Salem — Tentative true cash values of railroads and other utilities assessed by the State Tax Commission have reached an all time high.

Persons With Indigestion, Ulcers Should Learn Causes of Ailments

By DELOS SMITH, United Press Science Editor, New York — Since people today are "tense from hurry, traffic and competition," it is no wonder there is so much indigestion and so many ulcers, said the professor of medicine and his assistants.

when the perfectionistic standards cannot be met. It used to be different with people, when "the individual had a job requiring individual skill. He had some security of self-owned or small industry, and a sense of being useful and needed in community life."

Osmon, were filling in medical men with the latest in the technical journal, "Post-graduate Medicine."
