Final Meeting Of Lincoln PTA Held at School

As a climax to a successful year, the final meeting of Lincoln Parent-Teacher association saw the "unveiling" of the school's new risers when the band and orchestra presented the program using the risers. Both musical organizations of the school presented several selections, the band under the direction of Mrs. Bartlett.

Officers for the coming year were installed by Mrs. John Benson, a past president of the Lincoln unit and past parliamentarian for the Oregon Congress of Parents and Teachers. Taking office were Ted McLean, president; Mrs. John Lusk, vice-president; Herbert Wing, secretary; Mrs. Virgil Stickley, treasurer. Retiring officers were John Weber, president; Mrs. Eric de Place, secretary; Mrs. Joe Jones, treasurer. Mr. Weber presented corsages to the installing officer and the officers who had served with him. A past president's pin was presented to Mr. Weber by Mrs. Jones.

Mr. McLean gave a brief report on the convention of the Oregon Congress of Parents and Teachers which he had attended.

It was announced that another musical instrument had been purchased for the band during this school year. This is a project that is continued each year. Mr. Weber thanked the members of his executive committee and the teachers for their support and participation during the activities of the past year.

Mrs. Austin Caldwell's cub scout den presented the colors. Room count was won by Mrs. Ethel Chastain's third grade.

Refreshments were served by members of the executive committee with Mrs. Don Moser, hospitality chairman, in charge.

New Feathercombs On Market Here

Medford women and girls who have been reading and hearing about the new grip tooth hair comb called "Feathercombs" will be interested to know that they have been secured by Mann's department store after a wait of several months.

The new combs are made of spring steel in different lengths and colors and have been praised by women and girls all over the United States for their usefulness. Tiny but strong, the new little combs can be used in many different ways in the hair and are practically invisible.

For the first eight months of manufacture, the combs were sold only at Marshall-Field stores, the firm having a monopoly. Later they were released to one large department store in each state.

Paul Schreiber, violinist-director, will conduct the program which the St. Louis Sinfonietta will present tonight at 8 o'clock in the Medford High school auditorium for Jackson County Civic Music association.

On Vacation

Mrs. George Distell left Medford Thursday for a short vacation at the Distell's cabin on the west fork of Trail creek. Accompanying her were her three grandchildren, Karen, Nola Lee and Steven Dyer.

They will return to Medford Tuesday when Mrs. Distell will resume her duties at Sacred Heart hospital.

Grange Dance

Roxy Ann Grange will sponsor a public square dance Saturday, May 18, at the Grange hall on Spring street. The dance will begin at 8:30 p.m. with Gordon Kershaw and Kenneth Howe calling. Potluck refreshments will be served.

A few grains of salt added to egg whites or cream speeds the whipping process.
