Catfish Derby Scheduled in June

The 21st annual National Catfish Derby will be held at TouVelle state park on Father's Day, Sunday, June 16.

The Medford 20-30 club, sponsors of the National Catfish Derby, said prizes will be provided in contests other than fishing as has been the custom in recent years.

Members of the club explained the derby began in 1936 after an argument during a friendly snooker game between Frank Perl and the late Delroy Getchell as to who was the better fisherman. Later, Frank DeSouza and Kenneth Anthony "got into the act", and they, along with others, adjourned to Savage Rapids dam to prove their fishing ability.

After a few years, as the number of participants increased, the site was changed to Emigrant lake and the picnic and entertainment idea was promoted. In order to provide picnic and stage facilities, the derby is now held at TouVelle state park.

Club members said the public is invited to make the day an all-day picnic outing. For those wishing to attend for shorter periods, a concession stand will be set up for refreshments.

The Democratic candidates for President and vice president, respectively, in 1868 were Horatio Seymour of New York and Francis P. Blair of Missouri.
