EMERGENCY MEETING—Pacific Coast League baseball officials are shown as they gathered in Sacramento, Calif., in an emergency meeting to discuss the proposed move of the Brooklyn Dodgers to Los Angeles and the New York Giants to San Francisco. The PCL wants the majors to help it stay in business if the Giants and Dodgers move west. Left to right: Fred David, Sacramento; Richard Walsh, Los Angeles; Cedric Tallis, Vancouver, B. C.; Ralph Kiner, San Diego; Robert Cobb, Hollywood; Leslie O'Connor, PCL Pres.; Jerry Donovan, San Francisco, and G. A. Kingsley, Portland.

Virginians Boost Lead

By UNITED PRESS

The Richmond Virginians today were rolling along with a three and one-half game lead atop the International League.

The Vues whipped second-place Toronto, 3-2 Tuesday night for their ninth victory in 10 starts. Jim Kite, who won only games for Denver all last year, picked up his fourth victory of the season.

Buffalo survived a ninth inning Miami rally to down the Marlins, 7-6. Karl Drews reserved credit for his third win in six decisions, although he needed help from Steve Nag, and Mike Kume. The victory enabled the third-place Bisons to stay within four and a half games of Richmond.

The Columbus Jets unleashing an eight-run sixth inning, outlasted Montreal, 10-8, in their battle for seventh place. Al Grunwald won his first game in relief while Fred Kipp, who started the season with the Brooklyn Dodgers, dropped his seventh straight decision.

Javana scored once in the 13th inning to defeat Rochester, 3-2, and move within a percentage point of the fifth-place Wings.

Athletics Send Boyer to Yanks

Kansas City, Mo.—Cletis Boyer, only bonus baby signed by the Athletics in Kansas City, was sent to the New York Yankees Tuesday night to complete the 13-player deal the clubs made Feb. 19.

The Yankees assigned the 20-year-old second baseman to their Binghamton, N.Y., farm club in the Class A Eastern league.

2 More Dodgers On Injury List

Brooklyn — Two more names were added to the Brooklyn Dodgers' "walking wounded" list today.

Sal Maglie was unable to pitch against the Chicago Cubs Tuesday night because of a bruised right thumb. Veteran catcher Roy Campanella started the game but had to leave in the third inning when he was hit in the left side by a pitch thrown by the Cubs' Dick Drott.

Shortstop PeeWee Reese still is nursing a torn muscle in his right side and is not expected to return to the lineup until the week end series with the St. Louis Cardinals.

USC Gridders Consider Canadian Loop Offers

Los Angeles — Three University of Southern California seniors, barred from college football by Pacific Coast conference edict, today were reported considering offers to play Canadian ball this fall.

Don Richman, SC publicity director, said halfback Ernie Zampese, fullback C. R. Roberts and center Karl Rubke, have been advised to put off signing with any Canadian club until late July.

SC coaches apparently told the athletes to delay signing in hopes that the PCC would relent on a rule imposed after the play-for-pay scandal.

SOLONS BUY NEAL—Sacramento, Calif. — The Sacramento Solons announced today the purchase of Lenny Neal, veteran Pacific Coast League catcher, from the Vancouver Mounties.

INTERFERENCE COSTS—Winnipeg — The Winnipeg Blue Bombers announced on Tuesday night they have received a cash settlement "in five figures" from the Cleveland Browns for "interference" in 1955 with Bobby Freeman, former Auburn quarterback. Jim Russell, president of the Western Football conference club, refused to divulge the exact amount of the settlement which was out of court after the Bombers threatened to sue the Browns for damage. But he indicated the sum bore a relationship to the \$32,000 loss the Bombers incurred in 1955.

Camp Whifers Face GP Club This Evening

Camp White — Hopes for a successful campaign for the Veterans Administration domiciliary-sponsored semi-pro baseball club are riding high after its first couple of encounters. Tonight the VAD gets its third chance to gain some idea of how its stacks up against a Rogue Valley league rival.

The Camp Whifers will be hosts to the Grants Pass Merchants at 8 p.m. While both clubs are members of the Rogue Valley league, tonight's game will be a non-counter.

Grants Pass is reported improved over early season but is shown to need reinforcement in the pitching department. Unless the staff has been bolstered, Don Jacobson is expected to start on the hill for the Merchants. He twirled with fair effectiveness, although in a losing cause with Cave Junction last Sunday and could give the VAD trouble. He was a winner last year for the GP nine.

NEW COACHES SELECTED FOR EAGLE POINT HIGH

Eagle Point — Three men have been hired to fill varsity coaching posts at Eagle Point High school.

Tom Van Etten, who tutored Monroe high to the state B gridiron championship last fall, will become head football and track coach. Superintendent of School Glenn Hale reported.

Kenneth Lee Cardon has been selected to coach basketball and assist in football and Gail Dean Schoppert will take the baseball helm.

Van Etten succeeds Stan Smith who resigned to accept the head grid coach job at Baker. Cardon and Schoppert will fill varsity

Drag Races This Sunday

Southern Oregon Timing association will hold its next drag race program this Sunday, June 9, at its Camp White strip.

Time trials will start at 10 a.m. and the first drags at 12:45 a.m.

