

Dick Donovan Gives White Sox Win on One-Hit Game, NY Wins

BY UNITED PRESS
Dick Donovan pitched a one-hit game Saturday to lead the Chicago White Sox to a 4-0 victory over the Cleveland Indians, holding the White Sox first-place margin at three games.

The New York Yankees moved into a second-place tie with Cleveland by beating the Washington Senators, 8-1, behind a 13-hit attack and Baltimore, usually rather peaceful at bat, exploded for a 12-0 victory over the Boston Red Sox.

In the National league, the New York Giants edged Brooklyn 8-7; the Philadelphia Phils gave Pittsburgh its fifth straight defeat, 8-6, and Milwaukee using 21 players, rallied to nose out the Chicago Cubs, 7-6.

Robinson Spoils No-hitter
Detroit played at Kansas City and the St. Louis Cardinals at Cincinnati in night games.

Ed Robinson's double in the second inning spoiled Donovan's no-hitter, for a while threatened to spoil his whole game.

It came after a walk to Rocky Colvaio, and was followed by deliberate walk to Hal Naragon, but then Donovan resumed his mastery and retired 17 batters in a row before Naragon walked again in the eighth inning.

Bobby Shantz had an easy time getting his fourth victory as a Yankee pitcher. The Yanks got two runs in the first inning on Enos Slaughter's homer. Mickey Mantle and Bill Skowron also homered.

Barclay Leads Giants
The Orioles whacked Bob Porterfield for five hits and five runs in the first inning. Billy Loes then proceeded to pitch a five-hit game for Baltimore.

Curt Barclay, sixth Giant pitcher, earned the victory over the Dodgers with both arm and bat. He came into the game with the bases loaded in the eighth inning, permitted a sacrifice fly which tied the score at 7-7, and then struck out Duke Snider and made Carl Furillo ground out.

In the Giant ninth inning, Daryl Spencer and Whitey Lockman singled and Barclay slapped in the winning run.

The Phils won for the 10th time in their last 14 games on a steal of home by Chico Fernandez in the fourth inning, followed by Stan Lopata's two-run homer.

Milwaukee's victory, which moved it 1-1/2 games from first-place Cincinnati, was an uphill affair, coming after it once tallied by 5-1. The Braves clinched it in the eighth inning when Bill Bruton tripled Del Crandall

home, then scored on Hank Aaron's sacrifice fly.

Both Milwaukee and Chicago used six hurlers and the Braves cleared their bench of everyone except Danny O'Connell and three pitchers.

Campy Hits In Bum Win
By MILTON RICHMAN
United Press Sports Writer
Two long-time roommates, Roy Campanella and Don Newcombe, cooperated Friday to bring the Brooklyn Dodgers to within two games of first place.

Fresh from a five-game benching for weak hitting, Campanella returned to the lineup Friday night and blasted two homers to drive in four runs in a 6-0 victory over the New York Giants.

Newcombe struck out six, didn't walk a batter and scattered nine hits in pitching his sixth straight complete game and registering his fourth victory.

Campanella hit both his homers off loser Johnny Antonelli while Carl Furillo added another off Giant reliever Steve Ridzik.

The victory moved the Dodgers into a second-place tie with Milwaukee, two games behind the first-place Redlegs, who bowed to the Cardinals, 9-6, Friday night.

Reno, Nev., lies farther to the west than Los Angeles, California.

Trophy Winners Announced by Retriever Club
Kip, owned by Kenneth Denman, is repeat winner in the open all-age stake in the competition for Rogue Valley Retriever club trophies.

Gene Hunt's Rip took the qualifying stake laurels and Geno, owned by Hunt's wife, Noreen, captured the puppy trophy.

Last Sunday's trial was to have been the last in RVRC trophy contention but three dogs tied in the derby and arrangements are to be made for an elimination trial. Knotting in points were Dr. E. V. Meyerding's Muffin, Otto Lilya's Lady and Leonard Lilya's Imp.

In the open rivalry Kip nosed out Weldon Kline's Flash by one point.

Flash Takes Prize
Winners in the last picnic trial were Flash in the open, Rip in the qualifying, Dr. Charles Versteeg's Velvet in the derby and Mrs. Vera Lilya's Penny in the puppy stake.

Drawing attention at the trial was the work of the only golden retriever in the RVRC, Dr. E. L. Harlow's Joe. The dog was third in the open and second in the qualifying stake and its work was evidence of excellent handling and training.

