining victory in a non-league second tussle.

The Pels erupted for seven runs in the seventh inning to take the opener 7 to 1. Tornado diamonders got a single marker in the fourth canto of the abbreviated non-contract to break a deadlock win 2 to 1.

Gordon Owsley, first man up for Medford in the game, drew a walk and tallied the only run for his club in the starting clash. He got to second on Larry Perkins' Texas league swat to left field. The two men were successful on a twin steal. Owsley crossed home on Dick McLaughlin's sacrifice flyout to left field.

Going into the last inning, it appeared that the one marker might hold up. But after one out in the seventh Mickey Carey on ball, Owsley, Tracy and Butch Kimpston got successful hits, Larry Brown was hit by a pitched ball and Caldwell lambasted a three bagger. There were singles by Jerry Bramwell, Smiley Herrera and Mickey Carney also before the side retired.

Four-Hitter
Dennis Barr relieved starting twirler Ernie Tyler for Medford and tossed to the last two batters. The Tornado had two men on base during the final inning in their bid to make up for the KF outburst.

Carney on the hill for Klamath gave up four hits and struck out nine Medford batsmen. He walked two Tawney, Tracy and Butch Kimpston got successful hits, Larry Brown was hit by a pitched ball and Caldwell lambasted a three bagger. There were singles by Jerry Bramwell, Smiley Herrera and Mickey Carney also before the side retired.

McLaughlin doubled down the third base line for Medford for the fourth inning. He got to third on a wild pitch. Dennis King walked and Steve Shorey was hit by a pitched ball. Bob Fond cracked a line single past short to drive in McLaughlin.

Catcher for the opener, McLaughlin was pitcher in the second tussle. He yielded only one hit, fanned six and walked three and hit one.

Larry Perkins got three of Medford's hits in the first contest. Tawney, Tracy and Kimpston each got two safeties for Klamath.

KO Scored By Anthony

Detroit — (U.P.) — Tony Anthony, a former china-jawed middleweight who became a sensational light heavy in knocking out Chuck Spieser Friday night, looked past his June 7 title fight with Archie Moore to Floyd Patterson.

Anthony, a Harlem musician with a real smooth ring glide, surprised everybody—even himself—by shaking up top-ranked light-heavy Spieser in the first, putting him down and almost out in the second and cleanly kayoing the balding favorite in the third.

A crowd of 8,651 paid \$20,145 to watch the nationally televised fight.

Archie Moore, 43, fat and fading in the deep twilight of a boxing career that has had a long afternoon, has already signed to meet the winner in the same Olympia Stadium ring June 7.

How about heavy weight champ Patterson? "That's who we're after," said Ernie Braca, Anthony's manager.

Defensive Star To Face Boston Pro Basketeers

Los Angeles — Professional basketball, as played in the National Basketball association, is a game in which the accent is on offense. It is unusual for a player to make his reputation on defense but Mel Hutchins, 6-6 forward of the Fort Wayne Pistons, is better known for his defensive work than his offensive, even though he is a 13-point per game scorer.

Hutchins, the former Brigham Young university All-American, has an amazing ability to out-jump much taller men. Combined with is great timing and remarkable agility, his jumping ability makes him the toughest defensive man in pro basketball with the exception of Boston's Bill Russell.

The Piston ace is one of many NBA standouts with the Major League All-Stars who battle Boston in a game at Oregon State College's Gill Coliseum on April 20.

When George Mikan, the king of the big men, was in his prime, Hutchins covered him even though Mikan was four inches taller and 50 pounds heavier. No one gave Mikan more trouble than Hutchins.

Roberts to Hurl Eighth Inaugural

By LEO H. PETERSEN
United Press Sports Editor

An even dozen of the 16 pitchers who had opening-day assignments in 1956 are expected to win on the mound again April 15 and 16 when the 1957 pennant races get underway.

The group is headed by Robin Roberts, who'll be handling his eighth straight inaugural job when the Philadelphia Phillies open at home against the National League champion Brooklyn Dodgers. Roberts' likely opponent is 27-game winner Don Newcombe, whom he bested, 8-6, last year.

