

Prospect Jackson B Diamond Champion

Prospect — Prospect high tucked away its first Jackson County B league championship in many years yesterday.

The Cougars defeated Rogue River 30 to 2 to conclude their regular B league slate undefeated in baseball.

So far as can be recalled the last county title won by Prospect was in track in 1932.

Prospect blasted out 23 hits and had two-hit chugging by Don Vannice.

Davidson Swats

Jim Davidson headed the swatting parade with five raps in six times up. He homered and tripled and drove in three runs. Mickey Ring hit four for seven, doubling and bringing home six runs. Jim Valentine doubled twice in five times up. Eight of the Prospect starters got hits. Vannice cracked three for five.

On the hill Vannice chalked up 17 strikeouts and walked three. The two hits he yielded were in the first inning. Rogue River combined them with a miscue for both its runs.

District play-off with the Klamath county champ will be on May 17. The Cougars will oppose Butte Falls on Tuesday in

Ducks Cinder Meet Choice Over Orange

Oregon State College, Corvallis—Track fans who like to be around when new records are set definitely should plan to take in the Oregon-OSC dual meet on Bell field Saturday when the two largest state schools compete for the 39th time on the cinders.

It's a strong possibility that six or seven new standards will go into the record books as Bill Bowerman sends his well-balanced track forces against the depth-shy but individually strong Beavers of Hal Moe. Marks appearing in jeopardy are in the mile, 440, high hurdles, 880, javelin, shotput and discus.

Jim Bailey of Oregon could establish new levels in both the 880 and mile, if he's up to Bailey par. Existing records are 1:54.2 and 4:18.6, respectively, and in the 880 Bailey is sure to be pressed closely by OSC sophomore Cliff Cordy, who has a 1:54.8 in his credit this season.

Hurdle Mark Threatened

Oregon's Doug Basham should eclipse the high hurdles mark of 14.7, for he's already covered the event in 14.4. In the 440, Jerry Christian of Oregon has clipped off a :49.4, which is close to the meet mark of :49.3.

In three of the field events, new records are possible—with Oregon State athletes figuring in two of them. Ron Smart of OSC has thrown the discus 156 feet, while the meet record is 153 feet 1 1/2 inches. His teammate, Tom Blackstone, also is capable of getting the platter out that far.

OSC's Duane Marshall probably is most likely of all to set a new mark in his event, the shotput. His best mark is 32 feet, 1/2 inch, while the record is 50 feet, and Marshall has bettered 50 feet on practically every throw this season. Oregon's Ed Bingham could best the javelin level of 219 feet, 4 inches, for his best this spring was 226 feet, 9 1/2 inches. Don Clay, more consistent than Bingham, also has an outside chance in the event, although his best mark is only 213 feet.

Good as Wayne Moss of OSC is in the high jump, it isn't likely he will surpass the record of 6 feet 8 3/4 inches by Les Steers of Oregon in 1941. Moss has leaped 6 feet 7 3/4 inches this season and is holder of the all-time OSC record.

Field events start at 1 p.m. with running events to get underway at 1:30 p.m.

Here is the complete listing of the top 1937 efforts by Northern division:

100—Jim Bailey, Oregon, 4:16.5

Washington Wins Grade Track Meet

Washington track and field men shaded Roosevelt by three points plus Thursday afternoon to win the annual all-city grade school meet, concluding the season in the cinder sport for the elementary students. Seven records were broken and two were tied.

The Washingtonians headed the seven school field with a count of 95 1/12 tallies in the overall scoring, winning the Class C division and placing second in both Class A and B. Roosevelt was first in Class A and medley relay and runner-up in the aggregate scoring with 91 5/6. Jefferson scored 70 3/4 for third and won the Class B division.

Lincoln tallied 42 5/6, Jackson 38 and Oak Grove 21 1/2. West Side, with five youths entered, gained three points in Class B.

Two records were set in Class A with Gary Neese of Roosevelt putting the shot 38 feet 3 inches and the Roosevelt 220-yard relay team of Michael Beeny, Roy Ross, Neese and James Bandy running in :27.6.

Barnes Sets Mark

In Class B Mike Barnes of Jefferson set a new shot put standard of 30-7 1/2. Steve Toews of Jeff tied the record with :07.8 in the 60-yard dash. Toews and Doug Farnsworth of Washington knotted the vault mark with 6-9.

Four records fell in Class C: Jim Allen of Washington, :07.75 in the 60, Mike Horton of Jackson, 205 feet in the baseball throw, Washington's 220 relayers, Bob Stearns, Gregg Swanson, Jim Stiger and Allen in :28.9, and Mike Higgins in the 150-yard dash.

Scores in Class A were Roosevelt 41, Washington 32, Jackson 22, Lincoln 19, Jefferson 11 and Oak Grove 1.

In Class B counts were Jeff 38, Washington 32 1/2, Roosevelt 27, Lincoln 13 1/2, Jackson 6 1/2, Oak Grove 5 1/2 and West Side 3.

Class C tally was Washington 30 7/12, Roosevelt 23 5/6, Jefferson 21 3/4, Oak Grove 15, Lincoln 10 1/3 and Jackson 9 1/2.

