

### USC Favorite In PCC Meet At Eugene

Eugene — (U.P.) — UCLA and Southern California will be favored Friday and Saturday in the 28th annual Pacific Coast Conference track and field championships at Hayward field.

Competition starts Friday afternoon with preliminary events in the sprints, hurdles and four of the six field events.

A crowd of 8000 is expected to the finals on Saturday. UCLA won the title last year at Berkeley, edging Southern California.

**By UNITED PRESS**  
The University of Oregon for the fourth straight year is the best of field in Northern division track.

The Ducks, led by versatile sophomore Steve Anderson's 16 points, took the five-way Northern Division meet at Pullman Saturday, nearly running away from the four other division schools.

Oregon had 72 1/2 points. Washington was next with 42 1/2, Washington State was third with 28, Oregon State got 12 and Idaho finished up with eight. Four records were topped during the afternoon.

The talented Anderson won the 100-yard dash in 9.8 seconds, ran a 21-second 220 and was second in the javelin and broad jump to lead individual scorers.

**Morris Takes Hurdles**  
Wayne Moss of Oregon State won the high jump with 6 feet 5 1/2 inches. Jack Morris of Oregon took the low hurdles in 22.3 seconds and was third in the 100; Jack Burg of Oregon won the pole vault with 14 feet 3 1/2 inches to break the Northern Division record of 14 2 1/2 set in 1948 by George Rasmussen of Oregon; Jim Bailey of Oregon won the 880 but was second in the mile to teammate Jim Grelle.

Oregon's Mark Pedigo set a new Northern Division meet mark in the broad jump with 25 feet 2 1/2 inches. Ed Bingham of Oregon won the javelin with a toss of 206 feet 1/2 inch.

**HONK HONK HONK**  
Los Angeles — (U.P.) — Traffic was tied up at a San Fernando Valley intersection Sunday when four geese stood honking at automobile drivers who could do nothing but toot back. A policeman who rounded up the flock and got a nipped hand doing it swore that if someone doesn't show up soon to claim them the geese's goose will be cooked.

**TO BROADCAST PREAKNESS**  
Baltimore — (U.P.) — Next Saturday's Preakness Stakes will be broadcast and televised by CBS from 5:30 to p.m. (EDT).

### Grange Notes

**Pomona Grange**  
There will be practice Wednesday, May 15, at the Central Point Grange hall for fifth degree work. It is important that all officers of the Pomona Grange be present for this rehearsal, which will begin promptly at 8 p.m.

**Griffin Creek Grange**  
Griffin Creek Grange met in regular session May 9. Three officers were absent. Minutes were read and approved and Mr. and Mrs. Douglas McKee and Mr. and Mrs. Richard McKee asked to be dropped from the roll as they have moved from the area.

Maryl Buchanan gave a report on atomic fall-out, taken from a talk given by Major Hargreaves. She said this fall-out could mean severe illness but not necessarily death.

**HEC chairman Eva Farnsworth** reported on returns from the ham dinner and announced the next HEC meeting would be held at the home of Mrs. George Mero May 16 at 11:30 a.m. This will be a potluck lunch. Members are asked to bring their favorite food dish.

Earl Croft of the Agriculture committee spoke of prospects of a short hay crop and told of the damage being done to the peach crop by curly leaf.

A letter was read by George Mero in regard to the Timber Catalano memorial fund and it was decided by a vote to donate \$25 to apply on an electrocardiac scope.

Roy and Isabel LeVander were elected as delegates to represent Griffin Creek Grange at the State Grange held at Bend. The men of the Grange put on a program in honor of the mothers and served the lunch of wieners and buns.

## SPORTS

### Southern Oregon Raiders Sweep Series At La Grande

**By UNITED PRESS**  
Southern Oregon swept a doubleheader from Eastern Oregon at La Grande Saturday to move just one game behind Oregon college in the OCC baseball race.

The Red Raiders won the second game 10-1 after an 11-5 decision in the opener. Portland State took three week end victories over Oregon Tech. The Vikings won a 4-3 decision in a game halted by darkness Friday and then took 5-4 and 11-1 wins.

OCE has a 9-1 record to 9-3 for SOC and 7-4 for Portland State. The Raiders haven't lost a game since the opening three defeats of conference play.

### Ducks Push Mark To 9-1

**By UNITED PRESS**  
Oregon's Ducks had a 9-1 record in Northern Division baseball play today giving Oregon State, with a 5-2 mark, a long way to go to catch up.

Oregon downed Washington State 8-5 in 11 innings at Pullman Saturday for its second in a row over the Cougars. Wimp Hastings hit a homer for the Ducks.

Oregon has Idaho and Washington to meet on its road trip yet while OSC opens a road trip this week, meeting Washington State Wednesday and Thursday and then playing Idaho and then Washington.

### Hanson Victor At Gatlinburg

Gatlinburg, Tenn. — (U.P.) — Pert and pony-tailed Beverly Hanson of Indio, Calif., subdued an "invincible" mountain course in winning the first annual Gatlinburg Women's Open golf tournament.

