

Phillies Praised But Beaten By Cincinnati's Redlegs 4-2

By MILTON RICHMAN
United Press Sports Writer

Birdie Tebbetts likes to kill 'em with kindness, so first he says the Phillies can "go all the way" and then his Cincinnati Redlegs promptly go out and beat Philadelphia to move two games ahead again in the frantic National League pennant race.

That's the way it happened Wednesday night. Prior to the game, Tebbetts, that master psychologist, praised the Phillies to the skies, pointing out they might even win it all, especially now that they have a senorita such as Chico Fernandez at shortstop. So what happens?

Fernandez commits an 11th-inning error that helps the Redlegs to a 4-2 victory. Gil Bell started the 11th by being safe on Fernandez' bobble. With one out, pinch hitter Jerry Lynch lined an apparent single to center field but the ball took a bad hop past Richie Ashburn for three bases, scoring Bell. Roy McMillan singled home the second run of the inning off loser Dick Farrell and reliever Johnny Klippstein was credited with the triumph.

Dodgers Advance
Brooklyn took over second place by beating Chicago, 4-0, at Jersey City. St. Louis defeated Pittsburgh, 5-1, and Milwaukee nipped the New York Giants, 9-8.

The Chicago White Sox maintained their five-game lead in the American League with a 5-2 decision over the Boston Red Sox. The New York Yankees crushed the Cleveland Indians, 14-3; Detroit licked Washington, 3-2 in 11 innings, and Kansas City defeated Baltimore, 3-2.

Don Drysdale, the Dodgers' 20-year-old side-arm, set the Cubs down on five hits in pitching his first major league shut-out. Don Kaiser absorbed the loss.

The Cardinals hopped on Pirate starter Bob Friend for four runs in the first inning. Wally Moon homered while Lindy McDaniel snapped Pittsburgh's four-game winning streak by striking up only five hits while giving up eight.

Nine home runs were hit in the Braves' victory over the Giants, including a three-run homer by reliever Ernie Johnson, who was credited with the victory. Joe Adcock and Bobby Thomson also homered for Milwaukee while Red Schoendienst and Hank Sauer each hit two homers for the Giants and Willie Mays and Whitey Lockman one apiece.

Dick Donovan pitched the White Sox to their seventh victory in the last eight games by holding the Red Sox to eight hits. The White Sox went ahead to fifth with two runs in the fifth, Billy Klaus, error allowing one of the runs to score and Tom Brewer forcing in the other run when he walked Jim Landis with the bases full.

gun in the Yankee's triumph over the Indians as he drove in five runs with a pair of homers and a single. Mickey Mantle and Bill Skowron also homered in the Yankees' 16-hit attack on starter Early Wynn and three subsequent relievers. Bobby Shantz went all the way for his sixth victory although nicked for homers by Jim Hegon and Chico Carrasquel. The victory proved costly for the Yankees when catcher Yogi Berra suffered an apparent fractured nose during the second inning.

Al Kaline's double followed by Bill Tuttle's single gave the Tigers their extra-inning win over the Senators. Charley Maxwell homered in the eighth to give Detroit starter Frank Lary a 2-1 lead but Washington tied the score in the ninth. Paul Foytack was the winner and Camilo Pascual the loser, Eddie Yost homered for Washington.

Home runs by Gus Zernial and Lou Skizas provided the margin for Arnie Portocarrero to beat the Orioles, although Tom Morgan had to be summoned from the Kansas City bullpen in the eighth. Skizas' homer in the fourth proved the deciding walk-off for loser Ray Moore. Bob Nieman homered for Baltimore.

RVCC Crew Selected for Alderwood

Harry Millette, Leland Clark, Dom Provost Jr. and Ed Hall have qualified as the four man team which will represent Rogue Valley Country club this Saturday and Sunday in the Alderwood Invitational Golf tournament at Columbia-Edgewater links at Portland.

Alternates are Phil Getchell, Clayton Lewis and Del Berg. Millette was medalist in the Rogue Valley qualifying play with 72-71-143. Getchell followed with 74-70-144 but was listed as alternate because of a work conflict.

