

BLACK TORNADO SQUAD GOES TO RELAY SCENE; LARSON'S ANKLE AILING

Condition of Wally Larson was the question mark today as Medford headed for Eugene to defend its title in the metropolitan class of the 20th annual Hayward relays.

Metro and A division contention in the Haywards is set for Saturday afternoon.

Larson, regarded as a key man on the Black Tornado relay squad, turned his ankle at home yesterday morning, Coach Bob Sewland reported.

Whether the state champion hurdler will be able to participate was uncertain this morning. He, however, made the trip to Eugene. "If Larson is unable to run, our chances will be greatly diminished," Sewland declared.

The smooth running senior is a member of Medford's crack hurdle trio and half-mile relay quartet. He is also on the high jump relay crew. Larson was treated by a physiotherapist yesterday but was still hobbling this morning with a swelling in his ankle.

Tremendous Record

Speedy Johnny Jones in the 300-yard event, Henry Courtney in the shuttles and Dave Bergman in the high jump are the alternates who'll perform if Larson can not.

A squad of 34 Medford athletes left at noon today for the relay scene. They'll contend against more than 20 other schools in the metro grouping. The Black Tornado has a tremendous record in the Hay-

wards, coming through some times against heavy odds.

Medfordites will be shooting for the 15 crown in the meet for their school, Tornado teams having won in their class 14 out of 17 times entered. They took second on the other three occasions.

Newland-coached Medford teams have won seven times in nine Hayward meets.

Prognosticators have named Medford the favorite again this year. The Tornado won the Rogue relays last Saturday.

Dream Track Foreseen For NY Horse Racing

New York —(U.P.)— New York racing fans can look forward to the opening of the long promised "dream track" at the site of old Aqueduct two years from now as a result of a bill signed Thursday by Gov. Averell Harriman.

Gov. Harriman signed legislation in Albany which will assure New York's thoroughbred race tracks of a 40 million dollar increase in their share of the pari-mutuel take. The Greater New York Racing association, which operates the state's flat tracks, has been clamoring for the increase in order to build a much-needed modern plant and improve the other tracks.

Doug Ford Takes Lead

Greensboro, N. C. —(U.P.)— Masters champion Doug Ford has "the confidence," he took the lead by one stroke, and he may be on the way toward smashing erratic Sammy Snead's long reign in the \$15,000 Greensboro Open Golf tournament.

Ford, fresh from his Masters triumph last Sunday, carried a one-stroke margin into today's second round after a two-under-par 68 on opening day. He also was four strokes ahead of Snead, the winner here the last four years.

Marty Furgol of Lemont, Ill., turned in a daring front side 33 but went one over on the back for a 69 tie for second place with unheralded amateur Wilard Gourley city champion in Greensboro in recent years.

Pushing the leaders were par shooters Mike Souchak, Grossinger, N. Y.; Al Besselink, Grossinger, N. Y.; Bobby Maxwell, Abilene, Tex.; Julius Boros, Mid-Pines, N. C.; and Gardner Dickinson Jr., Panama City Beach, Fla., all with 70.