"I'm deliciously exhausted," the slender stylist with the golden putting touch remarked after coming in with a final round 76 and 72-hole total of 295 Sunday to pace all rivals by a gaping 10-stroke edge.

### Anderson Given Higdon Award

Eugene — (U.P.) — Steve Anderson, the sophomore track star from Tacoma who led Oregon to the Northern Division title Saturday, has been named as winner of the Doyle Higdon award, which goes annually to an outstanding sophomore.

### CRASH ROMANCE

Dorchester, England — (U.P.) — One of the nicest things that ever happened to Army Captain D. Edwards was that motorcycle crash last week. The crash sent Edwards skimming through a hedge and into Dorset County hospital. Not to mention into the arms of Joy Hamilton, his nurse, who he plans to marry as soon as he leaves the hospital.

### Chessman Appeals To Supreme Court

Washington — (U.P.) — Convicted author Caryl Chessman carried to the Supreme Court today his nine-year legal battle to escape execution in San Quentin's gas chamber.

The court gathered to hand down decisions first in some of the 61 cases now under advisement. Many of the cases involve important constitutional issues.

**WOMEN PROTEST**  
London — (U.P.) — Several hundred women, many of them pushing baby carriages, marched in a pouring rain Sunday to protest against nuclear tests. Many of the women carried banners calling on the government to outlaw nuclear weapons.

## Senator Urges Ike To Make Up Mind on Spending or Economy

**By RAYMOND LAHR**  
United Press Correspondent  
Washington — (U.P.) — Senate Democratic Leader Lyndon B. Johnson accused the Eisenhower administration today of speaking out of "both sides of its mouth" on spending.

He called on President Eisenhower to embrace publicly either the "spending wing" or "economy wing" of his administration so Congress will know what he wants it to do.

He added that the President's televised budget speech Tuesday night should show whether "he wants an economy administration."

The Texas Democrat loosed his new attack as the Senate prepared to take up this afternoon its first regular appropriation bill for the fiscal year beginning July 1. It was a House-approved measure carrying \$3,965,291,000 for the Treasury and Post Office departments.

The Senate Appropriations Committee recommended acceptance of the House figure which was \$80,364,000 below the administration request. The Senate's action will be considered a major test of its economy attitude toward other House budget cuts.

Johnson's criticism was contained in a statement quoting remarks of the President and other administration spokesmen.

**Scott Appeals To Senate**  
In other budget developments: — Sen. W. Kerr Scott (D-N.C.) appealed to the Senate to reverse the House action in killing funds for a federal flood insurance program. He said the government would save money in the long run by such a program because it eventually has to pay part of the cost of "natural disasters."

— A Democratic-controlled Senate committee recommended an "immediate and discriminating" cut in foreign aid gifts to free nations but warned that "indiscriminate" cuts would harm the nation's safety and world position. The special committee is headed by Sen. Theodore Francis Green (D-R.I.), also chairman of the Senate Foreign Relations Committee.

### Young Democrats Elect Officers

Albany, Ore. — (U.P.) — New officers for the Oregon Young Democrats elected over the week end here at their 26th annual convention are:

Bruce Bishop, president, Portland; Leo McClurg, Albany, vice president; Marilyn Smith, Portland, secretary-treasurer; Bernard Shevach and Mrs. Alice Corbett, both of Portland, national committeeman and committeewomen respectively.

Presidents were also elected for each of four Oregon congressional districts:

1st district, York Moore, St. Helens; 2nd district, Cyrus Pruitt, Albany; 3rd district, Fred Ewins, Portland; and 4th district, Mrs. Elaine Cahill, Albany.

Pruitt is serving by proxy for the 2nd district since no one was available in that district.

### Billy Mitchell Review Slated

Washington — (U.P.) — The Air Force has agreed to reopen this week the sensational 31-year-old court martial case of the late Gen. William L. (Billy) Mitchell, called by many of his admirers the "father of the U.S. Air Force."

A spokesman said the Air Force Corrections and Review Board will begin reviewing the case Tuesday.

Mitchell was court-martialed in 1926 by a board of nine Army generals following his vigorous fight to support his view that air power should be the first line of America's defense.

He was charged with insubordination after he had accused the Army of incompetency and inefficiency and urged creation of a separate air arm. Mitchell, who at the time of the case held the permanent rank of colonel, was suspended from his rank, command and duty and deprived of pay and allowances. President Coolidge modified the sentence to allow Mitchell half-pay.

Many of Mitchell's views were regarded as visionary at the time but later turned out to be correct. He was one of the first to say battleships could be bombed and sunk by aircraft. He also believed future wars would be decided in the air.

### Camp Fire Girls Trio's Conviction

Washington — (U.P.) — The Supreme Court today reversed the conviction of three persons found guilty of hiding Communist leader Robert G. Thompson in a California mountain cabin after he jumped bail in 1950.

The defendants were charged with assisting a federal officer in order to prevent his punishment. The court reversed their convictions, 6 to 2, on grounds that they were victims of an illegal search and seizure by Federal Bureau of Investigation agents. The defendants will now get a new trial.