Clark recorded a 152, Provost a 155 and Hall a 157. Lewis and Berg each shot 163.

RVCC pro Al Williams has announced that qualifying play for the men's club championship tournament will run from Saturday, June 8, through Sunday, June 23.

Neither the defending champion, Justin Smith Jr., nor the 1956 runner-up, Bob Rector, will be in contention this year. Smith is in the Air Force in Alaska and Rector is now in Los Angeles.

The low 32 gross qualifiers will be in the championship flight with other flights of 16. There will be medals for gross and net medalists in qualifying.

Local linksmen have through Saturday, June 8, to enter National Golf day competition. Saturday is Golf day and Cary Middlecott and Kathy Cornelius, will play rounds on Saturday. Golfers throughout the country will try to beat the champs' gross nets with their own nets to gain "1 beat" medals. Entry fee is \$1 per round played, 25 cents for paddy. The funds collected go to golf charities.

Williams said that more men are needed for competition against Klamath Falls golfers this Sunday in a team match here. Twenty-three men already are listed. Williams reported that the Royal Oak invitational tournament list is filling up rapidly and advised RVCC members wanting to participate in the Vancouver, Wash., event to send in their entries immediately. The meet is June 14, 15 and 16. The pro also stated that a limited number of spots in the Oregon Golf association junior tournament have been reserved for RVCC players. Those interested in the tussle June 17-21 at Riverside club in Portland should let Williams know.

Ed Furgol Defending

Akron, Ohio — Defending champion Ed Furgol led a field of 130 professionals and amateurs today into the first round of the \$22,000 Rubber City Open golf tournament here.

Thirty of the top 50 money winners of the PGA circuit are entered in the event which is the final warmup for the National Open in Toledo, Ohio, next week.

The field will be pared to the low 80 shooters after the second round Friday and to the low 60 pros and low 10 amateurs for Sunday's final round.

Governor Not Opposed To Husky Stadium Use For Heavyweight Fight

Olympia — Gov. Albert D. Rosellini said Wednesday he would not object if the University of Washington board of regents decided to lease Husky stadium for a heavyweight championship fight.

He said "real consideration" should be given to a proposal by Jack Hurley, Seattle boxing promoter, to secure the 55,000-seat arena for a September defense of Floyd Patterson's title.

"The matter is for the regents to determine," Rosellini said. "If they saw fit to lease the stadium, I certainly would have no objection."

"I think we should have a facility in the state to take care of major sporting events. While I don't think it's the best type of practice, we should give real consideration to making the stadium available until we have a regular facility for this sort of thing."

Berra May Have Fractured Beak

Cleveland — The New York Yankees today faced the prospect of being without the services of catcher Yogi Berra for an indefinite period because of an apparent nose fracture he suffered against the Cleveland Indians Wednesday night.

X-rays pictures will be taken today of Berra's nose, club trainer Gus Mauch said.

"His nose is badly swollen," Mauch said, "but we are not sure exactly how serious the injury is."

Berra suffered the injury during the second inning of Wednesday night's game, which the Yankees won, 13-3.

A foul tip from the bat of Larry Raines of the Indians struck the bar on Berra's mask and the impact from the ball drove the bar of the mask against the Yankee catcher's nose.

DRAG RACERS TO VIE AGAIN—The group of drag racers, above, collected trophies at Southern Oregon Timing association's opening competition of the season. A good number of them are expected back when the SOTA conducts its second drags this Sunday at the Camp White strip. In the front row, left to right, are Monte Wray, Jack Hillberry, Jim Clark, Tom Alley, Dale McCay, Bob Ferns and Charles Beck. In the back row, from left, are Lou Wolfe, Howard Roberts, Larry Ryden, Bob Rudig, Bernie Miller, Arden Hildebrand, Charles Peer, Doug Pruitt and Homer Howell. The Rudig-Miller dragster with Miller at the wheel was top eliminator with a record time of 121.62 miles per hour two weeks ago and the two Grants Pads men have their sights on 130 mph. Time trials this Sunday will open at 10 a.m. and the first race is set for 12:45 p.m. There will be a small price for admission. Entries are anticipated in as many as 18 classifications. Trophies are to be given to top eliminator, for fast time and to class winners. That the hot rod drags are popular here is indicated by the 83 entries and estimated crowd of 3,000 spectators on hand for the opening race. The strip is in west Camp White and signs will mark the way out Crater Lake highway from the Y at the north edge of Medford.

