

AFL-CIO HIGH COMMAND OUSTS BECK — Teamster Union Pres. Dave Beck passes under an exit sign as he arrives at the Washington headquarters of the AFL-CIO executive council for trial on charges of "bringing the labor movement into disrepute." The council found him "guilty as charged" by diverting Teamsters' dues into his own pockets and ousted him as an AFL-CIO vice president and executive council member.

White House Enters Dispute With Japan Over Soldier's Trial

Washington — The White House today stepped into a dispute over whether the United States or Japan should try an American soldier for the slaying of a Japanese woman.

Informed sources said a high-level decision could be expected soon.

The case has become a newspaper sensation in Japan where some elements demand the right to try Army Specialist 3-c William S. Girard of Ottawa, Ill. They contend that American refusal to turn Girard over to Japanese courts violates the U.S.-Japanese status of forces agreement and infringes on Japanese sovereignty.

Relations Worsened

State Department officials are concerned because the affair has

caused a worsening of Japanese-American relations on the eve of a visit to the United States by Japanese Premier Nobusuke Kishi. Kishi is due here June 19 for talks with Eisenhower and other officials.

Army Secretary Wilber M. Brucker was said to have raised the case at a meeting he attended Tuesday between President Eisenhower and Republican congressional leaders.

Brucker later discussed the matter with Secretary of State John Foster Dulles and other State Department officials. It was decided to ask Tokyo for more details.

The 23-year-old enlisted man is charged with having killed Mrs. Naka Sakai last January by firing an empty cartridge

Proposed Association Fails at Medford High

Because of a lack of parent support, the proposed Medford High parent-teacher-student association failed to win a majority vote to organize last night.

A total of 106 people out of a possible 1,000 students, 2,000 parents, and 50 teachers cast 50 votes for and 56 votes against forming a PTSA at Medford High school.

The meeting, held in the high school auditorium, was opened by Mrs. Leigh Gustison, first vice-president of the state Congress of Parent-Teacher associations. The motion to organize was called for and after parents and faculty hesitated, a student, Jacque Colton, made the motion.

James Johnston, MHS physics instructor, gave three reasons for teacher disapproval of the organization.

Among chief arguments against the proposal was that too many conflicting organizations exist in Medford now. A second point was that the PTSA movement was instigated and continued without proper explanation to or criticism from the Medford High faculty. The third and more important reason was poor support from parents shown by lack of parent attendance and previous indifference toward YMCA youth functions.

Little Girl Donates Eyes To Blind Person

Milwaukee, Wis. — Some one now living in darkness will see because of the dying wish of a little girl.

Kathleen Theresa Patton, 10, who died of leukemia at Milwaukee Monday, told her parents she wanted to donate her eyes to the blind. Her eyes were taken to Chicago's Cook County Hospital Tuesday where they will be used to bring light into the life of someone afflicted with blindness.

case from a grenade launcher while guarding a machine gun post at Camp Weir in Japan. The missile struck the woman in the back.

Said Warning Scavengers

Girard was reported to have been trying to warn shell scavengers away from the area.

The Japanese claim they have the right to try him on criminal charges under the status of forces agreement.

The Defense department at first agreed and then changed its mind. Secretary of Defense Charles E. Wilson last week ordered Girard retained in American military custody pending a "review" of the situation.

Grange Notes

Gold Hill Grange

The Gold Hill Grange met May 16 with a good attendance and all officers present. Business was conducted by master Hal Bishop.

Committee reports were given and new business for the good of the order was taken up. Charles Foote reported that the rain had slowed up the haying and Alva Walker reported that the new tax levy would put an added burden on people in the lower income tax brackets.

The Grange voted to send one of its juvenile members to summer camp this year.

The herb society offered to plant an herb on the grange grounds and grange members stated they would like to have a member of the society give a talk on the raising of herbs.

The lecture hour was spent in practicing the degree songs and drill. Degree work is coming up and persons wanting to enter the grange should make arrangements to do so at this time. The Gold Hill Grange is an active club, both in Grange matters and socially. The dances held Saturday nights are reported to be increasing in popularity each week.

The next serving committee will be Betty Malloy and Barbara Moser. Grange closed at 10:30 p.m. with the retiring drill.

Upper Rogue Grange

At the last meeting of the Upper Rogue Grange, Mr. and Mrs. C. R. Alexander of Medford entertained Grange members with several Hawaiian numbers played on steel guitars. In addition, Mrs. Lucille Worth sang several songs.

Following the entertainment, the Grange meeting was called to order by Master Caroline Harding. There were 27 visitors present, which included two state officers and three masters from other granges.

William Howes, state overseer, and Roscoe Roberts, state steward, were escorted to the master's station, as well as Al Sims, master of Roxy Ann Grange, Cyril Farnsworth, master of Griffen creek Grange and Dee Hendrickson, master of the Phoenix Grange. A short speech was given by each.

It was announced that May 19 has been set aside as "church" Sunday and members were urged to attend the church of their choice that day.

Refreshments were served after the business meeting by Bob and Marge Conger and Velda Barr. Visitors at the meeting also included members of Roxy Ann, Phoenix, Gold Hill and Griffin Creek Granges.

Dead line Sunday Classified is at noon Saturday.

COPS, NEWSMEN AGREE

Nicosia — Greek Cypriote newsman John Lemoniatas, 22, agreed today the police were correct when they arrested him as he sat in the press section of Nicosia Central Court Tuesday covering the murder trial of newsman Nicos Sampson. Lemoniatas escaped only last week from Paphos jail where he was being held on a forgery charge.