There were 138 entrants in the meet. Washington and Jefferson each had 27, Lincoln 26, Jackson 22, Roosevelt 19, Oak Grove 12 and West Side five.

The meet was finished 15 seconds ahead of schedule.

Sugar Eyes Song-Dance Life Again

Chicago — (U.P.) — Sugar Ray Robinson will hold his prized middleweight championship for only one more fight.

Robinson, who gained the crown for the fourth time Wednesday with his fifth round knockout of Gene Fullmer, made it definite today that he'll be a song and dance man on the Broadway stage "next winter."

"I'll defend the title against Carmen Basilio, if the terms are right," he said, "and if I win, that's my last fight. If I lose, of course, I'd want to try and get it back."

Rematch In Contract

But should Robinson lose, he would not be the champion going into the rematch, which he will demand as part of the contract for a Basilio fight, and this then would become the finale to his 17-year career in boxing.

Should Robinson go through with his plans, it would be the second time he has given up a title to a stage career. He quit the ring in 1932 after losing to Joey Maxim in a bid for the light heavyweight title, but 30 months later he returned to boxing and in 1936 recaptured the 160-pound title from Bobo Olson.

Ed Machen, Maxim Vie

Louisville, Ky.—Young Eddie Machen, confident that what he did once he can do again, takes on aging Joey Maxim tonight in an effort to establish his claim to a shot at the world heavyweight title.

The nationally-telvised Derby-eyev 10-rounder is a repeat of a January joust in Miami, in which Machen not only defeated the 35-year-old former light heavy king but became one of the few men who ever knocked Maxim down. Machen is a 3 1/2-1 favorite for the return fight.

Brief Career

Machen, at 25, has climbed to No. 2 ranking among heavyweight contenders in a brief career that includes 20 victories in as many fights, 14 of them by knockouts.

For Maxim, the return match represented a last chance to earn one more big purse before he calls it quits on a 22-year career. He and Manager Jack Kearns figure that a victory over Machen would earn Maxim a title bout with Floyd Patterson and a probable payoff of about \$100,000.

Gen. Duke Still Doubtful Starter in Kentucky Derby

By RAY AYRES

Louisville, Ky.—(U.P.)—Wearing a special shoe on his bruised left front foot, Calumet Farm's Gen. Duke faced a workout at Churchill Downs today to determine if he is fit to race in Saturday's 83rd edition of the Kentucky Derby.

Nine other three-year-olds, including Gen. Duke's stablemate, Iron Liege, were entered Thursday for America's premier horse race, but the real drama was unfolding in barn 15 at the famed Downs.

Quartered there was "The Duke," who until last Tuesday was the heavy favorite for the Derby. However, he came back to the barn after finishing second in the Derby Trial with a sore foot, thereby turning Saturday's classic into a wide open race.

Trouble Not Located

Ben Jones, the trainer emeritus of Calumet Farm who already has saddled six Derby winners, admitted he has been unable to locate the trouble spot. But he decided late Thursday to "take him on the racetrack and see if he can run."

However, even if Gen. Duke passes today's test, Jones indicated he may not decide definitely on whether to start the colt in the Derby until the absolute deadline—45 minutes before Derby post time.

Cautious optimism was the keynote at the barns of the other trainers in comparison to the mantle of gloom hanging over the Calumet Farm "infirmary."

Jim Fitzsimmons had high hopes of winning the Kentucky Derby for the fourth time with Bold Ruler, now the favorite for the mile and one-quarter classic.

Johny Nerud, trainer of Ralph Dowe's Gallant Man who has gained so much local support he may wind up second choice, was highly pleased with the condition of the colt.

And so it went along shed row. The other trainers were convinced their horses were at their best and just as certain there was a tough horse race ahead of them—so tough the winner may have to break Whirlaway's 2:01 2/5 track record to take the winner's purse of \$109,200.

The decision of Arthur Maxwell

There once was an intelligent young man named Arthur Maxwell. He thought he would like to "step up" to a "medium-priced" car. So he went and looked at a model just "a few dollars more" than a Ford. At first glance it looked good. But when he got inside the car he exclaimed, "No radio? No heater? No automatic transmission? You call this *Luxury*?" He soon saw that a **MEDIUM-PRICED** car with equipment he wanted became a **HIGH-PRICED** car. So, being an intelligent young man he dashed off to his Ford Dealer and bought a *Ford Fairlane*—the true luxury car in the low-price field—with all the equipment he wanted, for *less money* than the stripped-down model he thought he wanted.

Why don't you do as Arthur did?

The luxurious *Ford Fairlane*, loaded with all this wanted equipment:
★ V-8 engine ★ Fordomatic ★ Radio ★ Heater ★ Whitewall Tires ★ Two-tone paint

PLUS Turn Signals, Safety Package (Lifeguard deep-center steering wheel, Lifeguard door locks, Sunburn Wheel Covers, Electric Clock) FOR LESS THAN A STRIPPED-DOWN MEDIUM-PRICED CAR!

Ford prices are lower . . . Ford trades are higher