Open results a week ago included Kip, second, and Smoke, owned by Hillman Miller, fourth. Smoke was third in the qualifying and Sky, owned by Wally Kerscher, fourth. Muffin was second in the derby, Imp was third and Leonard Nelson's Kara fourth.

In the puppy stake Dr. Don McGeary's Tina was second, Kline's Gay was third and Tom Rickard's Tuiker was fourth.

Baseball, Tennis Instruction Will Begin in June
Medford school district's summer baseball classes will be conducted from Monday, June 24, through Tuesday, Aug. 8, according to a bulletin from the city school administration.

Classes will be from 8:30 a.m. to noon Monday through Thursday each week. Lee Ragsdale will supervise the school. Instructors will be Alex McDonald, Frank Roelandt, Cliff McLean and John Kovenz.

Baseball instruction will be open to any boy living in the Medford school district who has reached his ninth birthday and who will not have graduated from high school prior to June 7 this year.

Tennis classes for both boys and girls are scheduled from Monday, June 17, through Friday July 19. Hours will be 7 a.m. to noon Monday through Friday. Warren Brenner will be in charge.

Registration Fee
A \$1 registration fee is asked for baseball registration. The same fee will be charged for tennis.

For the classes at the high school baseball field boys may register at any time during the program. Attendance is voluntary but youths are urged to attend regularly to get the most out of the instruction. Each boy is expected to furnish his own glove. Baseball shoes are optional. No boy should stay away, however, because he has no mitt. A few extra ones usually are available. Bats, balls and other special equipment will be provided by the school district.

Each boy will have the opportunity to play on a team. Players will be selected for games with other teams in the area.

Tennis class members are expected to bring their own rackets.

UCLA Alumni Group Asks School Withdraw From PCC

By BILL TYREE
Los Angeles — The UCLA Alumni association Saturday demanded that the board of regents of the statewide University of California withdraw the school from the Pacific Coast conference because "the PCC is no longer a sound conference of friendly members."

Cyril Nigg, president of the powerful alumni group, Friday in a meeting with the board of regents presented a formal motion requesting the authorization to pull UCLA out of the conference. The regents carefully sidestepped the motion

through a series of parliamentary procedures and wound up referring the matter to the education policy committee.

The fact that the regents did not take action on the motion one way or another indicated that they might be debating such a move but felt obligated to await a stand by the administration. Chairman Edwin W. Pauley assured the angered alumni that the board would take definite action on the proposal at its June 21 meeting in San Francisco.

Williams Hit For Shooting Park Pigeons
Boston — Boston Red Sox officials refused to comment Saturday on a report that Ted Williams may have been violating state laws by shooting down pigeons in Fenway park.

Williams, queried about the report in Baltimore before Saturday's game with the Orioles, snapped: "Hell, those were clay pigeons."

He refused to discuss the matter further. Manager Mike Higgins also declined to comment.

The Massachusetts Society for the Prevention of Cruelty to Animals entered the picture yesterday when a Boston newspaper reported that Williams had felled "30 to 40" pigeons with a shotgun while sitting in a chair by the bullpen when fans were out of the park.

The paper said club officials had assigned the sharp-hitting slugger the job of ridding the park of the pigeons and had a permit for him to shoot them.

But MSPCA chief prosecuting officer Herman N. Dean said he could find no record of any permit being issued. Dean said he would investigate the matter fully when the Red Sox return here Monday.

Red Sox owner Tom Yawkey and General Manager Joe Cronin could not be reached for comment. A Red Sox spokesman said there would be no statement at this time.

Al Besselink Leads Golfers
Kansas City, Mo. — Big Al Besselink, cocky New York professional with a velvet putting touch, mastered Hillcrest Country club's par 72 layout again Saturday for a five-under-par 67 and a 204 total at the 54-hole stage of the \$22,000 Kansas City open.

Besselink's hot tour put him six strokes ahead with 18 holes to play Sunday. He started the rounds two shots in front.

Defending champion Bo Winger, Odessa, Tex., moved into second place with a 210 total. He went out in par 36 and came back in 33 to clip three shots off standard for 69.

One stroke behind Winger was George Bayer, Los Angeles, former pro football player and golf long distance hitter, who fired the day's hottest round, a six under par 66. His card showed two eagles, four bogies, six birdies and six pars.
