

Area Students Are Named to PKP Group

Corvallis—Jerry Raymond Peterson of Medford and Benson Luke Foley of Central Point have been elected to membership in the Oregon State college chapter of Phi Kappa Phi, national honor society.

To qualify for membership, students must rank in the upper 10 per cent of their class scholastically. Membership includes faculty, graduates, and undergraduates of all departments of American universities and colleges.

Peterson, a junior majoring in chemical engineering, is the son of Mr. and Mrs. Harry O. Peterson, 1440 Whitman ave., Medford. Foley, a junior also in chemical engineering, is the son of Mr. and Mrs. William Foley, Rt. 1, Central Point.

Both students are 1954 graduates of Medford High school.

Legislature Briefs

Salem—The House passed a three-bill package permitting the Unemployment Compensation Commission to acquire land and build office buildings with unemployment trust funds.

Rep. Robert Duncan, Medford Democrat, said that only money actually in the fund up to \$1 million could be used. He said the buildings could be built in the Capitol Mall area or in other areas of the state where field offices were needed. The bills now go to the Senate.

Also passing were House bills appropriating money for a study of the Rogue River Basin by the State Water Resources Board and other agencies and a comprehensive study of the Alsea basin.

Salem—Pay hikes of up to \$3,000 for superintendents of state institutions and heads of

various boards and commissions were approved by the House 36-22 and sent to the Senate. The raises will cost some \$120,000. Also, as part of a program of general pay raises for state employees, the House approved hiking salaries for district attorneys.

Salem—A budget of \$571,000 for the State Board of Parole and Probation was approved by the House and sent to the Senate. If the bill creating a full-time parole board passed the Senate, the money can be transferred. The bill already has passed the House.

Salem—The Senate voted pay boosts for top elective officials, with the governor getting top state pay, \$17,500 plus \$400 a month for expenses.

Salem—The Senate passed a measure to set up an Oregon centennial commission.

Temperatures To Be Higher in Northwest

Washington—The Weather Bureau's 30-day outlook:

The period from mid-May to mid-June calls for temperatures to average below seasonal normals over most of the nation, except for above normal in the

Northwest and extreme South east.

This marks a major reversal from the unseasonable warmth which has prevailed over the eastern half of the country during the past 30 days.

Thursday, May 16, 1957

MEDFORD (OREGON) MAIL TRIBUNE—THREE

Precipitation is expected to equal or exceed normal over most areas, except for subnormal amounts along the West Coast and in the northern tier of states westward from the Great Lakes.

More than three million Americans live in mobile homes or house trailers. There are about 12,000 mobile home parks located in the U. S.

Approximately half of all the buses in the U.S. are school buses.

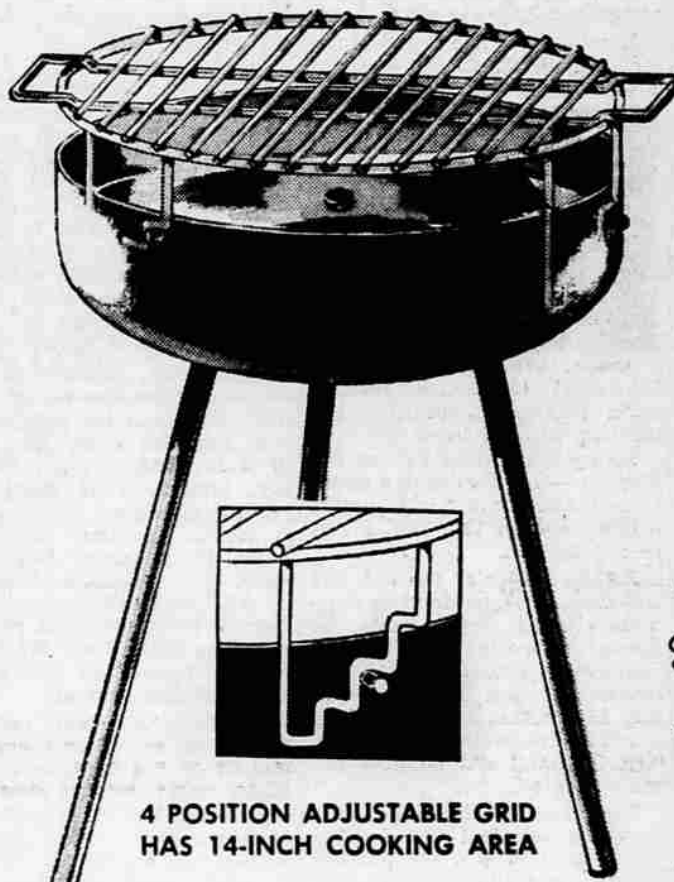

Lady bugs do not die at the end of the season like so many other insects, but hibernate for the winter.

Forests cover more than 30 per cent of the total area of the Saar region.
