By MRS. CLYDE KELL  
Gold Hill — Over 20 young people have registered in the recently organized tennis club for grade school students of the Hanby school. The club will be under the leadership of Jose Corona of Gold Hill, who will be assisted by Mrs. John A. Jaksch of the Old Stage road, and Mrs. Al Beman, who lives on Highway 99 North.

There are three classes. The advanced classes are held each Tuesday evening from 6 until 9 p.m. The intermediate classes are taught on Thursday evenings from 6 until 9 p.m., and the beginners from 10 to 12 noon Saturday mornings.

Those participating will be required to have their own tennis rackets. There is no charge for the tennis lessons. Corona is also teaching tennis classes for high school students at Crater High school.

Further information may be obtained by contacting Corona, Mrs. Jaksch or Mrs. Al Beman. Corona was born in Monterey, Mexico, and attended the University of Mexico, where he was a star tennis player for the university team. He has participated in professional tournament games in both the United States and Mexico. He and Mrs. Corona came to Gold Hill two years ago. They have six children and he is employer at Ross Lumber co. in Medford.

A. Allan Franke, deputy district attorney of Jackson county talked to 32 boys at the last meeting of the Gold Hill Junior police, Thursday evening, May 2. His subject was on the court procedure of law enforcement.

If the same person violates the law the third time, he will be taken before the Gold Hill city council for sentence.
