This substance is now available in suppository or ointment form under the name of Preparation H®. Ask for it at all drug counters—money back guarantee.

Show Off Those Family Photos!

FAMILY portraits deserve a better fate than the oblivion of an album. That's why it's smart to display them throughout the house—even in kitchens and dressing rooms.

One attractive idea is to mount photographs on plywood frames outlining windows or doorways. Another calls for relating pictures to some specific feature in a room (as the children's likenesses arranged above towel racks).

Using photographs in a decorative way adds an element of warmth and personalized charm to almost any setting.

Bright idea!

Fresh lemon in frozen orange juice!

Frozen orange juice can be pretty humdrum and taste as pale as it looks. Add a "magic" squeeze of fresh lemon and ordinary frozen orange juice becomes bright and bracing—all perked up with a fresher, brisker taste. New idea. Good idea. Surprise your sleepyheads at breakfast tomorrow.
