Ducks Boost Lead in ND

Eugene — (U.P.) — Oregon's Ducks had a comfortable 2½ game lead in the Northern Division baseball race today.

Ashland — Southern Oregon college will try for further gain in the Oregon Collegiate conference baseball race Tuesday.

The Raiders will be host to Oregon Technical institute for an afternoon engagement here. SOC has two previous lopsided triumphs over the Owls.

Hart Lopsided Bout Favorite

New York — (U.P.) — Tonight's TV fight between Garner (Sugar) Hart and Al (Sugart) Wilson at St. Nicholas arena sounds like a sweet one, but the odds-makers rate young Hart a lopsided favorite at 17-5.

Welterweight Hart, Philadelphia 21-year-old knockout specialist, is heavily favored because of his punch over 31-year-old Wilson of Englewood, N.J., who hasn't had a bout in nearly five months.

ROBINSON INJURED

Pittsburgh — (U.P.) — Frank Robinson, Cincinnati Redleg left fielder, had to leave Sunday's second game against the Pittsburgh Pirates after striking his head against the wall while trying to field Frank Thomas' double. Robinson was expected to be ready to play at Brooklyn Tuesday night.

Good Horse, Luck Needed For Derby

Editor's note: In the following dispatch written for the United Press by Ben A. Jones, the general manager of Calumet Farm's racing stable discusses Calumet's Kentucky Derby victory with Iron Liege last Saturday.

By BEN A. JONES (Written for the United Press) Louisville, Ky.—(U.P.)—Well, I guess you know all of us at Calumet are feeling pretty good today.

It was a bit disappointing last week when Gen. Duke pulled up sore and then we had to take him out of the Derby. Of course, we just had to go and do the best we could with Iron Liege, and you'd have to say he did fine.

We feel this is really quite a great victory for us, because we had to string along with our second-best horse and he won it. Should Have Been Length

As a matter of fact, he should have won by a length instead of a nose, but you don't hear much about the trouble he had—just about the trouble Gallant Man had.

Our horse ran into trouble at the three-eighths pole when he was moving up inside Federal Hill and Federal Hill moved over on him.

Willie Hartack had to pull him up and come around on the outside.

He would have won by daylight if that hadn't happened.

People sometimes ask me what is the secret of winning the Kentucky Derby. Well, there isn't any secret at all. You need the best horse to win; then you take care of him, and have some luck.

Betsy Captures Own Tournament

Spartanburg, S.C. — (U.P.) — The citizens of this peach-growing center set up a tournament five years ago for hometown golfer star Betsy Rawls and now it looks as if the veteran pro is on her way to taking permanent possession of the affair.

Miss Rawls won her second straight Betsy Rawls-Peach Blossom title Sunday with a 213 for the 54-hole tourney, a stroke ahead of Betty Dodd of Louisville, Ky., who battled the eventual victor right down to the end.

In third place was Marlene Bauer Hagge, Dallas, Tex., with 216, followed by Betty Hicks, Long Beach, Calif., and Mary Lena Faulk, Thomasville, Ga., 218.

Linfield Nabs Doubleheader

Linfield's Wildcats were making title noises again today in the Northwest conference baseball race after a pair of wins over Lewis and Clark Saturday.

The 11-6 and 3-0 victories put Linfield in a third place tie with Lewis and Clark, a game and a half back of league-leading College of Idaho.

In other action, Willamette downed Pacific 6-2 to take over second place, a game back of the leader.

Elkins Wiretap Trial Resumes As State Courts Push Vice Probe

Portland — (U.P.) — The federal wiretap trial of racketeer James B. Elkins and his employee, Raymond Clark, resumed today while proceedings connected with the Portland vice probe also were scheduled in state courts.

The Elkins-Clark trial was in its fourth week. The government already had called 20 witnesses to the stand.

Circuit Judge Charles Redding asked assistant attorneys general who had been directing the vice-probing county grand

jury to submit an order for dismissal of the jurors unless there was some good cause for retaining them. The jury last Friday evening turned in a lengthy report. It also returned 69 indictments against 20 persons.

Langley Hearing Scheduled

An afternoon hearing was scheduled for District Attorney William Langley who was convicted April 13 on a misdemeanor charge of neglect of duty. The hearing was on whether sentence which includes removal from office should be stayed while the case is appealed.

In Salem, the Senate Judiciary committee, headed by Sen. Warren Gill, Lebanon Republican, scheduled another hearing Tuesday evening to seek information about possible revision of laws relating to grand juries. Gill has indicated he is considering broadening the committee's investigation.

The grand jury report was critical of Attorney General Robert Y. Thornton.

Thornton Saturday issued a statement which said in part: "Disagreement which developed between myself and two

members of my staff who worked with the present grand jury involving differing interpretations of the criminal laws as well as differing evaluations of the evidence presented to the grand jury. These questions will shortly be resolved in the courts in the forthcoming trials . . .

Avoids Controversy

"Since these questions involve pending cases, it would not, in my judgment, be proper to enter into any public controversy on these questions. All of these issues are now committed to the exclusive jurisdiction of the courts of our state. I hope for a speedy determination."

Thornton did not name the two staff members.

Gov. Holmes said he had "no legal power to supersede or replace" Thornton in the vice probe as recommended by the grand jury.

California Lawyer Upheld by High Court

Washington — (U.P.) — The Supreme Court today ruled in favor of Raphael Konigsberg, former Los Angeles social worker who was denied admission to practice before the California Bar on Communist grounds.

Rules of the California Bar require that an applicant be of good moral character and that he not advocate the violent overthrow of the government. The State Committee of Bar Examiners held Konigsberg had failed in both tests.

In a 5 to 3 ruling today the court said "a bar composed of lawyers of good character is a worthy objective but it is unnecessary to sacrifice vital freedoms in order to obtain that goal." Justice Charles E. Whitaker did not take part.