Sacramento Starts Making Noise in PCL

By DON THACKREY
United Press Sports Writer

The Sacramento Solons, almost voiceless in the Pacific Coast league pennant race so far, were starting to make a little noise and it was the San Diego Padres that suffered the earache.

The Solons won their second game in a row from the Padres Wednesday night, taking a 10-inning 5-4 decision that kept the pennant-picked Pads mired deep in the second division.

The two top clubs continued to win. San Francisco squeezing by Hollywood 3-2, and Vancouver blanking Portland 8-0. The Los Angeles Angels at Seattle game was postponed by falling moisture.

Sacramento's Al Heist singled with the bases full in the bottom of the tenth inning to drive in the winning run — his second RBI single of the night.

Reliefers Figure
The win went to reliever Milo Candini who took over in the ninth from Roger Osenbaugh. The loss was also pinned on a fireman — Dolan Nichols, who took over the chores from Gene Lary in the ninth inning also.

The Pads came from behind with a ninth inning run to send the game into extra innings. Jack Phillips and Ken Aspromonte did the batting to put the San Francisco Seals through their ninth win in 10 games. Phillips had three hits, including a single that brought home the winning run in the sixth inning. Aspromonte homered in the second inning and singled in the second Seal run in the third.

Still Unbeaten
The win went to Bill Abernathie, Seal relief artist, who now sports a 4-0 record. The Stars managed only five hits off Abernathie and his predecessor, John McCall.

Kurt Raydon took the loss. Ed Erautt pitched a four-hit shutout to keep the Vancouver Mounties a half game and only one percentage point behind the Seals.

Vancouver cracked out 10 hits, including a three-run home run by Jim Marshall in the third inning.

Bob Alexander first of three Portland pitchers, was the losing hurler as Erautt chalked up his second win, allowing only one Beaver as far as third base — and that on an error.

Glenn Cox Spurs Bisons
By UNITED PRESS

Glenn (Jingles) Cox, a beefy, eight-year International league pitching veteran who flubbed three major league trials, is parlaying home runs and complete games to make sure he's granted a fourth.

The 6-foot, 1-inch, 203-pound Buffalo Bisons right hander staged another one-man exhibition Wednesday night as he pitched and slugged the Bisons to a 2-1 victory over the Miami Marlins which nudged Buffalo within 1/2 game of third place Toronto.

The big game of the night between league-leading Richmond and runner-up Toronto was rained out. A seventh-inning homer by Gary Geiger gave Rochester a 4-3 triumph over Havana and the Montreal Royals tripped Columbus, 8-7, to snap a three-game Jet win streak in the other games played.

Tripleheader Will Decide High School Diamond Toga

Gil Turner Earns Nod

Miami Beach — Gil Turner's unrelenting fists won him an upset split decision over Blumini's Yama Bahama in a 10-round fight Wednesday night, but his manager ordered him to a hospital with a painful head injury which doctors said was not serious.

Turner, 26-year-old Philadelphia, suffered a torn vein under the skin of his forehead and a possible concussion while battling through the defensive maneuvers of the worthy Bahaman before 2,088 fans at the Miami Beach Auditorium. The bout was nationally televised.

Turner was taken to Mt. Sinai hospital to spend the night under observation at the request of his manager, George Katz. The hospital said at midnight most of the swelling in Turner's forehead had gone down and he was "feeling fine."

Turner, whose victory Wednesday was sweet revenge for a loss to Bahama in Madison Square Garden last June, said he thought he received the head injury during the final three rounds "from butting."
