JACKSONVILLE
Myrtlewood Shop Opens

By MRS. C. S. HOSKINS
Jacksonville—A new business opening in Jacksonville last week was the Jacksonville myrtlewood shop, at Fourth and East California street, which is the former location of the Jacksonville Clothing store.

The proprietor, Walt McGuire, has on display a large assortment of handmade myrtlewood household articles such as lamps, lazy susans, cake plates, wall plaques, candle sticks and salt and pepper sets. He plans to keep the shop open for born buying and 'looking' every day including Sunday.

McGuire was formerly in business in Eugene, and stated that he has several hundred feet of cured wood which he brought with him. The wood requires a year to each half inch of thickness to be properly dried, he said. His workshop and equipment for turning out the articles is in the back of his display room. He does all his own work and designing.

According to McGuire the Myrtle is one of the most beautiful evergreen and is found only in Coos, Curry and a portion of Douglas counties in southwestern Oregon and in the Holyland. The tree is round-topped, with a dark green foliage reaching a height of from fifty to eighty feet during its lifetime of from 250 to 500 years. The average-sized tree used in the manufacturing of novelties is about two feet thick. Some few of the old trees are from six to seven feet in diameter. Its leaves are thick and glossy, smooth on the edge and very aromatic when crushed.

Myrtle is a hard wood and has one of the greatest color ranges to be found in any wood. It varies from light tan to deep golden brown and from shades of gray to almost black and oftentimes with the various hues of the rainbow intermingling. Many of the articles on display in his shop show the proof of this. His collection includes small myrtlewood gold pans and picks. That will be sold as souvenirs of Jacksonville.

McGuire also has living quarters in the back of his shop, and Mr. and Mrs. Vern McGuire and family, of Eugene, were recent visitors at his home.

Another shop opening in Jacksonville last week was Dick's barber shop on West California street. R. A. Steele, the proprietor, and his wife and daughter, Glenda Joy, a fifth grader, will move to Jacksonville from Medford as soon as school is out. Steele will have the shop open five days a week, from 9 a.m. until 6 p.m.

Mr. and Mrs. Richard O'Connor and son, Ronald, of Cammeron, Wisc., were visitors at the David O'Connor home last week. The two O'Connors are brothers. Accompanying them was O'Connor's brother-in-law, Leonard Seymore, of Bay City, Wisc.

David O'Connor has reported back to work at the Medford Corporation after having recovered from the automobile accident he was in last September.

Mrs. Robert Morgan, of 1021 South Third street, is the new

Avon representative in this area.

Robert Hunnicutt of Sterling creek road recently left for the veteran's hospital in Portland, where he will receive medical attention.

Miss Charleen Gordon, daughter of Mr. and Mrs. Donald Gordon, was honored on her seventh birthday with a party at her home Friday afternoon, April 26. Guests present were Danny, Billie, Linda and Janey Hinkle, Pammy, Larry and Jerry Fox, Shawnee Saltmarsh and Billie and Carol Gordon, Charleen's brother and sister.

Assisting Mrs. Gordon with the party were Mrs. Ed Hinkle, Mrs. Ernie Hinkle and Mrs. William Moore, of Medford.

Mrs. Fred Edens is home again after a stay in the hospital last week.

Jacksonville sixth grade Girl Scout troop No. 168 held a folk dancing party recently at the home of Mr. Francis Kronin on Military road. Kronin has been instructing the girls and taught them four square dances. Eight girls attended with their invited escorts.

After the lessons were over the group was entertained at the Pete Zimmerman home where refreshments prepared by the scout troop were served. While working to earn their folk dancing badges, the girls have also attended the lessons given by Kronin at the Moose hall.

Mrs. Mary Sullinger of Jacksonville High school has also assisted the girls in earning their folk dancing badges. Girls belonging to the sixth grade troop are Mary Heyeman, Cora Bell Raveron, Sherry Smets, Mary Music, Melba Graham, Beatrice Rasmussen, Pat Clay, Bonnie

Brindley and Nancy Zimmerman.

Russell McIntire, Jacksonville volunteer fireman who was injured Monday evening when the historic Britt home burned, was able to come home from the hospital Thursday afternoon. His foot will be in a cast for several weeks and it will be necessary for him to use crutches.

Mrs. Bryon Sanford, of the Applegate, was a Jacksonville visitor at the Earnest McIntire's Thursday.

This correspondent's new

phone number is TW 9-1209.

Mr. and Mrs. Bill Clemmer and their daughter, Mrs. Charles McCormick and children Dick and Rhonda, returned Thursday from a trip to Hanford, Calif., where they attended memorial services for Clemmer's mother, Mrs. Minaie Clemmer. Burial services were to be held later in Kansas.

Police Chief Frank Carter announced this week that if enough interest is shown, a local adult Red Cross first aid course will be given here in the near future. Anyone interested

is to see Carter or call him at TW 9-1231 immediately, so plans for the course can be arranged.

Mr. and Mrs. John R. Hamaker, and two children, spent last weekend in Horse creek, Calif., visiting the Jesse V. Hamakers.

Mrs. Bernice Janosky recently returned from a ten-day trip to California. She flew by Southwest airways to Santa Monica to visit at the home of her son and family. Mr. and Mrs. Harold Godley. While there the Godleys took her to visit various points of interest such as Disneyland,

Head of South Viet Nam
Will Visit Eisenhower

Honolulu — (U.P.) — President Ngo Dinh Diem of South Viet Nam boards President Eisenhower's plane, Columbine III, today en route to Washington as the guest of the President.

Diem arrived here Sunday by chartered plane and was accorded full military honors by the combined armed services including a 21-gun salute.

The Low Cost Way To Sell

May is the Month

TO GET YOUR BEST DEAL ON

MERCURY / 57

This month, your Mercury dealer is kicking off the biggest selling season in his history. You gain two ways. First, your trade-in car is worth more now than it will be later on. Second, your dealer now has his year's largest stock, allowing high volume, low margin trading. Result: your new Mercury will cost you less now than it will later in the year.

Beyond these economic facts, there's the fun and pride of owning this most advanced of current models while it is still new, still an eye-catcher wherever it goes. A visit to your dealer will prove that Mercury is the top value in its field. See him soon.

See how Mercury stacks up!

Contrast Mercury/57's size, comfort, power and features with anything in its price class—say Car "B" and Car "O." Mercury is inches bigger, inside and out, the largest size increase in the industry. Only Mercury has a full range of engines with more horsepower per pound. And only Mercury gives you features like Keyboard Control, Floating Ride, optional dual headlights. See why Mercury/57 is the most-for-the-money car.
