REMOVE WASTE—*NOT* GOOD FOOD

Here's a secret millions have discovered about FEEN-A-MINT, the wonderfully different chewing-gum laxative.

FEEN-A-MINT is different because you **chew it. It's different, too, because it removes mostly waste—not good food! You see, FEEN-A-MINT does not work in the stomach, where your food is being digested. That's why it does not take away a lot of the good food you need for energy.**

Doctors know that FEEN-A-MINT works chiefly in the **lower bowel...removes mostly waste, not good food!**

So to feel like a million, chew delicious FEEN-A-MINT. 16 tablets, 35¢—also small and economy sizes.

Don't Let CHANGE OF LIFE CHANGE YOU

If you are going through change of life, the loving and loved woman you are today can be a nerve-tortured, impossible-to-live-with person tomorrow. Yet thousands of women who suffered hot flashes and screaming nerve tensions have found the way to enjoy life and peace of mind . . . as Mrs. A. B. Kesner of Chatauqua, Kansas discovered:

"I was so miserable with hot flashes and nerves. Now, since taking Dr. Pierce's Favorite Prescription regularly, I feel like a new person." So why suffer? Get Dr. Pierce's Favorite Prescription, liquid or tablets, today at your druggist's. Save this ad as a reminder.
