

**Baptists Optimistic After Convention; Gains are Reported**

Chicago—AP—The Southern Baptist Convention closed Friday night on an optimistic note with reports of a new church finance program and an outline of goals for the immediate future.

Baker James Cauthen, Richmond, Va., keynoted the final session with a plea for delegates to "go forth and lay hands to the gigantic task" of spreading Christianity throughout the world.

Cauthen said, however, that missionary work should begin at home or it would lose its effectiveness overseas.

He said that more than 8,500,000 persons are reported as members of Southern Baptist churches, an increase of 43.3 per cent recorded in the past 19 years.

Southern Baptist churches are now found in 42 states and number more than 31,000. Contributions last year totaled more than a million dollars a day for a grand total of 372 million dollars, he said.

He cited these figures as background for the ambitious goals the convention set for the Baptist Jubilee Advance, a celebration of the first 150 years of organized Baptist work on a national level in the United States and Canada.

The celebration is to be held from 1959 through 1964, with seven national Baptist bodies participating. The convention resolved to open 30,000 new churches by the end of Jubilee.

**PI May Abandon Show for 2 Years**

Portland—AP—The board of directors of the Pacific International Livestock Exposition here has disclosed its consideration of abandoning its annual show at the PI pavilion for two years.

Reason for the proposed moratorium on the famed exposition would be to allow renovation of the pavilion for the Oregon centennial to be held there in 1959.

The board considered it would be economically impractical to move the PI show to the state fairgrounds in Salem while the renovation is in progress and that a moratorium probably was the best solution.

The recent state legislature appropriated \$830,000 in state funds to rehabilitate the PI building for the centennial exposition and trade fair. The full-scale PI show would reopen in the refurbished setting in 1959 at conclusion of the state centennial, according to still tentative plans.

**Illinois Valley High Graduation Held**

Cave Junction—Fifty-three Illinois Valley High school seniors received their diplomas in graduation ceremonies held on the high school field Wednesday night.

"Changing Responsibilities in a Changing World" was the title of the address given by Dr. Harold V. McAbee, assistant superintendent of the Bethel district school in Eugene. He was principal at the local high school about five years ago.

Valedictory and salutatory addresses were given by Ronnie Rausch and Ray Brewer, top students of the 1957 class.

The processional and recessional were played by the Illinois Valley High school band, and the school chorus sang, "I believe."

Diplomas were presented by Casey Piller, past president of the Illinois Valley Lions club.

**Pilgrims Determine To Restore Marker**

Lidice, Ill.—AP—The advance guard of 400 pilgrims determined to restore a monument to the victims of a Nazi massacre arrived here Saturday.

National interest in the chipped and battered monument was awakened earlier this week by a United Press dispatch telling of a Czech immigrant who found the site cluttered and unkempt.

Members of the Chicago chapter of the Czechoslovak National council reacted to this information by deciding to send 400 pilgrims to the site, dedicated to the martyrs of Lidice, Czechoslovakia.

A re-dedication ceremony was to be held Sunday, after the advance guard tidies up.

The Czechoslovakia town was wiped out in retaliation for the killing of Jani Overlord Reinhard Heydrich by members of the underground. All 173 men in the town were lined up and machine-gunned.

Then the killers pushed women and children into houses and shops and set the buildings on fire.