The Milwaukee Braves are expected to send Lew Burdette against Bob Rush and the Chicago Cubs Vinesh Bend Mizell and Joe Nixhall are the likely hurlers when the St. Louis Cardinals square off against the Cincinnati Redlegs and the Pittsburgh Pirates probably will open with Bob Friend against Johnny Antonelli and the New York Giants.

In the American league, the opening-day "repeaters" probably will be Billy Pierce of the Chicago White Sox, Bob Lemon of the Cleveland Indians, Frank Lary of the Detroit Tigers and Camilo Pascual of the Washington Senators. Another possibility is Don (Perfect Game) Larsen of the New York Yankees, although manager Casey Stengel currently is grooming either Whitey Ford or Johnny Kuck for the assignment.

Unless Stengel swings around to the idea of starting Larsen, the Yankees will open with either Ford or Kuck against the Senators the following day. The Stobbs, who scored three of the Senators' five wins over New York last season, figures to get some work.

Hank Aaron Pace Setter For Braves

Sarasota, Fla. — (U.P.) — Billy Virdon, who finished second to Milwaukee's Hank Aaron in the National league batting race last year, is ready for the 1957 NL campaign. Virdon currently is clipping along at a .436 clip in Grapefruit league games and leads the Pirates in runs batted in with 14 and homers with three.

By UNITED PRESS
Hank Aaron's .417 average is making it clear today that there'll be no repetition of the spring slump that almost cost him the National league batting championship in 1956.

Aaron walloped a homer and a single Friday to pace the Milwaukee Braves to a 5-1 victory over the Brooklyn Dodgers and raise his runs batted in total to 22 for 17 games.

The Philadelphia Phillies raised their record to 12-2 against American league rivals when they scored six unearned runs in the seventh inning to down the New York Yankees, 6-4. Bob Turley shut out the Phillies with three hits for six innings before two errors got him into trouble.

Seven In Eight
The Cleveland Indians made it seven victories in their last eight games when they clubbed out 12 hits, including nine for York Giants. The Indians hacked out 12 hits, including nine for extra bases, and received 13 walks from New York pitchers.

The Kansas City Athletics handed the Boston Red Sox their fifth straight loss and 12th in 18 games with major league rivals when they scored four eighth-inning runs for a 4-1 triumph.

Don Hoak continued his strong bid for a regular job when he walloped a sixth-inning homer that gave the Cincinnati Redlegs a 1-0 decision over the Washington Senators.

Holman Arrives For Tuesday Tiff
Portland — (U.P.) — Heavyweight Johnny Holman of Chicago flew into town Friday and had this to say about Ewart Potgieter, his giant seven-foot-two-inch opponent of next Tuesday night: "The bigger they are the harder they fall. He can be hit and when I get a good shot at a guy, most of the time he drops."

Potgieter is hopeful of a shot with 10th ranked Nino Valdez if he can get by Holman.

Robbie Agin Muzzling

Glen Lake, Wis. — (U.P.) — Jackie Robinson Saturday said he opposes any muzzling of baseball players to keep them from becoming embroiled in unfavorable publicity.

Robinson, who played 10 seasons with the Brooklyn Dodgers before retiring last fall, said ball players "like other people" should be allowed to "speak their mind."

Furthermore, he said in an interview, players should not be restricted to public comments only about baseball.

"They're like other people. If they have something on their mind, they should be permitted to say it," Robinson said in referring to the tempest created by Ted Williams' recent blast against the Marines, politicians and sports writers.

The Anchor On A Ship...

Is a mighty important piece of equipment. It keeps the ship safe when the skipper wants to stand still and not go anywhere.

"Skippers" of enterprising logging operations however, have no use for an anchor — they don't want to stand still. They must keep going places and they want to keep things moving.

If you need additional equipment to keep your show in motion, check with us for top quality logging equipment which has been renewed and reconditioned in our own service department. Here are just a few items that can help you go ahead.
