

News About Books From the Library

The Medford Public Library has made a special effort during the past year to build up a collection of books that will offer reading of interest, variety, and quality to boys and girls in their teens. To shelve the more than 200 books written especially for young people and purchased especially for their enjoyment, a special browsing stack has been set aside at the library.

Duplicate copies of almost all titles have been distributed among Jackson county branch libraries. During the past two weeks 21 new titles were added to the "Y" or Teen Section, titles that include romance, adventure, sports stories, science, and biography.

The total number of volumes added to the library during the two-week period was 405, of which 165 were gifts. Donors were Edmund E. Haas, W. P. Mountain Passes to Open Earlier in Area

Salem—Three high Cascade mountain pass highways annually closed by snow throughout the winter will be open to traffic earlier than usual this year, according to W. C. (Dutch) Williams, state highway engineer.

The three are McKenzie highway, the east and west Diamond Lake highway, and the Mt. Hood highway between Government Camp and Cooper's Spur, Williams said.

Planning operations are scheduled to start at both ends of the highways April 29, making them open to traffic about May 17, the highway engineer said.

Normally the McKenzie highway is open about June 1 and the Diamond Lake highway about a week earlier, Williams noted. A snow pack estimated at only 70 per cent of normal has made the earlier snow removal possible, he added.

London—(U.P.)—Film star Belinda Lee's long blonde hair was four inches shorter today. It caught fire from a candle during the filming of a movie scene Thursday. Miss Lee was burned slightly.

Great Decisions Groups to Meet

Members and leaders of the "Great Decisions . . . 1957" discussion groups in Jackson county will meet at 8 p.m. Monday in the courthouse to evaluate the foreign policy study program.

An estimated 200 persons in Jackson county informally studied United States foreign policy during January and February, according to Mrs. John Ousterhout, county chairman. Charles O'Brien of the Foreign Policy association, the volunteer association which encouraged the Great Decisions program, will attend the meeting. Warren Rovetch, also of the association, will be present at a similar meeting in Grants Pass Monday night.

All persons interested in the Great Decisions program have been invited to the meeting to express their opinions and to aid in future planning, the chairman said.

The study program was carried on throughout Oregon with help of the general extension division and the state extension service, with many other co-operating groups and agencies.

SERVICE WITH A SCALPEL

South Bend, Ind.—(U.P.)—For Sampson Eder, 38, it was a case of being in the right place at the right time. Eder was visiting a friend at St. Joseph's hospital Thursday when he had a pain in his side. Doctors promptly removed his appendix.
