

Milwaukee, Sox Have Good Starts

By MILTON RICHMAN
United Press Sports Writer

The Chicago White Sox and Milwaukee Braves are off to their best starts in history and while neither has begun printing World Series tickets yet, both appear to be settling down to a long, cozy stay in first place.

The White Sox reeled off their 11th victory in 13 games and their fifth in a row by licking Washington, 11-6 Friday. Best previous start by a White Sox club was 10 out of 13 way back in 1920.

And the Braves made it 12 victories in 14 starts with an 11-inning 8-7 decision over the Pirates Friday night. Up to now, the best season's start by any Milwaukee club was nine out of 12 last year.

Brooklyn remained two games behind the pace-setting Braves by beating St. Louis, 6-0, at Jersey City Friday night, while Cincinnati defeated the Giants, 11-10, and the Phillies handed the Cubs their eighth straight defeat, 9-4.

Yanks Beat A's

The Yankees stayed within 2½ games of the first-place White Sox with an 8-5 decision over the Athletics in the American League, while Detroit blanked Boston, 6-0. Inclement weather caused postponement of the Baltimore-Cleveland game.

LT. GEN. F. L. PARKS Rifle Executive Coming

NRA Official To Be Here On Tuesday

National Rifle Association of America members of southern Oregon and northern California will meet with their national executive director at Phoenix on Tuesday evening, May 7.

He is Lt. Gen. Floyd L. Parks, Ret., former Department of the Army chief of information. General Parks will come here with Col. E. F. (Tod) Sloan, San Carlos, Calif., western representative of the NRA.

The meeting will be at 8 p.m. at the Phoenix Community hall. Members of the NRA from as far south in California as Willows and from such Oregon points as Roseburg, Coos Bay, Bend and Klamath Falls have been invited to the session.

General Parks accepted the NRA post a year ago after 38 years of military service. He was commander of the 2nd Army just prior to retirement. Twice appointed chief of the War Department's information division, his title became chief of information on reorganization of the Department of the Army. He also has served as deputy commander of the Army in the Pacific.

During World War II Parks was ground forces chief of staff of the 1st Allied Airborne Army. When the war ended he became commanding general of the U.S. 1st Airborne Army and of the United States sector, Berlin district.

Being designated chief commander of the Kommandatura shortly after his first meeting, he was responsible for the inauguration of policies and procedures which materially aided in fostering cordial relations between the several occupation forces concerned thereby speeding matters of administration and supply so that in a relatively short period an utterly devastated metropolitan was able to resume operation of essential civil government, police and public utilities.

He has received numerous decorations including the distinguished service medal with oak leaf cluster.

VICKS VICTORS
Monmouth — (U.P.) — Portland Sta 8 trounced Oregon College of Education, 16½-1½, in a dual golf match Friday at the Salem Golf Club.

SEATTLE HALTS PILOTS
Portland — (U.P.) — Seattle University ended University of Portland's seven-game winning streak with a 6-2 victory over the Pilots here Friday in the first game of a baseball double-header. The Pilots came back, however, in the second game to wallop the Chieftains, 10-1.

NO FLATS
Muskegon, Mich. — (U.P.) — The Muskegon Civil Service Commission's physical requirements for rookie policemen will bar recruits with flat feet. The department waived the ban on flat feet during recent years because of a manpower shortage.

Wall Takes Golf Lead; Littler Second

Fort Worth, Tex. — (U.P.) — Slender Art Wall pulled his game together after soaring three over par on the first four holes to post a 37-35-72 and take over undisputed lead at the half-way mark of the Colonial National invitation tournament with a 140 Saturday.

Wall, who shared the lead with little Gene Littler of Singing Hills, Calif., with identical 68s after Thursday's opening round, had to fight a wind-blown heavy drizzle—the 17th straight day of rain here—in moving two strokes out in front.

Littler, who holed only one good putt all afternoon, missed seven greens and took six fat bogeys in skidding to a 36-38-74 that left him at 142 with the final 36 holes due to be crammed into what promises to be another cool, gusty, rainy day Sunday.

Harvie Ward, the National Amateur titlist from San Francisco, missed the first seven greens and three others on the back side, but sank birdie putts of 35 and 20 feet and blasted 60 feet out of a trap for three straight birdies starting with the eighth hole to finish with a 37-36-73 that put him in the 143 category.

Mike Souchak, the defending champ from Grossingers, N.Y., had a 35-38-73 to put him in the same bracket.

KEN CARPENTER SIGNS
Regina, Sask. — (U.P.) — The Saskatchewan Roughriders announced today that Ken Carpenter, 6-foot, 1-inch, 205-pound half has signed with them for the 1937 season. Carpenter was voted the most valuable player in the conference in 1935.

Advice Ups Bat Average

New York — (U.P.) — Don Hoak of the Cincinnati Redlegs, with all his old hustle and a league-leading .396 batting average to boot, is thankful he headed manager Birdie Tebbett's advice to "stop trying to hit like a big man."

Tebbett convinced Hoak in spring training that he should cut down on his swing and shoot for singles and doubles instead of making those futile lunges for home runs which seldom came.

Hoak took Birdie's advice and switched to a new batting stance which he credits for his excellent season's start.

Figures bear out Hoak's success with his new stance. His 19 hits include two home runs and five doubles, he has driven in 13 runs, he's walked 13 times and struck out only five times.

LINFIELD TAKES MEET
McMinnville — (U.P.) — Linfield defeated Lewis and Clark, 76-54, here Friday in a Northwest Conference dual track and field meet. The loss ended a string of dual meet victories for the Pioneers.
