She has studied at the University of Mexico in Mexico City, and with the Ballet Russe at Jacobs Pillow, University of the Dance in Lee, Massachusetts, with leading teachers in San Francisco and Hollywood, and also in Paris, France, where she studied ballet. For many years she has been active as board member of Cecchetti Council of America. As a teacher Colleen has 12 years of experience in Medford and her classes include study of tap, ballet, toe, acrobatic, modern jazz and ballroom, and baton. Studio staff includes—Mary Annette Rentz, Jack Rouhier and Pat Hilton.

We are especially grateful to Mr. Robert D. Hiatt, who designed our attractive new dance studio. Mr. Hiatt's artistic touch plus Contractor Harold W. Salter's fine construction have made the Colleen Hope Dance Studio one of the most unique and distinctive on the Pacific Coast.