The court rendered a short, unsigned opinion in the case, with Justices Harold H. Burton and Tom C. Clark dissenting. Justice Charles E. Whittaker did not participate.

The three are Mrs. Shirley Kremen, Samuel Irving Coleman and Sidney Steinberg. Thompson was convicted in 1949, along with 10 other high-level Communists, of conspiring to advocate the violent overthrow of the government. He fled, forfeiting \$20,000 bail, after the Supreme Court upheld the convictions.

### Three Injured In Car Accidents

A Medford couple and a three-year-old Central Point boy were injured in two separate accidents reported in Medford over the week end, according to city police.

William Thomas Whillock, 88, of 310 Vancouver ave., Medford, and his 75-year-old wife, suffered arm lacerations, other multiple bodily injuries and shock when the car in which they were riding struck a traffic light pole Sunday, police said. Mrs. Whillock was operator of the vehicle, it was reported.

The couple was taken to Rogue Valley hospital by Medford ambulance service. Hospital attendants said their condition this morning was "good." The accident occurred on East Main st. at Hawthorne ave.

Ronald James Christie, 3, son of Donald Lee Christie, 29, of route 1, box 515, Central Point, suffered cuts on his face Saturday when the car in which he was a passenger struck the rear of a car parked on North Riverside ave. between Jackson and Maple sts., police said. The boy's father was driver of the vehicle.

The boy was taken to Rogue Valley hospital by Medford ambulance service. He was released after treatment, according to hospital attendants. Christie suffered bruises but was not treated, police said.

Christie was cited for failure to maintain proper lookout, according to officers. Owner of the car struck by Christie was Walter Adolph Johnson, 713 North Riverside ave., Medford.

**SUBMITS LOW BID**  
Portland — (U.P.) — J. M. Stepmuller Jr., Eugene, has submitted the low bid of \$126,806 for construction of a concrete line channel for Amazon creek from the Lane county fairgrounds to the Charnelton street bridge in Eugene, the Corps of Engineers reported Saturday.

Visited during the day were the radiometallurgy laboratory, test and experimental pile units, meteorology stations, animal farm, aquatic biology facilities

## Reporters Get First Glimpse of Hanford Atomic Laboratories

Richland, Wash. — (U.P.) — Newsmen entered the government's Hanford works for the first time today to inspect laboratories supporting the manufacture of plutonium, atomic weapons and its nuclear powerhouses.

Until today the entire establishment, covering an area half the size of Rhode Island, has been off limits for reporters.

In recent years, the Atomic Energy commission has been declassifying many of its secrets as worldwide familiarity with atomic processes increased.

**Result Of Trend**  
The tour today and a similar one Thursday at the National Reactor Testing Station near Idaho Falls, Idaho, are a result of this trend toward less secrecy.

However, the actual reactors that produce the plutonium, the material presumably used as the "powder" in the A-bomb being tested in a new series scheduled to begin this week in Nevada, were still shielded from close-up views by correspondents.

These reactors are vital to the nation's nuclear program because their transmutation of uranium into the artificial element of plutonium, the available supply of fissionable fuel is tremendously increased.

Nearly 40 newspaper and radio newsmen were accredited for the tour. Photographers were permitted inside the Hanford works for two days last week and their pictures and film were to be released, with stories on the reporters' visit, late today.

Visited during the day were the radiometallurgy laboratory, test and experimental pile units, meteorology stations, animal farm, aquatic biology facilities

and various intricate research tools.

**Didn't Know Purpose**  
The Hanford works, strung along the banks of the Columbia river north and east of Richland, were originally constructed in 1944 and 1945 by more than 50,000 workers. Most of the construction employees did not know until A-bombs dropped on Japan in August of 1945 what the purpose of the \$350 million installation was.

### Merrill Man Dies In Jail at Tulelake

Tulelake, Calif. — (U.P.) — Tulelake authorities today planned to perform an autopsy on the body of a 36-year-old Merrill Ore. man who was found dead in his city jail cell Saturday.

Authorities said Donald S. Carson was booked earlier Saturday on a drunk and disorderly charge and apparently suffocated when a cigarette caused his bunk mattress to smolder.

Police said Carson listed his occupation as a Merrill store manager.

## MANPOWER FOR THE FUTURE

YOU CAN DO SOMETHING ABOUT IT NOW!

In every field of business, the demand for educated men and women grows bigger year by year. And the supply is already falling behind the demand.

As businesses grow more complex they need more intelligent employees at all levels—people who have learned to think—people with college degrees. The colleges are doing their best to turn out more educated men and women. But they are hampered by lack of funds. They not only need added physical capacity for the mounting pressure of applications. They need stronger, better-paid faculties. Businessmen who look ahead know they must give their aid now if they expect their manpower needs to be met in the future.

Help the colleges or universities of your choice. The returns will be greater than you think. If you want to know what the college crisis means to you, write for a free booklet to: HIGHER EDUCATION, Box 36, Times Square Station, New York 36, New York.