SOTA has announced that a nominal admission charge will be made. It is hoped that the a wider, longer, smoother, safer drag strip in just a few seasons. President Jerry Lausman stated a new strip in the area should tend to bring in faster competition from California and other parts of Oregon.

Trophies will go to winners in all classes and will be awarded to the top eliminator and for the fastest time of the day.

Schrunk Attorney Replies To Charge In Misuse of Funds

Portland — Edwin D. Hicks, attorney for Mayor Terry Schrunk, today replied to charges made by state prosecutors that public funds were being misused to prepare Schrunk's defense on perjury and bribery charges.

Hicks said "The news release of the prosecution practically on the eve of the trial of our mayor, presents a challenge to the courts and the people of our state."

He added, "It would appear that wells of justice are being purposely and thoroughly poisoned."

Full Responsibility
Hicks released a statement in which he took full responsibility for conduct of Mayor Schrunk's defense and denied flatly the claims that public funds had been used.

The statement continued, "I want to further say that neither I nor Mayor Schrunk, nor any one connected with his defense, has any knowledge whatsoever of alleged attempts to rifle the prosecution's safe or to keep the prosecution under surveillance."

He said he resented deeply the implications contained in the news release by three assistant attorneys general.

Everyone Interviewed
The defense attorney said that in preparing his defense of charges that Mayor Schrunk accepted a bribe while sheriff of Multnomah county he had attempted to interview anyone with information about the case.

He explained that "since the prosecution in the past has overlooked no opportunity to charge intimidation and subornation of perjury, when a defense witness is questioned, I have deemed it advisable to conduct my interviews in the presence of an official court reporter."

Meanwhile, Clifford Bennett, 34, was ordered bound over to the grand jury on a charge that he tried to intimidate a witness who may appear against Schrunk.

Government Experts To Study Report on Smoking and Cancer

Washington — A government health spokesman said today the American Cancer Society's report linking cigarette smoking to death from many causes will be studied "closely" by government experts.

He told the United Press it is "very likely" the national institutes of health, an arm of the U.S. Public Health Service, will "make some evaluation" of the report although this may take "some time."

Already Under Study

The spokesman for the institutes said the question of possible links between smoking and cancer and other ailments is already under intensive government study.

One of the questions government health experts presumably are weighing is whether some form of public health program should be set up to deal with the problem of tobacco-health links.

The spokesman said the American Cancer Society's final report on its four-year study of 188,000 men, made public Tuesday follows "basically the same lines" as another report disclosed several weeks ago.

Other Ailments Linked

The previous report, made jointly by experts of the American Cancer Society, the American Heart association, the Na-

tional Heart Institute—the latter two government agencies—showed correlation only between cigarettes and lung cancer.

The Cancer Society's survey Tuesday reported not only a "spectacular relationship" between cigarette smoking and other ailments, principally the nation's No. 1 killer—coronary artery disease.

The names of those men who successfully complete the examination will be placed on an eligible list in the order of their grades and future appointments to the fire department will be made from this list.

Qualifications for applicants include high school education, good physical condition and age between 21 and 35 years. Working hours will be 24 hours on duty, followed by 24 hours off duty, and one additional 24 hours off in each two-week period.

Salary starts at \$300 per month and increases to \$315.00 after six months. There is opportunity for periodical advancement, it was reported.

Benefits with the fire department include pension plan and social security, paid vacations, sick leave with pay after 12 months and uniforms and equipment furnished.

Application blanks and complete information will be available at the office of the Fire Chief at the central fire station. Application forms must be completed and turned in to the office of the fire chief not later than 5 p.m. June 11, 1957.

Junior Certificates Awarded at Bend

Bend—Junior certificates have been awarded to 16 graduates of Central Oregon College here, enabling them to enroll for upper division work in any senior college.

The college was recently accepted by the Oregon Legislature as Oregon's first junior college. At the commencement convocation, Robert Chandler, publisher of the Bend Bulletin, was presented with a plaque in recognition of his efforts in behalf of the school at the recent legislative sessions.

In addition to the 16 junior certificates awarded, 10 nursing certificates were awarded to women completing the practical nursing course at the college.

LOGGER KILLED
Sweet Home—Austin Dean Vaughan, 25, a logger for the Willamette National Lumber Co. died Tuesday in a Eugene hospital after being injured by a falling limb in woods near Sweet Home.

SOLDIER DOESN'T RECOGNIZE WIFE

Hot Springs, Ark. — Specialist 3rd Class Havis W. Cherry sat up in his hospital bed Tuesday and looked at his Korean war bride, who had just ended a 9,000-mile journey to his bedside, "as if she were someone he had seen before."

Mrs. Tae Moon Cherry, 24, arrived in Hot Springs Tuesday after the American Red Cross sponsored her trip from Taegu, Korea, last week. Cherry was severely injured in an automobile accident near his Monticello, Ark., home May 15.

Mrs. Cherry and their one-year-old son Marvin spent about 10 minutes with Cherry Tuesday.

Col. Paul Kiehl, chief of surgery at the Army-Navy Hospital in Hot Springs, said Cherry sat up and stared at his wife "as if she were someone he had seen before."

"However," Kiehl said, "I don't think he actually knew her as his wife." Mrs. Cherry smiled and mopped her husband's brow. She spoke to him but his answers were not coherent.
